Showerheads

Infuses water with filtration and skin-friendly hydration, leaving skin and hair nourished and refreshed. Comes in static and handheld!

Hyaluronic Acid Products

OSEA Hyaluronic Body Serum

Clinically proven, lightweight body serum instantly boosts skin's hydration by 161%, smooths lines, lifts and firms with hyaluronic acid, seaweed, and snow mushroom for plump, dewy skin all day.

Paume Renewing Hand Serum

This powerful lightweight serum not only hydrates your hands, it is specially formulated to reduce and prevent the signs of aging in your hands.

Dirtea Tremella Mushroom Powder/Gummies

aka "snow mushrooms" provide similar hydrating and skin-plumping benefits to hyaluronic acid by retaining moisture, supporting collagen, and protecting skin from environmental stressors.

Paya Health Hyaluronic Highlighter Gummies

This ultra lightweight formula, rich with Red Algae Extract, Amarant Oil and Hyaluronic acid, adds beautiful definition, combats frizz and deeply moisturises while protecting the hair from heat.

ROZ Milk Hair Serum:

This ultra lightweight formula, rich with Red Algae Extract, Amarant Oil and Hyaluronic acid, adds beautiful definition, combats frizz and deeply moisturises while protecting the hair from heat.

Moon Juice Plump Jelly

A true glass of water for your face, this formula hydrates deeply, locks in moisture, and strengthens your skin's barrier with Hyaluronic Acid, peptides, adaptogens, and antioxidants for lasting bounce and glow.

Electrolytes

Momentus Fuel

This hydration mix replenishes electrolytes and promotes fluid absorption to combat dehydration caused by dry air.

Moon Juice Mini Dew

This formula uses electrolytes and trace minerals to improve cellular hydration, locking in moisture to fight the effects of dry air.

Thorne Catalyte

A rehydration formula with essential minerals and amino acids to restore electrolyte balance and support energy levels

cure hydration

A plant-based electrolyte drink designed to rapidly rehydrate and maintain moisture balance in the body. For both adults & kids
