| Man talking to camera   | Hello! I'm Steven Plaisance, President of Gateway Mortgage. Since 2000, we've been helping people achieve their dream of homeownership. Whether you're in the market to buy, refinance or renovate your home, we've got you covered with a tailored approach and personal touch. This means utilizing the latest technology to give you the best of both worlds—high tech supported by high touch. Our goal is to take the stress out of the process so that you can focus on making new memories. Thank you for choosing Gateway, where we put people first. |
