

# SteelToad and Black & Veatch Mentor Protégé

Black & Veatch and SteelToad are in an approved U.S. Small Business Administration's Mentor Protege JV (JV Team). Black and Veatch and SteelToad both have key capabilities to complement each other in the federal cybersecurity market. SteelToad is a Cyber and IT solutions provider with over 30 years of experience working with the federal government. They specialize in providing cybersecurity, software development, data management and cloud services. SteelToad is #11 as an Authorized C3PAO for CMMC assessments and is also a Licensed Training Provider for CMMC training. Additionally, the team has over 15 years of experience completing CMMI training and assessments.
