

Recurring Draft Enrollment

STEP 1

Once logged into your account, click the “Payments” dropdown arrow, then “Manage autopay.”

STEP 2

If you would like to pay additional to principal or escrow each month, enter the amount, otherwise leave it blank.

A screenshot of the 'Manage AutoPay' form. The form has two main sections. The first section, titled 'Let's set up your payment frequency.', contains a radio button labeled 'Monthly Payment' which is selected, and a text input field showing '\$1,525.10'. The second section, titled 'Would you like to add any other amounts to your Monthly Payment?', contains two text input fields: 'Additional Principal' and 'Additional Escrow', both of which are currently empty.

STEP 3

Select a day between the 1st – 15th for the recurring payment and the effective date.

A screenshot of the 'Select your payment schedule.' form. It contains two main sections. The first section, titled 'Select your payment schedule.', has a dropdown menu labeled 'Select day of the month *' with a downward arrow. The second section, titled 'When and how would you like to pay?', has a text input field labeled 'Effective Date *' with a calendar icon to its right.

STEP 4

Click “Add a Payment Method” to add the bank account information.

Let's set up your payment frequency.
