"We know that coffee people can be a bit promiscuous in their hunt for a great cup. So, we wanted to reward them for their loyalty to the drink because, no matter where else you get your coffee, coffee people deserve great coffee," said Jessica Buttimer, VP of Brand Marketing at Peet's.

The move comes as new research from Peet's reveals that roughly 74% of coffee lovers consider their cup of coffee the best part of their day. It also found that 87% know a good cup of coffee from a bad cup and 36% would go as far to consider themselves a coffee connoisseur.

To enjoy your free drink from Peet's, be sure to head over to PeetsDisloyalty.com on National Coffee Day, Sept. 29!

**Free drink offer is only eligible to redeem on 9/29/23 at participating Peet's Coffeebars and excludes Peet's locations within airports, supermarkets, and other licensed locations. Find your store [HERE](#) and terms & conditions [HERE](#).*
