

Property Loss Claim Packet

for MONITORED Insurance Claims

IS YOUR CLAIM AMOUNT \$40,000 OR MORE? WE CAN HELP!

HOW DO I KNOW MY CLAIM AMOUNT?

It should equal the NET CLAIM amount on the Insurance adjuster's report.

We are sorry to hear you have damage to your property. This can be a very stressful time, but we are here to help!

Below is what we need to help get you on your way to repairing your home.

WHAT GATEWAY NEEDS:

1. The Claim Check (or checks if more than 1) – Please make sure all parties have endorsed the check before sending it to Gateway for final endorsement!
2. Insurance Adjuster's Report/Worksheet - This is the Insurance repair estimate including all pages from the Insurance Company. This itemizes your claim by the insurance company.
3. The Declaration of Intent – This is included in the packet and must be filled out in its entirety and signed by all borrowers. It is a statement signed by you affirming your intent to repair the real property to a minimum of its original condition.
4. The Contractors Statement – This is included in the packet. This must be filled out in its entirety by the contractor. If you are self-contracting, no problem! We just need a detailed repair plan submitted and you to sign this as a self- contractor.
5. The Contract or Detailed Bid for Repairs - A signed agreement between you and any contractors, including an itemization of the expected materials and total cost of repairs, including labor.

Other Important Information

For MONITORED Insurance Claims

- A monitored insurance claim typically refers to a property damage claim where the total amount exceeds a specified threshold (commonly over \$40,000), or the borrower is delinquent or has experienced delinquencies at the time of or since the date of loss. In these cases, the mortgage servicer actively oversees the disbursement of insurance proceeds, which are released in stages based on verified progress of repairs through inspections and documentation.
- Your check cannot be processed or retained without all fully executed required documents and a completed packet based on your claim handling. **Any missing documents may result in checks being returned without endorsement after 3 business days** via standard mailing, which could delay repairing your home!
- In the event you have retained a public adjuster, or other third party, you are responsible for fees due to their services. These **fees cannot be paid from the insurance claim proceeds**.
- Repairs are to be completed within 90 days. **If you expect your repairs to require more than 90 days to be completed, please notify us of the date the repairs are expected to begin as well as the expected completion date.**
- If your real property has sustained a **total loss**, a **copy of the blueprints** for the proposed home are required. The proposed home must be comparable to the previous home in size and design, be in the same location of your property as the destroyed home, etc. The blueprints should include the room count, square footage, and information concerning the foundation. We will review the proposed information to confirm the proposed real property is comparable. Please note you may be required to complete an appraisal to confirm the security of the mortgage is not affected. Please do not begin rebuilding until you have received confirmation, your information has been accepted.
- If you would like to apply insurance proceeds to pay your mortgage loan in full; please request a payoff quote for your loan. Once confirmed you have sufficient funds to pay your loan in full, please mail your written request with the endorsed check to the address listed below.

Loss Draft FAQs

For Mortgage Customers Navigating MONITORED Insurance Claims

YOU HAVE DAMAGE—WHAT NOW?

Here are some easy steps to get started:

File a Claim

Contact your homeowner's insurance provider to report the damage and begin the claims process.

Send Documents and Check to Gateway

Once you received your insurance claim check, endorse it and send supporting documents to Gateway.

Start Repairs

Endorsed check or first draw will be returned to you to start repairs!

WHY IS GATEWAY ON MY INSURANCE CHECK?

Gateway is listed as a payee because your mortgage agreement requires that insurance proceeds be used to restore the property. As your mortgage servicer, Gateway has a security interest in the home, and this ensures the funds are used appropriately to protect your home and the lender's interest.

I HAVE A LARGE CLAIM. CAN I RECEIVE ALL THE MONEY AT ONCE?

For larger claims, funds are released in draws based on repair progress. This protects you and ensures repairs are completed properly.

WHAT IF THE CONTRACTOR NEEDS MORE TO START THE PROJECT THAN WHAT GATEWAY GAVE ME?

Reach out to the insurance provider to see if they can increase your claim. Please also see the Contractor Selection Page for more information when choosing a contractor.

WHAT IF MY PRINCIPAL BALANCE IS LESS THAN THE INSURANCE CLAIM AMOUNT?

You can either pay off your balance or you can repair the home. If you choose to repair the home, even if your mortgage balance is low, insurance proceeds must still be used for repairs. Excess funds may be released after repairs are verified and the mortgage is current.

WHAT IF MY LOAN IS PAST DUE NOW OR AT THE TIME OF THE LOSS?

Call us at 877-764-9319 or email us at insuranceclaim@gatewayloan.com to see how to proceed with your funds. It may be handled a little differently, but we can walk you through the process and provide you with instructions on how to proceed.

Contractor Selection

Tips & Fraud Prevention

HOW DO I FIND A CONTRACTOR TO HELP ME REPAIR MY HOME?

You can:

- Ask friends, family, or neighbors for referrals.
- Check online reviews and ratings (e.g., BBB, Google, Angi).
- Verify the contractor licensing and insurance.
- Request written estimates and timelines.

TIPS FOR CHOOSING A CONTRACTOR

- Get multiple estimates from different contractors.
- Check credentials and references.
- Avoid contractors who demand full payment upfront.
- Ensure contracts are detailed and signed (no ambiguity or incomplete areas). This may include total cost, specific work to be completed, payment schedules, etc.
- Ensure contracts can fit into the draw schedule allowed for your claim and the contractor is familiar with working with mortgage companies (all mortgage companies follow the same guidelines, if they tell you we are stricter, be weary).

AVOIDING CONTRACTOR FRAUD

While most contractors are reputable, contractor fraud and predatory pricing are something to be conscious of. If you feel you are the victim of fraud, please reach out to the proper authorities.

- Be wary of unsolicited offers or door-to-door contractors.
- Verify contractors via local BBB or other reputable source.
- Do not sign incomplete contracts.
- Confirm permits are obtained before work begins.
- NEVER pay in cash and NEVER pay in full upfront.
- Avoid final payments until all agreed upon work is completed
