ZIP ANNOUNCES DEFINITIVE AGREEMENT TO ACQUIRE SEZZLE, SUPPORTING SUSTAINABLE GROWTH STRATEGY AND PATH TO PROFITABILITY AND EQUITY CAPITAL RAISE OF UP TO A\$198.7 MILLION¹

Zip Co Limited (ASX: Z1P) (“**Zip**”) and Sezzle Inc. (ASX:SZL) (“**Sezzle**”) are pleased to announce they have entered into a definitive agreement under which Zip has agreed to acquire Sezzle in an all-scrip transaction by way of a statutory merger under the laws of the State of Delaware (the “**Proposed Transaction**”). Subject to the satisfaction or waiver of specified closing conditions, Sezzle stockholders will be entitled to receive 0.98 Zip ordinary shares for every share of Sezzle common stock owned (including as represented by a CHESS depository interest (“**CDI**”) in Sezzle)². The total consideration for the Sezzle shares in the Proposed Transaction represents an implied value of Sezzle of approximately A\$491 million (based on the trading price of Zip ordinary shares on the Australian Securities Exchange (“**ASX**”) as of the close at 25 February 2022)³. The Proposed Transaction values Sezzle at a 22.0% premium based on current spot prices of A\$1.78 (Sezzle) and A\$2.21 (Zip) as of 25 February 2022, and a 31.7% premium based on a 30-day volume weighted average price (“**VWAP**”) of Sezzle’s common stock on the ASX⁴. Upon implementation of the Proposed Transaction and the Placement (as defined below), Zip shareholders will own approximately 78% of the combined group and Sezzle stockholders will own approximately the remaining 22%⁵. Closing of the Proposed Transaction is expected to occur by the end of the third quarter of CY2022.

Zip is also pleased to announce a A\$148.7 million fully underwritten placement to eligible institutional, professional and sophisticated investors (the “**Placement**”), and a non-underwritten share purchase plan to eligible Zip shareholders in Australia and New Zealand to raise up to A\$50 million (the “**SPP**”)^{6,7}. Proceeds of the Placement and SPP will help Zip strengthen its balance sheet and positions Zip for sustainable growth by providing more capital runway to execute on the potential synergies from the Proposed Transaction⁸.

Zip is a leading global “buy now, pay later” (“**BNPL**”) provider⁹, creating innovative, responsible and fair payments products that help businesses grow and allow consumers to take control of their finances. With a footprint across 14 geographies, Zip is a global leader in digital retail finance and payments. Zip offers innovative solutions and people-centred products that connect millions of customers with its global network of tens of

¹ Equity capital raise comprises the fully underwritten Placement for A\$148.7 million and a non-underwritten SPP for up to A\$50 million (subject to Zip’s right to increase or decrease the size of the SPP).

² As part of the Proposed Transaction, Zip is also establishing an American Depositary Receipts program (with the Zip ADRs required to be listed on a U.S. exchange as a condition to closing of the Proposed Transaction), and Sezzle stockholders outside of Australia may elect under the definitive merger agreement to receive 0.98 Zip ADRs for every share of Sezzle common stock owned in lieu of receiving Zip ordinary shares. To the extent that eligible Sezzle stockholders do not elect to receive Zip ADRs by a prescribed election date before closing of the Proposed Transaction, they will receive Zip ordinary shares.

³ Implied value calculated on a fully diluted basis and excludes the impact of any permitted equity financing that may be undertaken by Sezzle before closing of the Proposed Transaction in accordance with the merger agreement (which is capped at a maximum amount of 24.7m Sezzle shares at a minimum price of A\$1.53).

⁴ Based on Zip’s spot price of A\$2.21 per share and 30-day VWAP of A\$2.95 per share, and Sezzle’s spot price of A\$1.78 per share and 30-day VWAP of A\$2.19 per share, in each case as of 25 February 2022.

⁵ Estimated ownership percentage calculated on a fully diluted basis and assumes the inclusion of 78.3m shares issued under the Placement, and excludes the impact of any permitted equity financing that may be undertaken by Sezzle before closing of the Proposed Transaction in accordance with the merger agreement (which is capped at a maximum amount of 24.7m Sezzle shares at a minimum price of A\$1.53).

⁶ Zip reserves the right to increase or decrease the size of the SPP at its discretion.

⁷ Eligible shareholders are those registered in Australia and New Zealand subject to exceptions noted in the SPP offer booklet.

⁸ If the Proposed Transaction does not complete after settlement of the Placement and/or SPP, Zip will use the proceeds from the Placement and/or SPP to improve its balance sheet strength to support growth and for general working capital purposes.

⁹ Zip has recorded A\$4.5bn TTV in the half yearly period to 31 December 2021, representing a 93% growth vs the prior year period.

thousands of merchants. Sezzle, a certified B Corp headquartered in the United States (“U.S.”) and listed on the ASX, is a U.S. BNPL player with strength in small and medium businesses (“SMB”) supported by omni-channel solutions. Sezzle’s payments platform increases the purchasing power for millions of consumers by offering interest-free installment plans at online stores and in-store locations. Sezzle also has a long-term installment capability off balance sheet supported by its proprietary technology, and pioneered Sezzle Up, a product that allows users to buy now, pay later while building their credit scores. The combination of Zip and Sezzle is expected to result in pro forma 8.8 million customers and pro forma 60.5k merchants in the U.S.¹⁰.

The Proposed Transaction, which has been unanimously approved by both companies’ boards of directors, and the mergers and acquisitions committee of the board of directors of Sezzle, capitalises on Zip and Sezzle’s shared mission to financially empower the next generation. It advances both companies’ strategic objectives to be a global and U.S. leader in the BNPL industry and to drive a high growth ecosystem that brings merchants and customers together. The Proposed Transaction brings together industry leading BNPL talent and has the potential to generate substantial synergy benefits to accelerate both companies’ path to profitability.

“We are delighted to be bringing Zip and Sezzle together under a transformational transaction that is expected to deliver immediate scale and enhanced growth, which will support our path to profitability. Combining with Sezzle positions us as a leading global BNPL provider and prioritises our ability to win in the important U.S. market,” said Larry Diamond, Co-Founder and Global CEO of Zip. “Pete and I have known Charlie and Paul (co-founders of Sezzle) for some time, and we’ve been impressed by what the Sezzle team has achieved. Their responsible lending, their Sezzle Up credit builder programme, as well as their B Corp certification is to be admired. We’re excited to welcome the entire Sezzle team on our journey, as we continue our mission towards being the first payment choice, everywhere and every day.”

“We are extremely excited about the opportunity to create a leader in the financial services industry by combining with Zip and its management team led by Larry and Pete. Paul and I believe it will be a great cultural fit for both our organisations and we’re excited to be part of Zip’s next chapter,” stated Charlie Youakim, Co-founder, Executive Chairman, and CEO of Sezzle. “I believe the transaction will position us to win in the U.S. and globally.”

A summary of the key terms of the Proposed Transaction is included in Appendix A to this announcement. An Investor Presentation, which includes additional information regarding the Proposed Transaction (including a summary of certain key risks associated with the Proposed Transaction) has also been lodged with the ASX and should be read together with this announcement, together with a copy of the merger agreement in Appendix D. Shareholders are also referred to the ‘Important Notices’ section of this announcement, and in particular to the paragraph titled ‘Cautionary Statement Regarding Forward-Looking Statements’ in relation to the risks and uncertainties associated with the targeted potential synergies and other forward-looking statements in connection with the Proposed Transaction.

¹⁰ Zip and Sezzle pro forma metrics exclude potential synergies and any customer or merchant overlap. Customer and merchant numbers are based on Zip and Sezzle’s definition of customers and merchants: Zip (number of active customer accounts and accredited merchants) and Sezzle (number of active customer and merchant accounts transacting within the last 12 months).

Compelling strategic and financial rationale

The Proposed Transaction is expected to deliver the scale to support sustainable growth and the path to profitability, creating enhanced value for Zip and Sezzle securityholders, as summarised below.

1. **Significantly enhances Zip's scale and product offering, with the capabilities to accelerate in the U.S.**
 - Significant untapped market potential as BNPL represents 2.1% of global eCommerce spend in a \$25 trillion addressable retail market¹¹.
 - As one of the largest BNPL markets globally, the U.S. continues to be the highest priority for Zip and Sezzle.
 - With enhanced scale across 8.8 million customers and 60.5k merchants in the U.S., approximately 60% of the TTV of the combined business is estimated to be derived from the U.S., up from Zip's 48% as of 31 December 2021¹².
2. **Provides meaningful customer benefits unlocking BNPL anywhere for Sezzle customers and provides Zip customers access to Sezzle's U.S. merchant network**
 - Broadened product suite to drive increased customer engagement in a combined ecosystem with merchants, thereby reducing customer acquisition costs.
 - Complementary models and flexible solutions that enable Zip and Sezzle customers access to BNPL everywhere, expected to drive increased customer engagement across both app and checkout.
 - Potential benefits across improved unit economics, expected to attract new customers and support higher frequency of usage.
3. **Brings together highly complementary enterprise and SMB merchant networks with a strengthened set of capabilities to win together, across a diverse set of verticals**
 - Combining Zip's strength in global enterprise and Sezzle's SMB focus to create deeper merchant experiences and offerings.
 - Enhanced proposition for U.S. merchants through breadth of product suite, channels and industry verticals.
 - Risk management bolstered by combined proprietary credit platforms that drive informed decision making for merchants in an effort to deliver profitable outcomes.
4. **Enables potential material cost synergies to be achieved and opportunities for improved unit economics, supporting Zip's path to profitability**
 - Potential material cost synergies and opportunities for revenue and margin uplift with targeted potential EBTDA benefits of up to c. A\$130 million EBTDA in FY24, of which A\$60-80 million EBTDA are expected to be cost synergies^{13,14}.

¹² See footnote 10.

¹³ Refer to page 16 of the Investor Presentation lodged with the ASX together with this announcement for more details on the composition of the potential synergies, including the material assumptions. Investors are also referred to the 'Key Risks' in Appendix B of that presentation (including, without limitation, the risks in section 1.6 (Integration risk and realisation of synergies) and section 1.7 (Future earnings risk) and the 'Important Notices' section of this announcement, and in particular to the paragraph titled 'Cautionary Statement Regarding Forward-Looking Statements' in relation to the risks and uncertainties associated with the targeted potential synergies and other forward-looking statements in connection with the Proposed Transaction.

¹⁴ EBTDA is a non-international financial reporting standards term ("IFRS") and non-Generally Accepted Accounting Principles ("GAAP") financial measure. This measure is only used by Zip management to assess performance of the business. Investors should consider these non-IFRS and non-GAAP measures only as a supplement to, not as a substitute for or as superior to, measures of financial performance prepared in accordance with IFRS or GAAP, as applicable. In addition, these non-IFRS and non-GAAP measures are unlikely to be comparable with non-IFRS and non-GAAP information provided by other companies. For additional information, please refer to 'Financial and Other Information' in the 'Important Notices' section of this announcement.

- First realisation of potential synergies targeted in FY23 with initiatives across two key categories: (1) operating expenses and (2) revenue and net transaction margin opportunities.
- Zip and Sezzle are engaging in integration planning for the businesses including across key functions, brands and technology. Zip intends on retaining a significant footprint in Minneapolis, Minnesota, where Sezzle is headquartered in the U.S..

5. Integration path to deliver near-term financial benefits including accretion and balance sheet support to deliver sustainable growth and realisation of potential synergies; potential to create significant value for Zip and Sezzle securityholders

- The Proposed Transaction is expected to be accretive to revenue per share and EBTDA per share in FY24F, assuming the full impact of the targeted potential synergies¹⁵.
- Supports path to EBTDA profitability with expected EBTDA and cash flow positive during FY24, assuming the full impact of the targeted potential synergies¹⁶.
- Balance sheet strength positioned for sustainable growth following the Placement, with more capital runway to execute on the potential synergies.
- Improved capital recycling driven by an increase in volume coming from Pay in 4 to c. 60% (an increase from c. 50% in volume coming from Pay in 4 for Zip).

Management and Board

Zip and Sezzle strongly believe that it is important to combine with culturally aligned partners that have common vision and shared objectives. Sezzle's culture of empowering customers through products such as Sezzle Up is fully aligned with Zip's own ethos.

In order to ensure alignment on delivery of the combined company strategy, as part of the Proposed Transaction Zip will expand the Zip board of directors to nine members, comprising three persons appointed by Sezzle (being, Co-Founder & CEO of Sezzle, Charlie Youakim as an Executive Director, Paul Lahiff and Mike Cutter as Non-Executive Directors), and an independent director mutually agreed between Zip and Sezzle. Diane Smith-Gander will remain the Independent Chairperson of Zip. Upon closing, Charlie Youakim will become President and CEO of the Americas (U.S., Mexico and Canada) and Executive Director & President of Sezzle, Paul Paradis will join the U.S. leadership team.

Board Recommendations

The Zip board of directors has unanimously determined that the Proposed Transaction is in the best interests of Zip and its shareholders and recommends that Zip shareholders vote in favour of the resolutions necessary to implement the Proposed Transaction.

The Sezzle board of directors established a special committee of the board consisting solely of independent directors of Sezzle (the "**Mergers and Acquisitions Committee**") to review, analyse and make recommendations to the Sezzle board of directors with respect to potential opportunities for business combinations, mergers, acquisitions, dispositions, divestitures and other similar change of control transactions involving Sezzle, and determine whether any such transaction is in the best interests of Sezzle and Sezzle's minority stockholders. The Sezzle board of directors (acting upon the unanimous recommendation of the Mergers and Acquisitions Committee) unanimously determined that the Proposed Transaction is fair and in the best interests of Sezzle and its stockholders and those materially affected by Sezzle's conduct, and promotes the public benefit. Sezzle's directors unanimously recommend that Sezzle stockholders vote in favour of the Proposed Transaction.

¹⁵ See footnote 13 and 14.

¹⁶ See footnote 13 and 14.

Indicative Timetable and Next Steps

Subject to the receipt of the requisite Zip and Sezzle securityholder approvals, and the satisfaction or waiver of the other conditions to closing, Zip expects to complete the Proposed Transaction by the end of the third quarter of CY2022.

Zip and Sezzle securityholders do not need to take any action at the present time.

A notice of the meeting and proxy statement for the required meeting of Sezzle stockholders, when available, will contain additional details regarding the Proposed Transaction. Zip will also provide Zip shareholders with a notice of extraordinary general meeting in respect of the required Zip shareholder approvals in due course.

Further information about the date of the securityholder meetings to consider the necessary resolutions required to proceed with the Proposed Transaction will be provided in due course.

In connection with the Proposed Transaction, Zip will also file with the U.S. Securities and Exchange Commission (the “SEC”) a registration statement on Form F-4 (which will include a definitive proxy statement of Sezzle and a prospectus of Zip with respect to the Zip ordinary shares and Zip ADRs to be issued to Sezzle stockholders in the Proposed Transaction) that will be provided to Sezzle stockholders.

Subject to certain exceptions, each of Sezzle’s co-founders, Charlie Youakim and Paul Paradis (accounting for 48% of Sezzle’s outstanding shares of common stock as at 25 February 2022), and Zip’s co-founders, Larry Diamond and Peter Gray (accounting for 12% of issued Zip ordinary shares as at 25 February 2022), have agreed to vote in favour of the Proposed Transaction.

As part of the Proposed Transaction, Zip is also establishing an American Depositary Receipts program, with such securities required to be listed on a U.S. exchange as a condition to closing of the Proposed Transaction (the “**Zip ADRs**”)¹⁷. American Depositary Receipts allow U.S. investors to invest in non-US companies (such as Zip) and give non-U.S. companies easier access to the U.S. capital markets. As Zip will have undertaken this process as part of the Proposed Transaction, this provides Zip with a pathway to explore a U.S. IPO in the future and/or a greater opportunity to access new pools of capital in the U.S..

Placement

Zip is undertaking a fully underwritten institutional Placement to eligible institutional, professional and sophisticated investors to raise approximately A\$148.7 million at a fixed price of A\$1.90 (the “**Placement Price**”). This represents a:

- 14% discount to Zip’s last closing price on 25 February 2022 of A\$2.21 per share; and
- 15% discount to the VWAP of Zip ordinary shares traded during the 5 trading days up to and including 25 February 2022 of A\$2.23 per share.

The Placement is fully underwritten¹⁸. The Placement will result in the issue of approximately 78.3 million Zip ordinary shares (the “**Placement Shares**”), representing approximately 13.3% of Zip’s existing shares on issue¹⁹.

¹⁷ See footnote 2.

¹⁸ Refer to Appendix C of the Investor Presentation lodged with ASX with this announcement for a summary of the key terms and conditions of the underwriting agreement.

¹⁹ Based on Zip’s current ordinary shares on issue as at 25 February 2022.

The Placement Shares will rank equally with existing Zip ordinary shares and are expected to settle on 3 March 2022 and commence trading on 4 March 2022.

The Placement is not conditional on the Proposed Transaction completing and is occurring without Zip shareholder approval under Zip's ASX Listing Rule 7.1 placement capacity.

Proceeds of the Placement will help Zip strengthen its balance sheet and positions Zip for sustainable growth by providing more capital runway to execute on potential synergies from the Proposed Transaction.²⁰

SPP

Following completion of the Placement, eligible Zip shareholders in Australia and New Zealand²¹ will have the opportunity to participate in a non-underwritten SPP to raise up to A\$50 million²². Under the SPP, eligible shareholders will have the opportunity to apply for up to A\$30,000 of new Zip ordinary shares without incurring broker or transaction costs²³.

The issue price of the new Zip ordinary shares to be issued under the SPP ("**SPP Shares**") will be the lower of:

- the Placement Price of A\$1.90; and
- a 2% discount to the 5 day VWAP of Zip ordinary shares up to and including the closing date of the SPP (currently scheduled for 1 April 2022).

The SPP Shares will rank equally with existing Zip ordinary shares from their issue date.

The SPP is not conditional on the Proposed Transaction completing. Full details of the SPP will be set out in the SPP offer booklet, which is expected to be released to the ASX and made available to eligible shareholders on the SPP offer opening date of 11 March 2022.

This announcement does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States or any other jurisdiction. The Placement Shares and the SPP Shares have not been, and will not be, registered under the US Securities Act of 1933 and may not be offered or sold in the United States except in transactions exempt from, or not subject to, the registration requirements of the US Securities Act and applicable US state securities laws. The SPP Shares will only be offered and sold outside the United States in compliance with Regulation S under the US Securities Act.

HY 2022 earnings

In addition to today's announcement, Zip reported record revenues and transaction volumes for the half-year ended 31 December 2021 (HY 2022). Zip's HY 2022 results have also been lodged on the ASX.

About Sezzle

Sezzle is a rapidly growing fintech company on a mission to financially empower the next generation. Sezzle's payment platform increases the purchasing power for millions of active consumers by offering interest-free instalment plans at online stores and in-store locations. Sezzle's transparent, inclusive and seamless payment option allows consumers to take control over their spending, be more responsible, and gain access to financial freedom. When consumers apply, approval is instant, and their credit scores are not impacted, unless the consumer elects to opt-in to a credit building feature, called Sezzle Up.

The increase in purchasing power for consumers can lead to increased sales and basket sizes for more than 47,000 active merchants that offer Sezzle.

For more information, visit sezzle.com.

Sezzle's CDIs are issued in reliance on the exemption from registration contained in Regulation S of the US Securities Act of 1933 ("**Securities Act**") for offers of securities which are made outside the US. Accordingly, the CDIs have not been, and will not be, registered under the Securities Act or the laws of any state or other jurisdiction in the US. As a result of relying on the Regulation S exemption, the CDIs are 'restricted securities' under Rule 144 of the Securities Act. This means that you are unable to sell the CDIs into the US or to a US person who is not a qualified institutional buyer ("**QIB**") for the foreseeable future, unless the re-sale of the CDIs is registered under the Securities Act or another exemption is available. To enforce the above transfer restrictions, all CDIs issued bear a FOR Financial Product designation on the ASX. This designation restricts any CDIs from being sold on ASX to US persons excluding QIBs. However, you are still able to freely transfer your CDIs on ASX to any person other than a US person who is not a QIB. In addition, hedging transactions with regard to the CDIs may only be conducted in accordance with the Securities Act.

Appendix A: Details of Terms of the Proposed Transaction

Consideration

Subject to the satisfaction or waiver of specified closing conditions, Sezzle stockholders will be entitled to receive 0.98 Zip ordinary shares for every Sezzle common stock owned. As part of the Proposed Transaction, Zip is also establishing an American Depositary Receipts program, with the associated Zip ADRs required to be listed on a U.S. exchange as a condition to closing of the Proposed Transaction. Accordingly, Sezzle stockholders outside of Australia²⁴ may elect under the definitive merger agreement to receive 0.98 Zip ADRs for every Sezzle common stock owned in lieu of receiving Zip ordinary shares²⁵. The total consideration for the Sezzle shares of common stock in the Proposed Transaction represents an implied value of Sezzle of approximately A\$491 million (based on the trading price of Zip ordinary shares on the ASX as of the close at 25 February 2022)²⁶.

Upon implementation of the Proposed Transaction and the Placement, the shares issuable to Sezzle stockholders in the Proposed Transaction will represent approximately 22% of the combined group and the shares held by Zip shareholders immediately prior to the closing of the Proposed Transaction will represent the remaining 78%²⁷.

Conditions precedent

Closing of the Proposed Transaction is subject to certain conditions precedent, including:

- Approval by at least a majority of the outstanding shares of Sezzle common stock at a Sezzle stockholder meeting²⁸;
- Approval by Zip shareholders of: (a) the Zip ordinary shares to be issued to the Sezzle stockholders (including the Zip ordinary shares underlying the Zip ADRs to be issued to the Sezzle stockholders) for the purposes of ASX Listing Rule 7.1; and (b) the new Zip employee incentive securities to be issued to the existing employee incentive plan securityholders of Sezzle (as described below) for the purposes of ASX Listing Rule 7.1²⁹;
- The registration statement on Form F-4 and the registration statement on Form F-6 will have become effective under the Securities Act of 1933, as amended, and to the extent required under Australian law, Zip having lodged a prospectus with the Australian Securities and Investments Commission (“ASIC”) for the issue of Zip ordinary shares under the Proposed Transaction (unless a waiver is obtained from ASIC);
- The new Zip ADRs having been authorized for listing on a U.S. securities exchange;
- Expiration or early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended;
- Compliance in all material respects by Sezzle and Zip with their respective obligations under the merger agreement and the accuracy of their respective representations and warranties, subject to certain negotiated materiality standards;

²⁴ Sezzle stockholders located in Australia may only receive Zip ordinary shares, not Zip ADRs.

²⁵ To the extent that eligible Sezzle stockholders do not elect to receive Zip ADRs by a prescribed election date before closing of the Proposed Transaction, they will only be entitled to receive Zip ordinary shares.

²⁶ See footnote 3.

²⁷ See footnote 5.

²⁸ Under the Proposed Transaction it is proposed that certain existing vested options in Sezzle will be cancelled and exchanged for either Zip ordinary shares or Zip ADRs, and the existing vested employee incentive securities in Sezzle will be cancelled and exchanged for Zip ordinary shares or Zip ADRs. In addition, the existing unvested employee incentive securities will be cancelled and exchanged for Zip performance rights or options. To effect this, Sezzle will need to obtain either a waiver from ASX Listing Rule 6.23.2 or Sezzle stockholder approval for the purposes of ASX Listing Rule 6.23.2. To the extent Sezzle stockholder approval is required, an additional vote of Sezzle stockholders will be needed under ASX Listing Rule 6.23.2.

²⁹ Zip has obtained confirmation from the ASX that Zip shareholder approval is not required under ASX Listing Rule 11.1.2 (‘Proposed change to scale of activities’) for the Proposed Transaction.

- No material adverse event (as prescribed) having occurred or being reasonably expected to have occurred in respect of Sezzle or Zip prior to closing³⁰; and
- Further other conditions, including regarding the receipt of regulatory approvals and waivers.

The merger agreement contains mutual non-solicitation of certain third-party acquisition proposals, notification obligations and payment of an agreed termination fee, payable by Sezzle in the amount of A\$7.8 million and payable by Zip in the amount of A\$31.4 million in certain circumstances (noting certain restrictions on Zip's ability to engage with a third-party acquisition proposal does not apply to Zip where the proposal would not significantly decrease the likelihood, or materially delay, the Proposed Transaction, in addition to exercise of a fiduciary-out to enter into a superior proposal).

Either party has the right to terminate the merger agreement for the Proposed Transaction if completion has not occurred by 28 November 2022, subject to an extension right in favour of each party if the only condition that has not been satisfied as of such date is the expiration or early termination of the HSR waiting period³¹. In addition, each party has the right to terminate the merger agreement under the following circumstances, among others: (a) upon exercise of a fiduciary-out to enter into a superior proposal (subject to payment by the terminating party of a termination fee); (b) a breach by the non-terminating party of any of its covenants in the merger agreement or the inaccuracy of any of its representations in the merger agreement, in each case, such that a closing condition would not be satisfied and provided that such breach has not been cured by the prescribed time; (c) a breach by the non-terminating party in any material respect of its no-shop obligations or such other party failing to recommend the Proposed Transaction to its securityholders; and (d) either party's securityholders failing to provide the requisite shareholder approvals for the Proposed Transaction. Zip is also obligated to reimburse Sezzle for its out-of-pocket, documented expenses with respect to obtaining HSR approval up to US\$5.0 million if the Proposed Transaction is terminated for failure to obtain such antitrust clearance, which cap may be increased to US\$8.0 million in certain prescribed circumstances.

New employee securities

As part of the Proposed Transaction, Zip has agreed to grant at closing up to 15.3 million new options and performance rights in Zip to the existing employee incentive plan securityholders of Sezzle in replacement of their existing unvested employee incentive securities in Sezzle. The new securities will generally be granted on the same terms as the current Sezzle employee incentive securities, except that on exercise of these securities, the securityholder will be able to be issued Zip ordinary shares (rather than common stock in Sezzle). The grant of the new securities is subject to Zip shareholder approval as detailed above.

Other key terms

The following is a summary of some other key terms relating to the Proposed Transaction:

- **Structure and exchange mechanics:** The Proposed Transaction will be effected by way of a statutory merger under the laws of the State of Delaware. As part of this, on closing of the Proposed Transaction Zip will issue the Zip ordinary shares to Computershare Trust Company, N.A. or another third party (in its capacity as the

³⁰ A "material adverse event" expressly excludes, among other things, (a) matters generally affecting the U.S. or foreign economies, financial or securities markets, or political, legislative, or regulatory conditions, or the industry in which such party operates, (b) the negotiation, execution, announcement or pendency of, or entry into the merger agreement or the Proposed Transaction (c) changes in law or regulation, (d) acts of war or terrorism, and (e) the COVID-19 virus or any other epidemic, pandemic or other outbreak of illness or public health event.

³¹ Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, the waiting period for the Proposed Transaction is 30 days from the time both parties make their respective filings, unless the U.S. Department of Justice or Federal Trade Commission issues a request for additional information, in which case the waiting period would be extended until 30 days after substantial compliance with the request, unless otherwise agreed.

Importantly, under the terms of the merger agreement representations and warranties will not survive closing of the Proposed Transaction and neither party will have contractual recourse against the other party following closing of the Proposed Transaction with respect to a breach of such representations or warranties.

- **New directors:** Zip will expand its board of directors to nine members, comprising three persons appointed by Sezzle (being, Co-Founder & CEO of Sezzle, Charlie Youakim as an Executive Director, Paul Lahiff and Mike Cutter as Non-Executive Directors) and an independent director mutually agreed between Zip and Sezzle. Diane Smith-Gander will remain the Independent Chairperson of Zip. The Chair of Zip's Audit and Risk Committee will also be one of the directors selected by Sezzle.
- **Voting agreements:** Subject to certain exceptions, each of Sezzle's co-founders, Charlie Youakim and Paul Paradis (accounting for 48% of Sezzle's outstanding shares of common capital stock), and Zip's co-founders, Larry Diamond and Peter Gray (accounting for 12% of issued Zip ordinary shares), have agreed to vote in favour of the Proposed Transaction³³.
- **Permitted equity financing:** Subject to the terms of the merger agreement, Sezzle is permitted to undertake an equity financing before closing of the Proposed Transaction, which is capped at a maximum amount of 24.7 million Sezzle shares at a minimum price of A\$1.53.

³² Subject to Zip's discretion to issue any Zip ordinary shares directly to any Sezzle stockholder to the extent the exchange agent receives the stockholder's relevant letters of transmittal prior to closing.

³³ Each of Charlie Youakim, Paul Paradis, Larry Diamond and Peter Gray have made their respective voting commitments via their respective shareholding entities.

The risks and uncertainties may be amplified by the COVID-19 pandemic (and related variants), which has caused significant economic uncertainty. The extent to which the COVID-19 pandemic (and related variants) impacts Zip's or Sezzle's businesses, operations, and financial results, including the duration and magnitude of such effects, will depend on numerous factors, which are unpredictable, including, but not limited to, the duration and spread of the outbreak, its severity, the actions to contain the virus or treat its impact, and how quickly and to what extent normal economic and operating conditions can resume. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the "Key risks" section of Zip's Investor Presentation lodged with the ASX together with this announcement, Sezzle's registration statement on Form 10 (File No.000-56267) (the "**Form 10**"), Zip's registration statement on Form F-4 and other documents filed by Zip or Sezzle from time to time with the ASX, the ASIC and/or the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements.

If any of these risks materialize or Sezzle's and Zip's assumptions prove incorrect, actual events and results could differ materially from those contained in the forward-looking statements. There may be additional risks that

Sezzle and Zip presently do not know or that Sezzle and Zip currently believe is immaterial that could also cause actual events and results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect Sezzle's and Zip's expectations, plans or forecasts of future events and views as of the date of this announcement. Sezzle and Zip anticipates that subsequent events and developments will cause Sezzle's and Zip's assessments to change. While Sezzle and Zip may elect to update these forward-looking statements at some point in the future, Sezzle and Zip specifically disclaim any obligation to do so, unless required by applicable law. These forward-looking statements should not be relied upon as representing Sezzle's and Zip's assessment as of any date subsequent to the date of this announcement. Accordingly, undue reliance should not be placed upon the forward-looking statements. Sezzle and Zip do not give any assurance that either Zip or Sezzle, or the combined company, will achieve the results or other matters set forth in the forward-looking statements.

INVESTORS AND SECURITY HOLDERS ARE URGED TO CAREFULLY READ THE ENTIRE REGISTRATION STATEMENT, PROXY STATEMENT / PROSPECTUS, NOTICE OF EXTRAORDINARY GENERAL MEETING, AUSTRALIAN PROSPECTUS (IF ANY), INCLUDING ALL AMENDMENTS OR SUPPLEMENTS TO THOSE DOCUMENTS, AND ANY OTHER RELEVANT DOCUMENTS TO BE FILED WITH THE SEC, ASIC AND THE ASX IN CONNECTION WITH THE PROPOSED TRANSACTION WHEN THEY BECOME AVAILABLE, BECAUSE THEY DO AND THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION AND THE PARTIES TO THE PROPOSED TRANSACTION. Investors and security holders will be able to obtain the registration statement, the proxy statement/prospectus, the Australian prospectus (if any) and all other relevant documents filed or that will be filed free of charge from the SEC's website at www.sec.gov or the ASX's website at www.asx.com.au.

The documents filed by Zip or Sezzle with the SEC, ASIC and the ASX also may be obtained free of charge at Zip's or Sezzle's website at <http://investors.sezzle.com/> and <https://zip.co/investors/>.

No Offer or Solicitation

Neither this announcement nor the Investor Presentation constitute an offer to buy or the solicitation of an offer to sell any securities in any jurisdiction, or a solicitation of any vote or approval of the Proposed Transaction. Nor may there be any offer, solicitation, or sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

No securities described in this announcement may be offered or sold in the United States absent registration under the U.S. Securities Act of 1933, as amended (the "**Securities Act**") and applicable U.S. state securities laws, or pursuant to an exemption from, or in a transaction not subject to, such registration requirements. Any securities offered in the Proposed Transaction will be registered under the Securities Act. This announcement should not be construed in any manner as a solicitation or recommendation to any reader of this announcement.

Participants in the Proposed Transaction

Zip, Sezzle and their respective directors and executive officers and other members of management and employees may be deemed to be participants in the solicitation of proxies from stockholders of Sezzle in connection with the Proposed Transaction. Information about Zip's directors and executive officers is available

in Zip's Annual Report to Stockholders for the fiscal year ended 30 June 2021 filed with the ASX on 28 September 2021. Information concerning the ownership of Sezzle's securities by Sezzle's directors and executive officers is included in the Company's Registration Statement on Form 10, filed with the SEC on 25 October 2021.

Other information regarding persons who may, under the rules of the SEC, be deemed the participants in the proxy solicitation of Sezzle's stockholders in connection with the Proposed Transaction and a description of their direct and indirect interests, by security holdings or otherwise, will be included in the proxy statement / prospectus and other relevant materials to be filed with the SEC regarding the Proposed Transaction (if and when they become available). Securityholders, potential investors and other readers should read the proxy statement/prospectus carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from Zip or Sezzle as indicated above.

Financial and Other Information

The financial information contained in this announcement has been taken from or prepared based on the historical financial statements of Zip and Sezzle for the periods presented. An audit of certain of these financial statements has not been completed, and the financial statements do not conform to Regulation S-X promulgated under the Securities Act. Accordingly, such financial information and data may not be included in, may be adjusted in or may be presented differently in any registration statement to be filed with the SEC by Zip in connection with the Proposed Transaction.

This announcement includes certain pro forma financial information. Any such pro forma historical financial information provided in this announcement is for illustrative purposes only and is not represented as being indicative of Zip's and Sezzle's views on its, nor anyone else's, future financial position and/or performance. Any pro forma historical financial information has been prepared by Zip and Sezzle in accordance with the measurement and recognition principles, but not the disclosure requirements, prescribed by the Australian Accounting Standards. In addition, the pro forma financial information in this announcement does not purport to be in compliance with Article 11 of Regulation S-X of the rules and regulations of the SEC.

This announcement includes certain financial measures that have not been prepared in accordance with IFRS or with GAAP (including on a forward-looking basis) such as EBTDA. These non-IFRS and non-GAAP measures are an addition to, and not a substitute for or superior to, measures of financial performance prepared in accordance with IFRS and GAAP, as applicable, and should not be considered as an alternative to net income, operating income or any other performance measures derived in accordance with IFRS or GAAP. Zip and Sezzle believe that these non-IFRS and non-GAAP measures of financial results (including on a forward-looking basis) provide useful supplemental information to investors about Zip and Sezzle. Zip's and Sezzle's management teams use forward-looking non-IFRS or non-GAAP measures to evaluate their projected financials and operating performance. However, there are a number of limitations related to the use of these non-IFRS or non-GAAP measures and their nearest IFRS or GAAP equivalents, as applicable, including that they exclude significant expenses that are required by IFRS or GAAP to be recorded in Zip's and Sezzle's financial measures. In addition, other companies may calculate non-IFRS or non-GAAP measures differently or may use other measures to calculate their financial performance, and therefore, Zip's and Sezzle's non-IFRS and non-GAAP measures may not be directly comparable to similarly titled measures of other companies.

Zip and Sezzle are not providing forward-looking IFRS net income or GAAP net income or a reconciliation of expected EBTDA to expected IFRS net income or GAAP net income because, without unreasonable efforts, they are unable to predict with reasonable certainty the non-IFRS and non-GAAP adjustments used to calculate EBTDA. These adjustments are uncertain, depend on various factors and could have a material impact on IFRS or GAAP net income for the future period.

International offer restrictions

This announcement is not a proxy statement or solicitation or a proxy, consent or authorization with respect to any securities or in respect of the Proposed Transaction and **shall not constitute an offer to sell or a solicitation of an offer to buy the securities of Zip, Sezzle or the combined company, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.**

Please refer to the international offer restrictions set out in the Investor Presentation for further information.

BEFORE MAKING ANY VOTING OR INVESTMENT DECISION, SECURITY HOLDERS ARE URGED TO CAREFULLY READ THE ENTIRE REGISTRATION STATEMENT AND PROXY STATEMENT / PROSPECTUS, NOTICE OF EXTRAORDINARY GENERAL MEETING, AUSTRALIAN PROSPECTUS (IF ANY), (INCLUDING ALL AMENDMENTS AND SUPPLEMENTS THERETO) WHEN THEY BECOME AVAILABLE, AND ANY OTHER RELEVANT DOCUMENTS FILED WITH THE SEC, ASIC AND THE ASX AND THE DEFINITIVE VERSIONS THEREOF (WHEN THEY BECOME AVAILABLE), AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THESE DOCUMENTS, CAREFULLY AND IN THEIR ENTIRETY BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION.

Investors and securityholders may obtain free copies of the registration statement, the proxy statement/prospectus and all other relevant documents filed or that will be filed with the SEC by Zip or Sezzle through the website maintained by the SEC at www.sec.gov and otherwise.

The documents filed by Zip or Sezzle with the SEC also may be obtained free of charge at Zip's or Sezzle's website at <http://investors.sezzle.com/> and <https://zip.co/investors/>.

(the “Company”), a Delaware public benefit corporation, Zip Co Limited, an Australian public company limited by shares (“Parent”), and Miyagi Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Parent (“Merger Sub”).

WHEREAS, in connection with the exploration of potential opportunities for business combinations, mergers, acquisitions, dispositions, divestitures and other similar change in control transactions, on September 9, 2021, the board of directors of the Company (the “Company Board”), formed a committee of the Company Board comprised of independent and disinterested directors (the “M&A Committee”) to, among other things, (a) review, analyze and make recommendations to the Company Board with respect to potential opportunities for business combinations, mergers, acquisitions, dispositions, divestitures and other similar change in control transactions involving the Company (collectively, “Strategic Transactions”), (b) evaluate and/or negotiate the terms of any Strategic Transactions, and determine whether any such Strategic Transaction is in the best interests of the Company and the Company’s minority stockholders, (c) evaluate and/or negotiate the terms of any material amendment, modification or supplement to any agreement resulting from a Strategic Transaction, or any waiver or departure from the terms and conditions of such an agreement, and determine whether any such amendment, modification, supplement, waiver or departure is in the best interests of the Company and the Company’s minority stockholders, (d) evaluate and/or negotiate any material determinations, decisions or elections to be made by the Company under, or with respect to, any agreement resulting from a Strategic Transaction, and determine whether any such determination, decision or election is in the best interests of the Company and the Company’s minority stockholders, and (e) perform additional functions that are necessary or appropriate for the efficient discharge of the foregoing;

WHEREAS, following the M&A Committee’s review of certain potential negotiated transactions or business combinations and its determination that the transactions contemplated by this Agreement, including the Merger (as defined below) (the “Contemplated Transactions”), are fair and in the best interests of the Company, the Company Stockholders and those materially affected by the Company’s conduct, and promote the Public Benefit (as defined herein), the M&A Committee has reviewed and unanimously approved the terms of the Contemplated Transactions and has unanimously recommended that the Company Board (i) approve the acquisition of the Company by Parent pursuant to the Merger on the terms and subject to the conditions set forth in this Agreement and (ii) approve this Agreement and recommend that the holders of the Company Shares (as defined herein) (the “Company Stockholders”) adopt this Agreement and approve the Merger and the other Contemplated Transactions, including the cancellation of the Company Equity Awards (collectively, the “M&A Committee Recommendation”);

WHEREAS, the consummation of the Contemplated Transactions is conditioned upon, among other conditions, the receipt of the affirmative vote of a majority of the issued and outstanding Company Shares, in favor of the adoption of this Agreement and approval of the Merger (as defined below);

WHEREAS, the Company Board, acting upon the M&A Committee Recommendation, and the board of directors of Parent (the "Parent Board") each have approved the acquisition of the Company by Parent on the terms and subject to the conditions set forth in this Agreement, pursuant to a transaction in which Merger Sub will merge with and into the Company, with the Company surviving as a wholly owned subsidiary of Parent (the "Merger");

WHEREAS, pursuant to the Merger, each share of the Company's common stock, \$0.00001 par value per share (including each share of the Company's common stock in respect of which a Company CDI has been issued) (the "Company Shares"), outstanding at the Effective Time will be converted into the right to receive the Merger Consideration (as defined herein), as more fully provided in this Agreement;

WHEREAS, the Company Board, acting upon the M&A Committee Recommendation, has unanimously determined, subject to the terms of this Agreement, that the Contemplated Transactions are fair and in the best interests of the Company, the Company Stockholders and those materially affected by the Company's conduct, and promote the Public Benefit, and approved this Agreement and resolved to recommend that the Company Stockholders adopt this Agreement;

WHEREAS, the Parent Board has unanimously approved and declared advisable this Agreement, the Contemplated Transactions, the Parent Share Issuance (as defined herein) and the issuance of the New Parent Equity Awards (as defined herein), and determined that it is in the best interests of Parent and the shareholders of Parent (the "Parent Stockholders") to enter into this Agreement and consummate the Contemplated Transactions and effect the Parent Share Issuance and the issuance of the New Parent Equity Awards, and has resolved to recommend that the Parent Stockholders approve the Transaction Resolutions;

WHEREAS, the Parent Board has directed that all resolutions required to give effect to the Contemplated Transactions, the Parent Share Issuance and the issuance of the New Parent Equity Awards for the purposes of any applicable Law (including the ASX Listing Rules) (the "Transaction Resolutions") be put to the Parent Stockholders at an extraordinary general meeting of the Parent Stockholders to be convened by Parent for the purposes of considering such resolutions (the "Parent Extraordinary General Meeting"), including to approve the issuance of the Parent Ordinary Shares (as defined below) and Parent ADRs (as defined herein) (including the Parent Ordinary Shares underlying the Parent ADRs) in the Merger (collectively, the "Parent Share Issuance") and the issuance of the New Parent Equity Awards in accordance with the ASX Listing Rules;

WHEREAS, except as otherwise provided in this Agreement, (i) the Merger is intended to qualify as a "reorganization" as described in Section 368 of the Code, (ii) this Agreement is intended to constitute a "plan of reorganization" within the meaning of the regulations promulgated under Section 368 of the Code and (iii) with respect to the Merger, Parent is intended to be treated as a corporation under Section 367(a) of the Code with respect to each transfer of property thereto in connection with the Merger (other than a transfer by a shareholder that is a U.S. Person and that holds five percent (5%) or more of Parent (within the meaning of Treasury Regulation Section 1.367(a)-3(b)(1)(i)) immediately following the Merger);

WHEREAS, the board of directors of Merger Sub (the “Merger Sub Board”) has duly adopted this Agreement and approved the Merger;

WHEREAS, the sole stockholder of Merger Sub has adopted this Agreement and approved the Merger in accordance with the DGCL;

WHEREAS, as a material inducement to Parent and Merger Sub to enter into this Agreement, concurrently with the execution and delivery of this Agreement, certain stockholders of the Company have executed and delivered separate support agreements with Parent agreeing to certain matters with respect to the Contemplated Transactions, including to vote all Company Shares held by them in favor of the Merger, in substantially the form attached hereto as Exhibit A (the “Company Support Agreements”);

WHEREAS, as a material inducement to the Company to enter into this Agreement, concurrently with the execution and delivery of this Agreement, certain stockholders of Parent have executed and delivered separate support agreements with the Company agreeing to certain matters with respect to the Contemplated Transactions, including to vote all Parent Ordinary Shares held by them in favor of the Transaction Resolutions, in substantially the form attached hereto as Exhibit B (the “Parent Support Agreements”);

WHEREAS, at or promptly following the execution and delivery of this Agreement, Parent is commencing a (a) private placement of approximately seventy eight million three hundred thousand (78,300,000) Parent Ordinary Shares to investors to raise up to one hundred and forty-eight million seven hundred thousand Australian Dollars (AUS \$148,700,000) pursuant to the Underwriting Agreement (as defined herein) that is being executed concurrently with the execution and delivery of this Agreement and (b) share purchase plan relating to the offer and issuance to certain eligible Parent Stockholders ((a) and (b), the “Financing”); and

WHEREAS, certain defined terms used in this Agreement are defined in Section 8.11.

NOW, THEREFORE, in consideration of the premises, representations, warranties and covenants contained herein and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties hereto agree as follows:

ARTICLE 1

THE MERGER

1.01 The Merger. Upon the terms and subject to the conditions of this Agreement and in accordance with the Delaware General Corporation Law (the “DGCL”), at the Effective Time, Merger Sub will be merged with and into the Company. As a result of the Merger, the separate corporate existence of Merger Sub will cease, and the Company will continue as the survivor of the Merger (the “Surviving Corporation”). The Surviving Corporation will continue to exist under the laws of the State of Delaware, with all its rights, privileges, immunities, powers and franchises, unaffected by the Merger except as set forth in this Article 1. Immediately after the Merger, the Surviving Corporation will be a wholly owned subsidiary of Parent.

1.02 Closing. Subject to the terms and conditions of this Agreement, the closing of the Merger (the “Closing”) will take place on a date and at a time to be specified by the parties, which will be no later than the fifth (5th) Business Day after satisfaction or (to the extent permitted by applicable Law) written waiver of the conditions set forth in Article 6 (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or (to the extent permitted by applicable Law) written waiver of such conditions at the Closing) (such date on which the Closing occurs, the “Closing Date”), by electronic transmission of counterpart signatures to the documents contemplated by this Agreement, unless another date, time and/or place is mutually agreed upon in writing by Parent and the Company.

1.03 Effective Time. At the Closing, the parties hereto will cause the Merger to be consummated by filing a certificate of merger (the “Certificate of Merger”) with the Secretary of State of the State of Delaware, in such form as required by, and executed in accordance with, the relevant provisions of the DGCL. The Merger shall become effective on the date and time of the filing of the Certificate of Merger with the Secretary of State of the State of Delaware, or such later time as is specified in the Certificate of Merger and agreed to by Parent and the Company, being hereinafter referred to as the “Effective Time,” and the parties hereto will make all other filings or recordings required under the DGCL in connection with the Merger.

1.04 Effects of the Merger. The Merger will have the effects set forth in this Agreement and in the DGCL.

1.05 Certificate of Incorporation and Bylaws of Surviving Corporation. At the Effective Time, the certificate of incorporation of the Company will, by virtue of the Merger, be amended and restated in its entirety to read in the form of Exhibit C, and, as so amended, will be the certificate of incorporation of the Surviving Corporation until thereafter amended in accordance with its terms and as provided by applicable Law. At the Effective Time, and without any further action on the part of the Company, Parent or Merger Sub, the bylaws of the Company will be amended and restated in their entirety so as to read in the form of Exhibit D, and, as so amended, will be the bylaws of the Surviving Corporation until thereafter amended in accordance with their terms, in accordance with the certificate of incorporation of the Surviving Corporation and as provided by applicable Law.

1.06 Directors and Officers of Surviving Corporation. From and after the Effective Time, each individual listed on Exhibit E will have the initial director and executive officer role at the Surviving Corporation set forth across from such individual’s name on Exhibit E, each to hold office in accordance with the certificate of incorporation and bylaws of the Surviving Corporation until his or her successor has been duly elected, designated or qualified, or until his or her earlier death, resignation or removal in accordance with the certificate of incorporation and bylaws of the Surviving Corporation.

1.07 Treatment of the Company Shares and the Company Equity Awards.

(a) At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any holder of any shares of capital stock thereof:

(i) each Company Share held as of the Effective Time by the Company, Parent or Merger Sub (collectively, but excluding any Company Shares held by any Company Plan, the “Parent Excluded Shares”), will be cancelled and retired and shall cease to exist, and no consideration will be delivered in exchange therefor; and

(ii) each Company Share held as of the Effective Time by any direct or indirect Subsidiary of the Company or any direct or indirect Subsidiary of Parent (collectively, the “Subsidiary Excluded Shares,” and together with the Parent Excluded Shares, the “Excluded Shares”) shall be converted into such number of shares of common stock of the Surviving Corporation such that the ownership percentage of any such Subsidiary in the Surviving Corporation immediately following the Effective Time shall equal the ownership percentage of such Subsidiary in the Company immediately prior to the Effective Time (such shares, “Former Subsidiary Excluded Shares”); and

(iii) subject to Section 1.11, each Company Share outstanding immediately prior to the Effective Time (other than the Excluded Shares) will be converted into the right to receive the following:

(A) in the case of a Company Share to which an election to receive Parent Ordinary Shares (a “Parent Ordinary Share Election”) has been properly made and not properly revoked pursuant to Section 1.08, or with respect to which no election has been properly made (each, a “Parent Ordinary Share Electing Share” and collectively, the “Parent Ordinary Share Electing Shares”), a number of Parent Ordinary Shares equal to the Exchange Ratio (as defined below) (the “Parent Ordinary Share Election Consideration”); or

(B) in the case of a Company Share held by any Person who is not an Australian Stockholder to which an election to receive Parent ADRs (a “Parent ADR Election”) has been properly made and not properly revoked pursuant to Section 1.08 (each, a “Parent ADR Electing Share” and collectively, the “Parent ADR Electing Shares”), a number of American depositary receipts (“Parent ADRs”) representing a number of ordinary shares in the capital of Parent (“Parent Ordinary Shares”) equal to the Exchange Ratio (the “Parent ADR Election Consideration” and together with the Parent Ordinary Share Election Consideration, the “Merger Consideration”).

(b) At the Effective Time and subject to Section 1.11:

(i) Company RSUs.

(1) Each Company RSU that is unvested and outstanding immediately prior to the Effective Time shall be converted into a performance right (each, an “Adjusted RSU”) with the same terms and conditions (subject to any changes required by Australian Law, including the ASX Listing Rules) as were applicable to such Company RSU immediately prior to the Effective Time (including service-based vesting and double-trigger vesting and all other provisions set forth under the applicable award agreements and Company Stock Plans) and relating to the number of Parent Ordinary

Shares equal to the product of (A) the number of Company Shares subject to such Company RSU immediately prior to the Effective Time, multiplied by (B) the Exchange Ratio, with any fractional shares rounded to the nearest whole share, except that Parent may settle each Adjusted RSU in its discretion through an issuance of new Parent Ordinary Shares, a transfer of existing Parent Ordinary Shares from any Parent employee share trust (or similar arrangement) and/or by allocating in the name of the relevant Person Parent Ordinary Shares held by any Parent employee share trust (or similar arrangement). Any accrued but unpaid dividend equivalents in connection with any Company RSU will be assumed and become an obligation in connection with the applicable Adjusted RSU. Notwithstanding anything to the contrary set forth in this Agreement, the maximum number of Adjusted RSUs shall not exceed 6,184,811 (settleable into a maximum of 6,184,811 Parent Ordinary Shares).

(2) Each Company RSU, to the extent vested and outstanding as of immediately prior to the Effective Time, shall, without any action on the part of Parent, the Company or of the holder thereof, be cancelled, with the holder of such Company RSU becoming entitled to receive, in full satisfaction of the rights of such holder with respect thereto, the Merger Consideration in the form of Parent ADR Election Consideration or Parent Ordinary Share Election Consideration (as determined at the discretion of the Company so long as the Company provides prior written notice of such determination to Parent) in respect of each Company Share subject to the Company RSU immediately prior to the Effective Time; provided that any holder of such vested Company RSU that is an Australian Stockholder shall only be entitled to receive the Merger Consideration in the form of Parent Ordinary Share Election Consideration.

(ii) Company Options.

(1) Each Company Option that is unvested and outstanding immediately prior to the Effective Time shall be converted into an option to purchase Parent Ordinary Shares (each, an “Adjusted Option”) with the same terms and conditions (subject to any changes required by Australian Law, including the ASX Listing Rules) as were applicable to such Company Option immediately prior to the Effective Time (including service-based vesting and double-trigger vesting and all other provisions set forth under the applicable award agreements and Company Stock Plans; provided, however, that each Company Option that is subject to a Company total shareholder return performance-based vesting condition (“Company TSR”), shall, immediately prior to the Effective Time, become earned, if at all, by using the Closing Date as the end of the applicable performance period for purposes of measuring Company TSR, with the resulting Adjusted Option, if any, subject to service-based vesting through the end of the original performance period and continuing on the same terms and conditions as were in effect immediately prior to the Effective Time), and relating to the number of Parent Ordinary Shares equal to the product of (A) the number of Company Shares subject to such Company Option immediately prior to the Effective Time multiplied by (B) the Exchange Ratio, with any fractional shares rounded down to the nearest whole share, except that Parent may settle each Company Option in its discretion through an issue of new Parent Ordinary Shares, a transfer of existing Parent Ordinary Shares from any Parent employee share trust (or similar arrangement) and/or by allocating in the name of

the relevant Person Parent Ordinary Shares held by any Parent employee share trust (or similar arrangement). The exercise price per Parent Ordinary Share subject to any such Adjusted Option will be an amount equal to the quotient of (1) the exercise price per Company Share subject to such Company Option immediately prior to the Effective Time divided by the Exchange Rate as of the date hereof and (2) the Exchange Ratio, with any fractional cents rounded up to the nearest whole cent. The exercise price per Parent Ordinary Share subject to any such Adjusted Option and the number of Parent Ordinary Shares subject to any such Adjusted Option will be determined in a manner consistent with the requirements of Section 409A of the Code, and, in the case of Company Options that are intended to qualify as incentive stock options within the meaning of Section 422 of the Code, consistent with the requirements of Section 424 of the Code. Notwithstanding anything to the contrary set forth in this Agreement, the maximum number of Adjusted Options shall not exceed 9,098,430 (exercisable into a maximum of 9,098,430 Parent Ordinary Shares).

(2) Each Company Option, to the extent vested and outstanding as of immediately prior to the Effective Time, shall, without any action on the part of Parent, the Company or of the holder thereof, be cancelled, with the holder of such Company Option becoming entitled to receive, in full satisfaction of the rights of such holder with respect thereto, the Merger Consideration in the form of Parent ADR Election Consideration or Parent Ordinary Share Election Consideration (as determined at the discretion of the Company so long as the Company provides prior written notice of such determination to Parent) in respect of a number of Company Shares equal to the quotient of (A) the product of (x) the amount by which the Implied Per Share Value exceeds the exercise price per share of such Company Option multiplied by (y) the total number of Company Shares subject to such Company Option, divided by (B) the Implied Per Share Value; provided that any holder of such vested Company Option that is an Australian Stockholder shall only be entitled to receive the Merger Consideration in the form of Parent Ordinary Share Election Consideration.

(iii) Company Actions. Prior to the Effective Time, the Company Board or a committee thereof with necessary authority shall adopt such resolutions as may be reasonably necessary to provide for or give effect to the transactions contemplated by this Section 1.07(b). Prior to any such adoption, the Company shall provide Parent with drafts of, and a reasonable opportunity to comment upon, all such resolutions, and shall consider any such comments in good faith. If requested by Parent no later than ten (10) days prior to the anticipated Closing Date, the Company Board or a committee thereof with necessary authority shall adopt such resolutions as may be reasonably necessary to terminate the Company Stock Plans effective as of immediately prior to, but subject to the occurrence of, the Effective Time.

(c) No fractional Parent Ordinary Shares or fractional Parent ADRs will be issued in connection with the Merger, no dividends or distributions of Parent will relate to such fractional share interests, no certificates for any such fractional shares will be issued, and such fractional share interests will not entitle the Person who would otherwise be the owner thereof to vote or to any rights as a Parent Stockholder. Any Company Stockholders who would otherwise be entitled to receive a fraction of a Parent Ordinary Share (including a restricted Parent

Ordinary Share) or a fraction of a Parent ADR as a result of the Merger (after taking into account all Company Shares held immediately prior to the Effective Time by such holder) will, in lieu of such fraction of a Parent Ordinary Share and upon surrender of such Company Share Certificate or Book-Entry Shares, be paid in cash in an amount equal to the product of (i) such fractional part of a Parent Ordinary Share or a Parent ADR multiplied by (ii) the Implied Per Share Value. The parties acknowledge that payment of the cash consideration in lieu of issuing fractional Parent Ordinary Shares or fractional Parent ADRs was not separately bargained-for consideration but merely represents a mechanical rounding off for purposes of avoiding the expense and inconvenience to Parent that would otherwise be caused by the issuance of fractional Parent Ordinary Shares or fractional Parent ADRs.

(d) All calculations performed pursuant to the terms of this Agreement will be calculated to two decimal places (0.01), where applicable.

(e) At the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Sub, the Company or any holder of shares or capital stock thereof, each share of common stock of Merger Sub outstanding immediately prior to the Effective Time will be converted into and become one validly issued, fully paid and non-assessable share of common stock, \$0.01 par value per share, of the Surviving Corporation and will constitute the only outstanding shares of common stock of the Surviving Corporation other than Former Subsidiary Excluded Shares, if any.

1.08 Election.

(a) Each holder of Company Shares who is not an Australian Stockholder (other than in respect of any Excluded Shares) shall have the right, subject to the limitations set forth in this Article 1, to submit an Election in accordance with this Section 1.08 on or prior to the Election Deadline. The Company shall not waive the Election Deadline unless such Election Deadline is waived with respect to all holders of Company Shares, the new election deadline is publicly disclosed by the Company to all holders of Company Shares on a date agreed to by Parent, and Parent has given its prior written consent to such waiver (such agreement or consent not to be unreasonably withheld, conditioned or delayed). “Election Deadline” means 5:00 p.m., New York time, on the Business Day immediately following the date on which the Company Stockholders’ Meeting is held or such other time or date as may be required by ASIC in connection with Section 6.01(f) or the Company and Parent shall mutually agree in writing. The Company and Parent shall cooperate to issue a press release in accordance with Section 5.12 that is reasonably satisfactory to each of them announcing the date of the Election Deadline at least five (5) Business Days prior to the Election Deadline.

(b) Each holder of Company Shares who is not an Australian Stockholder may specify in a request made in accordance with the provisions of this Section 1.08 (an “Election”) (i) the number of Company Shares with respect to which such holder desires to make a Parent Ordinary Share Election and (ii) the number of Company Shares with respect to which such holder desires to make a Parent ADR Election.

(c) Parent shall prepare a form of election that is reasonably acceptable to the Company (the “Form of Election”), and Company shall mail, or shall cause the Exchange Agent

to mail and deliver, together with the Proxy Statement, the Form of Election to each holder of Company Shares who is not an Australian Stockholder as of the record date for notice of the Company Stockholders' Meeting not less than twenty (20) Business Days prior to the anticipated Election Deadline (the period between such mailing and the Election Deadline, the "Election Period"). The Company shall make available one or more Forms of Election as may reasonably be requested from time to time by all Persons who are not Australian Stockholders and who become holders of Company Shares during the period following the record date for the Company Stockholders' Meeting and prior to the Election Deadline.

(d) Any Election shall have been made properly only if the Exchange Agent shall have received, by the Election Deadline, a Form of Election properly completed and signed. Any Company Share with respect to which the holder of Company Shares does not make a valid Election by the Election Deadline shall be deemed to be a Parent Ordinary Share Electing Share.

(e) Any holders of Company Shares who are not Australian Stockholders may, at any time during the Election Period, revoke his, her or its Election by written notice to the Exchange Agent prior to the Election Deadline, together with a properly completed and signed revised Form of Election. Any subsequent transfers of any Company Shares after the holder of such Company Shares has made an Election shall automatically revoke such Election as to such Company Shares (and such subsequent transferee may make a new Election pursuant to and if permitted by the terms of this Section 1.08). Notwithstanding anything to the contrary in this Agreement, all Elections shall be automatically deemed revoked upon receipt by the Exchange Agent of written notification from the Company and Parent that this Agreement has been terminated in accordance with Article 7. The Exchange Agent and Parent shall have reasonable discretion to determine if any Election is not properly made, changed or revoked with respect to any Company Shares (none of the Company, Parent, Merger Sub or the Exchange Agent being under any duty to notify any holder of Company Shares of any applicable defect). In the event the Exchange Agent or Parent makes a good faith determination that an Election (i) was not properly made (including as a result of the Exchange Agent not receiving an Election by the Election Deadline) or (ii) has been otherwise revoked, such Election shall be deemed to be ineffective, and the Company Shares covered by such Election shall, for purposes hereof, be deemed to be Parent Ordinary Share Electing Shares.

1.09 Closing of the Company Transfer Books. At the Effective Time, (a) (i) each certificate formerly representing any Company Share (other than an Excluded Share) (each a "Certificate") and (ii) each uncertificated Company Share ("Book-Entry Share") (other than an Excluded Share) will cease to be outstanding and in either case, will represent only the right to receive the Merger Consideration (and cash in lieu of any fractional Parent Ordinary Shares or Parent ADRs) as contemplated by Section 1.07 and any dividends or other distributions to which the holder thereof is entitled pursuant to Section 1.10(d), and all holders of Company Share Certificates or Book-Entry Shares will cease to have any rights as Company Stockholders, and (b) the stock transfer books of the Company will be closed with respect to all Company Shares outstanding immediately prior to the Effective Time. No further transfer of any such Company Shares will be made on such stock transfer books after the Effective Time. If, after the Effective Time, a valid Certificate previously representing any Company Shares is presented to the Exchange Agent, to the Surviving Corporation or to Parent, such Certificate will be cancelled and will be exchanged as provided in this Article 1.

1.10 Exchange Fund; Exchange of Certificates.

(a) At or prior to the Effective Time, Parent will designate Computershare Trust Company, N.A. or such other bank or trust company or other entity selected by Parent and reasonably acceptable to the Company to act as exchange agent in the Merger (the “Exchange Agent”) for the payment and delivery of the Merger Consideration pursuant to an exchange agent agreement reasonably acceptable to the Company. At or prior to the Effective Time, Parent shall cause to be deposited (i) with the Depositary Bank, or a nominee of the Depositary Bank, a number of Parent Ordinary Shares equal to the maximum number of Parent ADRs that become issuable pursuant to Section 1.07(a)(iii) for delivery to the Merger Consideration recipients entitled thereto, and (ii) with, or as otherwise directed by, the Exchange Agent (A) for exchange in accordance with this Article 1, on behalf of itself, the maximum number of Parent Ordinary Shares issuable in book entry form that become issuable pursuant to Section 1.07(a)(iii) for delivery to the Merger Consideration recipients entitled thereto, (B) for exchange in accordance with this Article 1, on behalf of itself, receipts (or uncertificated book-entries) representing the maximum number of Parent ADRs that become issuable pursuant to Section 1.07(a)(iii) for delivery to the holders of Company Shares entitled thereto pursuant to Section 1.07 and (C) cash in immediately available funds in an amount sufficient to pay cash in lieu of any fractional Parent Ordinary Shares or Parent ADRs in accordance with Section 1.07(c) (such evidence of book entry form of Parent Ordinary Shares and Parent ADRs and cash amounts being the “Exchange Fund”), in each case, for the sole benefit of the Company Stockholders. In the event the Exchange Fund shall be insufficient (other than as a result of payment of the Merger Consideration in accordance with this Agreement), Parent shall promptly deposit, or cause to be deposited, additional Parent Ordinary Shares or additional Parent ADRs, as applicable, with the Exchange Agent in an amount that is equal to the shortfall that is required to make such payment. Parent shall cause the Exchange Agent to make, and the Exchange Agent shall make, delivery of the Merger Consideration out of the Exchange Fund in accordance with this Agreement. The Exchange Fund shall not be used for any purpose that is not expressly provided for in this Agreement. As used herein, “Depositary Bank” means a bank of national reputation in the United States, in its capacity as depositary for the Parent ADRs, reasonably acceptable to the parties hereto.

(b) Any holder of any Book-Entry Shares whose shares of Company Shares were converted pursuant to Section 1.07(a) into the right to receive the Merger Consideration shall not be required to deliver a Certificate to the Exchange Agent to receive the Merger Consideration in respect of such Book-Entry Share.

(c) Parent shall, no later than the third (3rd) Business Day after the Closing Date, cause the Exchange Agent to mail to each holder of record of Book-Entry Shares and Certificates whose Company Shares were converted into the right to receive the Merger Consideration pursuant to Section 1.07(a)(iii) (other than holders of Excluded Shares) (i) a letter of transmittal in customary form and containing such provisions as Parent and the Company may reasonably specify (including to the extent applicable, that the Company Stockholder agrees to become a Parent Stockholder, and with respect to holders of Certificates, a provision confirming that delivery of Certificates will be effected, and risk of loss and title to Company Shares will pass, only upon delivery of such Certificates to the Exchange Agent) and (ii) instructions for use in effecting the surrender of Book-Entry Shares and Certificates (or, with respect to Certificates,

For personal use only

a duly executed affidavit of loss in lieu thereof and, if requested by Parent or the Exchange Agent, the posting of a bond in a reasonable and customary amount as indemnity) in exchange for the Merger Consideration, as provided in Section 1.07(a). Upon surrender of a Book-Entry Share or Certificate (or duly executed affidavit of loss in lieu thereof and, if requested by Parent or the Exchange Agent, the posting of a bond in a reasonable and customary amount as indemnity) to the Exchange Agent for exchange, together with a properly completed and duly executed letter of transmittal and such other documents as may be reasonably required by the Exchange Agent or Parent, the holder of such Certificate will be entitled to receive in exchange thereof the number of whole Parent Ordinary Shares or Parent ADRs which the aggregate number of Company Shares previously represented by such Book-Entry Share or Certificate shall have been converted pursuant to Section 1.07(a)(iii) into the right to receive the Merger Consideration, and the Book-Entry Share or Certificate so surrendered shall forthwith be cancelled. Until surrendered as contemplated by this Section 1.10(c), each Book-Entry Share and Certificate will be deemed, from and after the Effective Time, to represent only the right to receive the Merger Consideration (and cash in lieu of any fractional Parent Ordinary Shares or Parent ADRs pursuant to Section 1.07(c) as contemplated by this Article 1, and any distribution or dividend with respect to Parent Ordinary Shares or Parent ADRs, the record date for which is after the Effective Time). In the event of a transfer of ownership of Company Shares that is not registered in the transfer records of the Company, payment may be made and Parent Ordinary Shares or Parent ADRs may be issued to a Person other than the Person in whose name such Certificate so surrendered is registered if such Certificate is properly endorsed or otherwise is in proper form for transfer, and the Person requesting such issuances pays any transfer or other Taxes required by reason of the issuance of the Parent Ordinary Shares or Parent ADRs to a Person other than the registered holder of such Company Shares or establishes to the satisfaction of Parent that such Taxes have been paid or are not applicable.

(d) All Parent Ordinary Shares and Parent ADRs to be issued and delivered to the Exchange Agent pursuant to this Section 1.10 will be deemed issued and outstanding as of the Effective Time, and if a dividend or other distribution is declared by Parent in respect of Parent Ordinary Shares and Parent ADRs (as applicable), the record date for which is at or after the Effective Time, that declaration will include dividends or other distributions in respect of all Parent Ordinary Shares and Parent ADRs issuable pursuant to this Agreement. No dividends or other distributions declared or made with respect to the Parent Ordinary Shares or Parent ADRs with a record date on or after the Effective Time will be paid to the holder of an unsurrendered Certificate or Book-Entry Share with respect to the Parent Ordinary Shares or Parent ADRs that such holder has the right to receive pursuant to the Merger until such holder surrenders such Certificate or Book-Entry Share and a duly completed and executed letter of transmittal in accordance with this Section 1.10. All such dividends and other distributions will be paid by Parent to the Exchange Agent and will be included in the Exchange Fund, in each case until the surrender of such Certificate or Book-Entry Share in accordance with this Section 1.10. Subject to the effect of applicable Laws, following surrender of any such Certificate or Book-Entry Share, there will be paid to the record holder thereof, without interest, (i) at the time of such surrender, the dividends or other distributions with a record date on or after the Effective Time theretofore payable with respect to such Parent Ordinary Shares and Parent ADRs not paid, less any applicable Taxes and (ii) at the appropriate payment date, the dividends or other distributions payable with respect to such Parent Ordinary Shares and Parent ADRs with a record date on or

after the Effective Time but with a payment date subsequent to surrender, less any applicable Taxes.

(e) On the date that is twelve (12) months following the Closing Date, Parent may, in its sole discretion, in respect of any Parent Ordinary Shares or Parent ADRs represented in book-entry form that remain unclaimed by any former Company Stockholders as of such time, direct the Exchange Agent to deal with or act on such Parent Ordinary Shares and Parent ADRs in any manner. Any former Company Stockholders who have not theretofore exchanged their Company Shares in accordance with Section 1.07, will thereafter look only to Parent for satisfaction of their claims for Merger Consideration, cash in lieu of fractional Parent Ordinary Shares or Parent ADRs and any dividends or distributions with respect to Parent Ordinary Shares or Parent ADRs, in each case, without any interest thereon, and subject to applicable abandoned property law, escheat law or similar Law.

(f) None of Parent, Merger Sub, the Surviving Corporation, the Exchange Agent, the Depositary Bank or any of their respective Affiliates will be liable to any current or former Company Stockholder or to any other Person with respect to any Parent Ordinary Shares or Parent ADRs (or dividends or distributions with respect thereto) properly delivered to any public official in compliance with any applicable abandoned property law, escheat law or similar Law. Without limiting the rights of Parent under Section 1.10(e), if any Certificate or Book-Entry Shares will not have been surrendered prior to five (5) years after the Closing Date (or immediately prior to such earlier date on which any Parent Ordinary Shares or Parent ADRs or any dividends or other distributions payable to the holder of such Certificate or Book-Entry Share would otherwise escheat to or become the property of any Governmental Body), any Parent Ordinary Shares or Parent ADRs issuable upon the surrender of, or any dividends or other distributions in respect of, such Certificate or Book-Entry Share will, to the extent permitted by applicable Law, become the property of Parent, free and clear of all claims or interest of any Person previously entitled thereto.

1.11 Withholding. Notwithstanding anything in this Agreement to the contrary, each of the Company, Parent, the Surviving Corporation, the Exchange Agent and any other applicable withholding agent (as applicable) will be entitled to deduct or withhold such amounts from the amounts payable (including Parent Ordinary Shares or Parent ADRs deliverable) under this Agreement and any other agreement or arrangements entered into in connection therewith such amounts as it required to deduct and withhold in respect of such amounts in accordance with the Internal Revenue Code of 1986, as amended (the “Code”), the Treasury Regulations promulgated thereunder, and any other applicable Law. Any such withheld or deducted amount will be timely paid over to the appropriate Governmental Body and, to the extent so paid, treated as though such amount had been paid to the Person in respect of whom such withholding was required. Any compensatory payments contemplated to be made hereunder will be made through the payroll procedures of the applicable Person.

1.12 Adjustments to Prevent Dilution. Without limiting the other provisions of this Agreement, in the event that the Company changes the number of Company Shares issued and outstanding prior to the Effective Time or Parent changes the number of Parent Ordinary Shares issued and outstanding prior to the Effective Time, in either case, as a result of a reclassification, stock split (including a reverse stock split), stock dividend or stock distribution, subdivision,

issuer tender or exchange offer, or other similar change in capitalization, the consideration paid in accordance with this Agreement, including the amount of Parent Ordinary Shares and Parent ADRs to be issued in respect of each Company Share, will be equitably adjusted to reflect such change.

1.13 Further Action. If, at any time after the Effective Time, any further action is determined by Parent or the Company to be necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Corporation with full right to, title to, and possession of, the property of Merger Sub and the Company, the officers and directors of Parent will be further authorized to take such action. Parent and the Surviving Corporation also will take such further actions as may be necessary or desirable to ensure that the Exchange Agent sends out the letters of transmittal to the Company Stockholders and issues certificates or evidence of shares in book-entry form representing Parent Ordinary Shares to such stockholders in accordance with Section 1.09.

1.14 Post-Merger Operations. Parent will take all necessary corporate action to cause, as of the Effective Time, an increase in the size of the Parent Board to nine (9) directors, comprised of (a) five (5) directors designated by the Parent Board, (b) three (3) directors designated by the Company Board and (c) one (1) director to be designated upon mutual agreement of the Parent Board and Company Board (such mutual agreement not to be unreasonably withheld, conditioned or delayed), in each case subject to each individual's ability and willingness to serve. Immediately following the Effective Time, (i) the chair of the Parent Board will be a director selected by Parent prior to the Effective Time, (ii) the individuals indicated on Section 1.14(ii) of the Parent Disclosure Letter will be the directors of the Parent Board designated by the Company Board and (iii) the Parent Board committees will be constituted as indicated on Section 1.14(iii) of the Parent Disclosure Letter. In the event that prior to the Effective Time any designee becomes unable or unwilling to serve in the role identified, a replacement for such designee will be determined in accordance with the principles set forth herein.

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as otherwise disclosed in (a) any report, form, statement or other document filed with, or furnished to, (x) the SEC by the Company and publicly available prior to the date of this Agreement or (y) the ASX by the Company so long as, in the case of this clause (y), such report, form, statement or other document is publicly available at any time during the twelve (12) month period ending on the last date prior to the date of this Agreement (excluding any disclosures in "risk factors" or otherwise relating to "forward-looking statements" to the extent that they are cautionary, predictive or forward-looking in nature), or (b) the applicable section or subsection of the confidential disclosure letter delivered by the Company to Parent (which shall be deemed to be a disclosure with respect to such other applicable sections of this Agreement or sections of such disclosure letter if it is reasonably apparent on the face of such disclosure) prior to the execution and delivery of this Agreement (the "Company Disclosure Letter"), the Company hereby represents and warrants to Parent, as follows:

2.01 Organization and Corporate Power. The Company is a public benefit corporation duly organized, validly existing and in good standing under the Laws of the State of Delaware, with full corporate power and authority to enter into this Agreement and the other Transaction Agreements (as defined below) to which it is or will be a party and perform its obligations hereunder and thereunder. Each of the Subsidiaries of the Company is a corporation or other entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization. Each of the Company and its Subsidiaries has all requisite corporate or similar power and authority and all authorizations, licenses and Permits necessary to own, lease and operate its properties and assets and to carry on its business as it is now being conducted, except where the failure to hold such authorizations, licenses and Permits would not reasonably be expected to have a Company Material Adverse Effect. Each of the Company and its Subsidiaries is duly qualified or authorized to do business and is in good standing in every jurisdiction (to the extent such concept exists in such jurisdiction) in which its ownership of property or the conduct of business as now conducted requires it to qualify, except where the failure to be so qualified, authorized or in good standing would not reasonably be expected to have a Company Material Adverse Effect. True, correct and complete copies of the certificate of incorporation and bylaws of the Company (the “Company Organizational Documents”), and the organizational documents of each Subsidiary of the Company, each as in effect as of the date of this Agreement and the Closing Date, have been heretofore made available to Parent. The Company Organizational Documents and the organizational documents of each Subsidiary of the Company are in full force and effect, and the Company is not in violation of the Company Organizational Documents. The Company has not taken any actions that conflict with or violate its Company Organizational Documents or Sections 361 – 368 of the DGCL.

2.02 Authorization; Valid and Binding Agreement. The Company has all requisite corporate power and authority to execute and deliver this Agreement and each other Transaction Agreement to which it is or will be a party, to perform its obligations hereunder and thereunder and to consummate the Contemplated Transactions and the transactions contemplated thereby, subject to the receipt of the affirmative vote of a majority of the issued and outstanding Company Shares in favor of the adoption of this Agreement and approval of the Merger and the other Contemplated Transactions, including the cancellation of the Company Equity Awards (unless the ASX grants a waiver from the need to obtain shareholder approval for the cancellation of the Company Equity Awards), which shall include approval of the Merger and the other Contemplated Transactions, including the cancellation of the Company Equity Awards (unless the ASX grants a waiver from the need to obtain shareholder approval for the cancellation of the Company Equity Awards), and any other vote of Company Stockholders required by any applicable Law, including the ASX Listing Rules, for the approval of the Merger, the other Contemplated Transactions, including the cancellation of the Company Equity Awards (unless the ASX grants a waiver from the need to obtain shareholder approval for the cancellation of the Company Equity Awards), in each case for the purposes of any applicable Law, including the ASX Listing Rules, to the extent required by applicable Law (the “Company Stockholder Approval”). The Company Board has unanimously (a) approved this Agreement and the other Transaction Agreements to which the Company is or will be a party and the consummation of the Contemplated Transactions and the transactions contemplated thereby, and (b) determined that this Agreement, the other Transaction Agreements to which the Company is or will be a party and the consummation of the Contemplated Transactions and the transactions contemplated thereby are fair and in the best interests of the Company, the Company Stockholders and those

materially affected by the Company's conduct, and promote the Public Benefit, and resolved to recommend that the Company Stockholders adopt this Agreement and approve the Merger (the "Company Recommendation"). The Company Board has directed that the Company submit the adoption of this Agreement to a vote at the Company Stockholders' Meeting. As of the date of this Agreement, such actions are valid and have not been amended or withdrawn. Except for the Company Stockholder Approval, no other corporate action pursuant to any applicable Law, on the part of the Company, is necessary to authorize this Agreement, the other Transaction Agreements to which the Company is or will be a party or to perform its obligations hereunder or thereunder or to consummate the Contemplated Transactions or the transactions contemplated thereby. The Company has duly executed and delivered this Agreement and the other Transaction Agreements to which it is a party (and, upon the execution and delivery of any other Transaction Agreement to be executed and delivered by the Company, such other Transaction Agreements will have been duly executed and delivered by the Company) and, assuming the due authorization, execution and delivery by Parent and Merger Sub of this Agreement and the other Transaction Agreements to which Parent or Merger Sub is or will be a party and the execution and delivery by each other party (other than the Company) to any other Transaction Agreement, this Agreement and the other Transaction Agreements to which the Company is a party constitutes (and the other Transaction Agreements to be executed and delivered by the Company will, upon the execution and delivery thereof by the Company, constitute) a legal, valid and binding obligation of the Company, enforceable against it in accordance with their respective terms except as enforcement may be limited by any applicable bankruptcy, insolvency (including all laws relating to fraudulent transfers), reorganization, moratorium or similar laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity) (the "Bankruptcy and Equity Exceptions").

(c) Except as set forth in Section 2.10(c) of the Company Disclosure Letter, (i) since January 1, 2019, the Company and each of its Subsidiaries have timely filed all material regulatory reports, schedules, statements, documents, filings, submissions, forms, registrations and other documents, together with any amendments required to be made with respect thereto, that each was required to file with any Governmental Body, including state health and regulatory authorities and any applicable federal regulatory authorities, and have timely paid all fees and assessments due and payable in connection therewith; and (ii) all such documents were true and correct in all material respects as of the date of submission, and any updates, changes, corrections or modifications to such documents required under applicable Laws have been submitted to the Governmental Body.

(g) This Section 2.10 does not apply to Taxes, which are addressed in Section 2.12, or to Intellectual Property, which is addressed in Section 2.14.

2.11 Title to Tangible Properties.

(a) The Company and its Subsidiaries have good and valid title to, or hold pursuant to good, valid and enforceable leases or other comparable contract rights, all of the tangible personal property and other tangible assets necessary for the conduct of the business of the Company and its Subsidiaries, taken as a whole, as currently conducted, in each case free and clear of any Liens (other than Permitted Liens), except where the failure to do so would not reasonably be expected to have a Company Material Adverse Effect.

(b) Section 2.11 of the Company Disclosure Letter sets forth a true, correct and complete list of (i) all real property leased, subleased or licensed to or by the Company or any of its Subsidiaries (the “Company Real Property”) and (ii) all leases, subleases or licenses and all amendments, modifications, guarantees and letters of credit relating thereto (the “Real Property Leases”). The Company Real Property constitutes all of the real property used, occupied or leased by the Company or its Subsidiaries. Except as would not reasonably be expected to have a Company Material Adverse Effect, each of the Real Property Leases is valid, binding and enforceable on the Company or one of its Subsidiaries that is a party to such Real Property Lease and, to the Company’s Knowledge, the other parties thereto, subject to any Bankruptcy and Equity Exception, and is in full force and effect, and the Company or one of its Subsidiaries has performed all material obligations required to be performed by it under each such Real Property Lease and, to the Knowledge of the Company, the other party thereto has performed all obligations required to be performed by it under each such Real Property Lease. Neither the Company nor any of its Subsidiaries nor, to the Company’s Knowledge, any other party to the applicable Real Property Leases is in default in any material respect under any of such Real Property Leases, nor has the Company or any of

its Subsidiaries given or received written notice of termination, cancellation, breach, or default under any such Real Property Lease. No event has occurred which, if not remedied, would result in a default by the Company or any of its Subsidiaries in any material respect under the Real Property Leases, and, to the Company's Knowledge, no event has occurred which, if not remedied, would result in a default by any party other than the Company or its Subsidiaries in any material respect under the Real Property Leases. There are no outstanding options, rights of first offer or rights of first refusal in favor of any other party to purchase, lease, or otherwise occupy the Company Real Property or any portion thereof or interest therein.

5.07 Company Non-Solicitation.

(a) The Company shall not, and shall cause its Subsidiaries not to, and shall instruct and direct its and their respective Representatives not to, directly or indirectly, (i) initiate, seek or solicit, or knowingly encourage or facilitate or take any other action that is reasonably expected to promote, directly or indirectly, any inquiries or the making or submission of any proposal that constitutes, or would reasonably be expected to lead to, any Acquisition Proposal or IPO (as defined below); (ii) engage or participate in discussions or negotiations with respect to, or would reasonably be expected to lead to, any Acquisition Proposal or IPO; (iii) provide any confidential, proprietary or nonpublic information or data of the Company or any of its Subsidiaries to any Person (other than Parent, its Affiliates and its and its Affiliates’ respective Representatives, in their capacity as such) in respect of any Acquisition Proposal or IPO (including to facilitate any Acquisition Proposal or IPO); or (iv) enter into any agreement, arrangement, undertaking, instrument or understanding (including any letter of intent, memorandum of understanding, agreement in principle, merger agreement, share purchase agreement, exchange agreement, acquisition agreement or other similar agreement) with respect to any Acquisition Proposal or IPO. For purposes of this Section 5.07, an “Acquisition Proposal” means an Acquisition Proposal with respect to the Company and its Subsidiaries.

(b) The Company shall, and shall cause its Subsidiaries to, and shall instruct its and their respective Representatives to, (i) promptly (and, in any event, not later than two (2) days following the date hereof) request and use commercially reasonable efforts to pursue the return or destruction of any confidential, proprietary or nonpublic information or data of the Company or its Subsidiaries disclosed by or on behalf of the Company to any Person (other than Parent and its Affiliates and its and its Affiliates’ respective Representatives), (ii) enforce any confidentiality, standstill (except as necessary to exercise the Company’s or its Subsidiaries’ fiduciary duties) or similar rights or agreement in favor of the Company or its Subsidiaries, and (iii) immediately cease, and cause to be terminated, any solicitation, encouragement, discussions, negotiations or activities with any Person (other than (x) Parent and its Affiliates and its and its Affiliates’ respective Representatives and (y) activities solely in respect of compliance with the foregoing subclause (i)), in each case, with respect to any Acquisition Proposal or which would reasonably be expected to lead to any Acquisition Proposal, and, in connection therewith, the Company shall discontinue access by any such Person (other than Parent and its Affiliates and its

and its Affiliates' respective Representatives) to any data room (virtual or otherwise) established by the Company, its Affiliates or its or their respective Representatives in respect of any Acquisition Proposal.

(c) Subject to the other provisions of this Section 5.07, the Company, its Affiliates and its and their respective Representatives may in any event inform any Person that has made any Acquisition Proposal, or inquiry or proposal that would reasonably be expected to lead to an Acquisition Proposal, of the provisions of this Section 5.07.

(d) Notwithstanding anything to the contrary in this Agreement, prior to obtaining the Company Stockholder Approval, the Company and the Company Board (or a duly authorized and empowered committee thereof) may take any actions described in Section 5.07(a)(ii) and Section 5.07(a)(iii) with respect to a third party if (i) the Company receives a *bona fide* written Acquisition Proposal from such third party that did not result or arise from a breach of Section 5.07(a), and (ii) the Company Board (or a duly authorized and empowered special committee thereof) concludes in good faith (after receiving the advice of its outside counsel, and with respect to financial matters, its financial advisor) that (x) such Acquisition Proposal constitutes, or is reasonably expected to lead to, a Superior Proposal and (y) the failure to take such actions would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law; provided, that, the Company may deliver confidential, non-public and/or proprietary information to such third party only (A) pursuant to a confidentiality agreement no less stringent to such Person (and protective to the Company) than the terms of the Confidentiality Agreement (which such confidentiality agreement shall permit the Company to comply with Section 5.07(g) and shall not provide such third party with any exclusive right to negotiate with the Company or any of its Subsidiaries) and (B) if such information has been or is concurrently delivered to Parent. Nothing contained in this Section 5.07 will prohibit the Company or the Company Board (or a duly authorized and empowered special committee thereof) from (I) taking and disclosing to the Company Stockholders a position with respect to any Acquisition Proposal pursuant to Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act or (II) making any similar disclosure to the Company Stockholders that is required by Law or that the Company Board (or a duly authorized and empowered special committee thereof) determines in good faith that the failure to do so would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law; provided that, in each case, if such disclosure would constitute a Company Adverse Recommendation Change, the provisions in this Agreement applicable to a Company Adverse Recommendation Change shall apply; it being understood that a "stop, look and listen" or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act shall not be deemed to be a Company Adverse Recommendation Change.

(e) Neither the Company Board nor any committee thereof may directly or indirectly (i) withhold, withdraw (or amend, qualify or modify in a manner adverse to Parent), or publicly propose to withdraw (or amend, qualify or modify in a manner adverse to Parent), the approval, recommendation or declaration of advisability by the Company Board or any such committee of the Contemplated Transactions or (ii) propose publicly to recommend, adopt or approve any Acquisition Proposal with respect to the Company (any action described in this sentence being referred to as a "Company Adverse Recommendation Change"). Notwithstanding the foregoing, at any time prior to obtaining the Company Stockholder Approval, and subject to

the Company's compliance with the provisions of this Section 5.07 and Section 5.03, solely in response to a Superior Proposal and after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor, if the Company Board (or a duly authorized and empowered committee thereof) determines in good faith that it would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law to continue to recommend this Agreement to the Company Stockholders, then the Company may make such Company Adverse Recommendation Change; provided, however, the Company may not make a Company Adverse Recommendation Change in response to a Superior Proposal, unless (A) such action is taken in response to a Superior Proposal that is not withdrawn as of the time of taking such action; (B) the Company gives Parent at least five (5) Business Days' prior written notice (x) of its intention to take such action and (y) setting forth a reasonable description of the material events, facts, developments and circumstances giving rise to its determination to take such action (including its basis for determining that such Superior Proposal constitutes a Superior Proposal (including the latest material terms and conditions of, and the identity of the third party making, the Superior Proposal, and any amendment, supplement or modification thereof)); (C) during such five (5) Business Day period, the Company and the Company Board (including any duly authorized and empowered special committee thereof) has considered and negotiated (and has caused its Representatives to consider and negotiate) with Parent in good faith (to the extent Parent desires to so negotiate) regarding any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement) proposed by Parent (it being understood that Parent shall not have any obligation to propose any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement)); and (D) if during such five (5) Business Day period, Parent proposes any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement), the Company Board (or a duly authorized and empowered special committee thereof) (1) takes into account such alternative transaction (including such adjustments, amendments, supplements or modifications to this Agreement), and (2) after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor, again determines in good faith that, notwithstanding such alternative transaction (including such adjustments, amendments, supplements or modifications to this Agreement), (I) it would nevertheless reasonably be expected to be inconsistent with its fiduciary duties under applicable Law to continue to recommend this Agreement and (II) such Superior Proposal continues to constitute a Superior Proposal. Any change to the financial terms or other material terms or material conditions of an Acquisition Proposal that was previously the subject of a notice under this Section 5.07(e) will require a new notice as provided under this Section 5.07(e), but with respect to any such subsequent notices references to a "five (5) Business Day period" will be deemed references to a "three (3) Business Day period."

(f) At any time prior to obtaining the Company Stockholder Approval, following any Intervening Event, the Company Board (or a duly authorized and empowered special committee thereof) may make a Company Adverse Recommendation Change if, after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor, the Company Board (or a duly authorized and empowered special committee thereof) (i) determines in good faith that an Intervening Event has occurred and is continuing, (ii) as a result of the Intervening Event, determines in good faith that it would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law to continue to recommend this Agreement to the Company Stockholders, (iii) determines in good faith that the reasons for

For personal use only

making such a Company Adverse Recommendation Change are independent from any Acquisition Proposal with respect to the Company and (iv) at least five (5) Business Days prior to making any Company Adverse Recommendation Change, provides written notice to Parent (a “Company Notice of Change”) advising Parent that the Company Board is contemplating making a Company Adverse Recommendation Change and providing a reasonable description of the material events, facts, developments and circumstances giving rise to its determination to take such action (including its basis for determining that an Intervening Event has occurred and is continuing); provided, however, that (A) the Company Board (or a duly authorized and empowered special committee thereof) may not make such a Company Adverse Recommendation Change until the fifth (5th) Business Day after receipt by Parent of a Company Notice of Change, (B) during such five (5) Business Day period, the Company and the Company Board (including any duly authorized and empowered special committee thereof) has considered and negotiated (and has caused its Representatives to consider and negotiate) with Parent in good faith (to the extent Parent desires to so negotiate) regarding any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement) proposed by Parent (it being understood that Parent shall not have any obligation to propose any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement)) and (C) if during such five (5) Business Day period, Parent proposes any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement), the Company Board (or a duly authorized and empowered special committee thereof) (x) takes into account such alternative transaction (including such adjustments, amendments, supplements or modifications to this Agreement), and (y) after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor, again determines in good faith that it would nevertheless reasonably be expected to be inconsistent with its fiduciary duties under applicable Law to continue to recommend this Agreement due solely to a continuing Intervening Event.

(g) In addition to the obligations of the Company set forth in sub-sections (a) through (f) of this Section 5.07, as promptly as practicable after receipt of any Acquisition Proposal (and in any event within twenty-four (24) hours), the Company shall advise Parent in writing of such Acquisition Proposal, inquiry or proposal with respect to the Company received from any Person and the substance thereof (including the terms and conditions of and the identity of the Person making such Acquisition Proposal, inquiry or proposal and provide copies of any written materials provided in connection therewith and written summaries of any material oral communications relating thereto), and will keep Parent apprised of any related material events, facts, circumstances, developments, discussions and negotiations on a reasonably current basis, including any amendments, supplements or modifications to, or revisions of, the terms and conditions of such Acquisition Proposal, inquiry, proposal, discussions or negotiations.

5.08 Parent Non-Solicit.

(a) Parent shall not, and shall cause its Subsidiaries not to, and shall instruct and direct its and their respective Representatives not to, directly or indirectly, (i) initiate, seek or solicit, or knowingly encourage or facilitate or take any other action that is reasonably expected to promote, directly or indirectly, any inquiries or the making or submission of any proposal that constitutes, or would reasonably be expected to lead to, any Acquisition Proposal; (ii) engage or participate in discussions or negotiations with respect to, or would reasonably be expected to

lead to, any Acquisition Proposal; (iii) provide any confidential, proprietary or nonpublic information or data of Parent or its Subsidiaries to any Person (other than the Company, its Affiliates and its and its Affiliates' respective Representatives, in their capacity as such) in respect of any Acquisition Proposal (including to facilitate any Acquisition Proposal); or (iv) enter into any agreement, arrangement, undertaking, instrument or understanding (including any letter of intent, memorandum of understanding, agreement in principle, merger agreement, share purchase agreement, exchange agreement, acquisition agreement or other similar agreement) with respect to any Acquisition Proposal. For purposes of this Section 5.08, an "Acquisition Proposal" means an Acquisition Proposal with respect to Parent and its Subsidiaries.

(b) Parent shall, and shall cause its Subsidiaries to, and shall instruct its and their respective Representatives to, (i) promptly (and, in any event, not later than two (2) days following the date hereof) request and use commercially reasonable efforts to pursue the return or destruction of any confidential, proprietary or nonpublic information or data of Parent or its Subsidiaries disclosed by or on behalf of Parent to any Person (other than the Company and its Affiliates and its and its Affiliates' respective Representatives), (ii) enforce any confidentiality, standstill (except as necessary to exercise Parent's or its Subsidiaries' fiduciary duties) or similar rights or agreement in favor of Parent or its Subsidiaries and (iii) immediately cease, and cause to be terminated, any solicitation, encouragement, discussions, negotiations or activities with any Person (other than (x) the Company and its Affiliates and its and its Affiliates' respective Representatives and (y) activities solely in respect of compliance with the foregoing subclause (i)), in each case, with respect to any Acquisition Proposal or which would reasonably be expected to lead to any Acquisition Proposal, and, in connection therewith, Parent shall discontinue access by any such Person (other than the Company and its Affiliates and its and its Affiliates' respective Representatives) to any data room (virtual or otherwise) established by Parent, its Affiliates or its or their respective Representatives in respect of any Acquisition Proposal.

(c) Subject to the other provisions of this Section 5.08, Parent, its Affiliates and its and their respective Representatives may inform any Person that has made any Acquisition Proposal, or inquiry or proposal that would reasonably be expected to lead to an Acquisition Proposal, of the provisions of this Section 5.08.

(d) Notwithstanding anything to the contrary in this Agreement, prior to obtaining the Parent Stockholder Approval, Parent and the Parent Board (or a duly authorized and empowered committee thereof) may take any actions described in Section 5.08(a)(ii) and Section 5.08(a)(iii) with respect to a third party if (i) Parent receives a *bona fide* written Acquisition Proposal from such third party that did not result or arise from a breach of Section 5.08(a), and (ii) the Parent Board (or a duly authorized and empowered committee thereof) concludes in good faith (after receiving the advice of its outside counsel, and with respect to financial matters, its financial advisor) that (x) such Acquisition Proposal constitutes, or is reasonably expected to lead to, a Superior Proposal and (y) the failure to take such actions would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law; provided, that, Parent may deliver confidential, non-public and/or proprietary information to such third party only (A) pursuant to a confidentiality agreement no less stringent to such Person (and protective to Parent) than the terms of the Confidentiality Agreement (which such

confidentiality agreement shall permit Parent to comply with Section 5.08(h) and shall not provide such third party with any exclusive right to negotiate with Parent or any of its Subsidiaries) and (B) if such information has been or is concurrently delivered to the Company. Nothing contained in this Section 5.08 will prohibit Parent or the Parent Board (or a duly authorized and empowered committee thereof) from (I) taking and disclosing to the Parent Stockholders a position with respect to any Acquisition Proposal pursuant to Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act (applied on the assumption that such Rules or Items, as applicable, apply to the Company and Parent) or (II) making any similar disclosure to the Parent Stockholders that is required by Law or that the Parent Board (or a duly authorized and empowered special committee thereof) determines in good faith that the failure to do so would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law; provided that, in each case, if such disclosure would constitute a Parent Adverse Recommendation Change, the provisions in this Agreement applicable to a Parent Adverse Recommendation Change shall apply; it being understood that a “stop, look and listen” or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act shall not be deemed to be a Parent Adverse Recommendation Change (applied on the assumption that such Rules or Items, as applicable, apply to the Company and Parent).

(e) Neither the Parent Board nor any committee thereof may directly or indirectly (i) withhold, withdraw (or amend, qualify or modify in a manner adverse to the Company), or publicly propose to withdraw (or amend, qualify or modify in a manner adverse to the Company), the approval, recommendation or declaration of advisability by the Parent Board or any such committee of the Contemplated Transactions or (ii) propose publicly to recommend, adopt or approve any Acquisition Proposal with respect to Parent (any action described in this sentence being referred to as a “Parent Adverse Recommendation Change”). Notwithstanding the foregoing, at any time prior to obtaining the Parent Stockholder Approval, and subject to Parent’s compliance with the provisions of this Section 5.08 and Section 5.03, solely in response to a Superior Proposal and after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor, if the Parent Board (or a duly authorized and empowered special committee thereof) determines in good faith that it would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law to continue to recommend this Agreement to the Parent Stockholders, then Parent may make such a Parent Adverse Recommendation Change; provided, however, Parent may not make a Parent Adverse Recommendation Change in response to a Superior Proposal, unless (i) such action is taken in response to a Superior Proposal that is not withdrawn as of the time of taking such action; (ii) Parent gives the Company at least five (5) Business Days’ prior written notice (x) of its intention to take such action and (y) setting forth a reasonable description of the material events, facts, developments and circumstances giving rise to its determination to take such action (including its basis for determining that such Superior Proposal constitutes a Superior Proposal (including the latest material terms and conditions of, and the identity of the third party making, the Superior Proposal, and any amendment, supplement or modification thereof)); (iii) during such five (5) Business Day period, Parent and the Parent Board (including any duly authorized and empowered special committee thereof) has considered and negotiated (and has caused its Representatives to consider and negotiate) with the Company in good faith (to the extent the Company desires to so negotiate) regarding any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement) proposed by the Company (it being understood that the Company shall not have any obligation

to propose any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement)); and (iv) if during such five (5) Business Day period, the Company proposes any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement), the Parent Board (or a duly authorized and empowered committee thereof) (1) takes into account such alternative transaction (including such adjustments, amendments, supplements or modifications to this Agreement), and (2) after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor, again determines in good faith that, notwithstanding such alternative transaction (including such adjustments, amendments, supplements or modifications to this Agreement), (I) it would nevertheless reasonably be expected to be inconsistent with its fiduciary duties under applicable Law to continue to recommend this Agreement and (II) such Superior Proposal continues to constitute a Superior Proposal. Any change to the financial terms or other material terms or material conditions of an Acquisition Proposal that was previously the subject of a notice under this Section 5.08(e) will require a new notice as provided under this Section 5.08(e), but with respect to any such subsequent notices references to a “five (5) Business Day period” will be deemed references to a “three (3) Business Day period.”

(f) At any time prior to obtaining the Parent Stockholder Approval, following any Intervening Event, the Parent Board (or a duly authorized and empowered committee thereof) may make a Parent Adverse Recommendation Change if, after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor, the Parent Board (or a duly authorized and empowered special committee thereof) (i) determines in good faith that an Intervening Event has occurred and is continuing, (ii) as a result of the Intervening Event, determines in good faith that it would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law to continue to recommend this Agreement to the Parent Stockholders, (iii) determines in good faith that the reasons for making such a Parent Adverse Recommendation Change are independent from any Acquisition Proposal with respect to Parent and (iv) at least five (5) Business Days prior to making any Parent Adverse Recommendation Change, provides written notice to the Company (a “Parent Notice of Change”) advising the Company that the Parent Board is contemplating making a Parent Adverse Recommendation Change and providing a reasonable description of the material events, facts, developments and circumstances giving rise to its determination to take such action (including its basis for determining that an Intervening Event has occurred and is continuing); provided, however, that (A) the Parent Board (or a duly authorized and empowered special committee thereof) may not make such a Parent Adverse Recommendation Change until the fifth (5th) Business Day after receipt by the Company of a Parent Notice of Change, (B) during such five (5) Business Day period, Parent and the Parent Board (including any duly authorized and empowered special committee thereof) has considered and negotiated (and has caused its Representatives to consider and negotiate) with the Company in good faith (to the extent the Company desires to so negotiate) regarding any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement) proposed by the Company (it being understood that the Company shall not have any obligation to propose any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement)) and (C) if during such five (5) Business Day period, the Company proposes any alternative transaction (including any adjustments, amendments, supplements or modifications to the terms of this Agreement), the Parent Board (or a duly authorized and empowered special committee thereof) (x) takes into account such alternative transaction (including such

adjustments, amendments, supplements or modifications to this Agreement), and (y) after receiving the advice of its outside counsel and, with respect to financial matters, its financial advisor, again determines in good faith that it would nevertheless reasonably be expected to be inconsistent with its fiduciary duties under applicable Law to continue to recommend this Agreement due solely to a continuing Intervening Event.

(g) Notwithstanding anything to the contrary herein, in the event any Acquisition Proposal is made with respect to Parent after the date of this Agreement, and such Acquisition Proposal is a Non-Conflicting Acquisition Proposal, then nothing in this Agreement shall prohibit or otherwise restrict Parent or any of its Subsidiaries, Affiliates or Representatives from taking any action with respect to such Acquisition Proposal (including any action set forth in this Section 5.08) so long as Parent notifies the Company of such Acquisition Proposal and the material terms thereof and keeps the Company reasonably informed of the status of discussions regarding such Acquisition Proposal.

(h) In addition to the obligations of Parent set forth in sub-sections (a) through (f) of this Section 5.08, as promptly as practicable after receipt of any Acquisition Proposal (and in any event within twenty-four (24) hours), Parent shall advise the Company in writing of such Acquisition Proposal, inquiry or proposal with respect to Parent received from any Person and the substance thereof (including the terms and conditions of and the identity of the Person making such Acquisition Proposal, inquiry or proposal and provide copies of any written materials provided in connection therewith and written summaries of any material oral communications relating thereto), and will keep the Company apprised of any related material events, facts, circumstances, developments, discussions and negotiations on a reasonably current basis, including any amendments, supplements or modifications to, or revisions of, the terms and conditions of such Acquisition Proposal, inquiry, proposal, discussions or negotiations.

5.09 Further Action; Efforts.

(a) Subject to the terms and conditions of this Agreement, prior to the Effective Time, each party hereto shall use reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper, or advisable under applicable Laws to consummate the Merger and the other Contemplated Transactions and the Parent Share Issuance and the issuance of the New Parent Equity Awards as soon as practicable. Notwithstanding anything in this Agreement to the contrary, the parties hereto agree to, or to cause their ultimate parent entity (as such term is defined in the HSR Act) to, (i) make an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the Merger within fifteen (15) Business Days after the date of the Agreement, (ii) make, or cause to be made, the filings, forms, submissions, applications, licenses or notices required or advisable (A) under any applicable licensing Laws, (B) in connection with any review or investigation pursuant to any applicable foreign direct investment Laws of the United States and non-U.S. jurisdictions, (C) under the ASX Listing Rules and the Corporations Act, or (D) to obtain the Australian Waivers, in each case as promptly as practicable after the date of this Agreement and (iii) supply as promptly as practicable any additional information and material that may be requested by a Governmental Body pursuant to the HSR Act or any other applicable Law. Parent shall, with the reasonable cooperation of the Company, be responsible for making any filing or notification required or advisable under foreign Antitrust Laws (final or in draft as the

For personal use only

case may be) as promptly as possible after the date of this Agreement, unless otherwise agreed to by the Company and Parent in writing. The parties hereto shall also consult and cooperate with one another, and consider in good faith the views of one another, in connection with, and subject to appropriate mechanisms to deal with the exchange of competitively sensitive information, provide to the other parties hereto in advance, any analyses, appearances, presentations, memoranda, briefs, arguments, opinions, and proposals made or submitted by or on behalf of such party in connection with proceedings under or relating to any Antitrust Laws. Without limiting the foregoing, to the extent permitted by applicable Law, the parties hereto agree (1) to give each other reasonable advance notice of all meetings with any Governmental Body relating to the Contemplated Transactions, (2) to give each other an opportunity to participate in each of such meetings, unless prohibited by such Governmental Body, (3) to the extent reasonably practicable, to give each other reasonable advance notice of all substantive oral communications with any Governmental Body relating to the Contemplated Transactions, (4) if any Governmental Body initiates a substantive oral communication regarding the Contemplated Transactions, to promptly notify the other party of the substance of such communication, (5) to provide each other with a reasonable advance opportunity to review and comment upon (and to consider in good faith any reasonable comments made by the other party upon) all substantive written communications (including any analyses, presentations, memoranda, briefs, arguments, opinions and proposals) with a Governmental Body regarding the Contemplated Transactions and (6) to provide each other with copies of all written communications to or from any Governmental Body relating to the Contemplated Transactions. Any such disclosures or provision of copies by one party to the other may be made, subject to restrictions to address confidential and/or competitively sensitive information, and on an outside counsel basis, if appropriate. Notwithstanding anything to the contrary contained in this Agreement, Parent shall have the right to control the strategy for obtaining all approvals and clearances sought by any filings applicable to the HSR Act and shall have the right to take the lead in coordinating the timing and content of all productions to, and all such filings, meetings and communications with, any Governmental Body in connection with obtaining any such approvals and clearances; provided Parent shall consider in good faith the views of the Company with respect to such strategy, coordination, content, analyses, appearances, presentations, memoranda, briefs, arguments, opinions, and proposals made or submitted in connection with obtaining any such approvals and clearances.

(b) Without limiting the generality of Section 5.09(a), Parent shall, and shall cause each of its Subsidiaries and Affiliates to, use reasonable best efforts to take any and all actions necessary to obtain any consents, clearances, or approvals required under or in connection with the HSR Act and any other federal or state law, regulation, or decree designed to prohibit, restrict, or regulate actions for the purpose or effect of lessening competition (collectively “Antitrust Laws”) to enable all waiting periods under applicable Antitrust Laws to expire, and to avoid or eliminate impediments under applicable Antitrust Laws asserted by any Governmental Body, in each case, to cause the Merger to occur prior to the Termination Date, including (i) promptly complying with any requests for additional information (including any second request) by any Governmental Body, (ii) if necessary to obtain clearance by any Governmental Body before the Termination Date, offering, negotiating, committing to, and effecting, by consent decree, hold separate order, or otherwise, the sale, divestiture, license, or other disposition of any and all of the capital stock, assets, equity holdings, rights, products, or businesses of Parent and its Subsidiaries (including the Surviving Corporation and its

Subsidiaries), and any other restrictions on the activities of Parent and its Subsidiaries (including the Surviving Corporation and its Subsidiaries) (each, a “Remedy”); provided that, notwithstanding anything to the contrary set forth in this Agreement, neither Parent nor any of its Subsidiaries shall be required to undertake or agree to undertake any (A) Burdensome Condition or (B) any other action with respect to any Remedy if such Remedy is not conditioned upon effectiveness of the Contemplated Transactions; provided, further, that, upon Parent’s request, the Company shall take any of the actions referred to above (or agree to take such actions) if such actions are only effective from and after the Effective Time; provided, further that the Company shall not take any actions referred to above (or agree to take such actions), without the written consent of Parent.

(c) Parent and the Company shall not take, and shall cause each of its Subsidiaries to not take, any action or omit to take any action that would reasonably be expected to materially delay clearance by any Governmental Body under any Antitrust Laws or to make clearance by any Governmental Body under Antitrust Laws before the Termination Date materially less probable. Each of Parent and the Company shall bear any fees payable to any Governmental Body in connection with any filings that are made by such party to obtain clearance under any Antitrust Law for the consummation of the Merger.

(d) Without limiting the obligations in clauses (a) and (b) of this Section 5.09, in the event that any administrative or judicial action or proceeding is instituted (or threatened to be instituted) by a Governmental Body challenging the Merger, each of Parent and the Company shall cooperate in all respects with each other and shall use its reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed, or overturned any Governmental Order, whether temporary, preliminary, or permanent, that is in effect and that prohibits, prevents, or restricts consummation of the Merger.

(e) Prior to the Effective Time, except as contemplated by Section 5.09(f), each party hereto shall use commercially reasonable efforts to obtain any consents, approvals, or waivers of third parties with respect to any Contracts to which it or any of its respective Subsidiaries is a party (including making any payments that would be required in connection with a transfer of a “Substantial Ownership Interest” as defined in the Angel Loan Fund Agreement) as may be necessary for the consummation of the Contemplated Transactions or required by the terms of any Contract as a result of the execution, performance, or consummation of the Contemplated Transactions; provided, that, in no event will the Company, Parent or its applicable Subsidiaries be required to pay, prior to the Effective Time, any fee, penalty, or other consideration or make any other financial accommodation to any third party to obtain any consent, approval, or waiver required with respect to any such Contract.

(f) The Company shall, and shall use its commercially reasonable efforts to cause its Representatives to, upon the reasonable request of Parent, provide reasonable cooperation to Parent in connection with (i) an amendment or waiver, in a form reasonably satisfactory to the Company, to the Existing Credit Agreement to waive the “Change in Control” and any other “Event of Default” (each as defined in the Existing Credit Agreement, as applicable) that will occur upon the consummation of the Merger in order to permit the consummation of the Merger (the “Credit Agreement Amendment”) or (ii) the entry into a new credit agreement (the “New Credit Agreement”), to be effective no earlier than the Effective

Time, by Parent or the Surviving Corporation or any of their Subsidiaries (including requesting, and using commercially reasonable efforts to cause, the Company's Representatives to furnish any customary certificates in connection with the Credit Agreement Amendment or New Credit Agreement); provided, that (A) the Company shall not be required to pay, prior to the Effective Time, any fee, penalty or other consideration or make any other financial accommodation to any third party, or pay Parent's commitment or other similar fee in connection with the Credit Agreement Amendment or the New Credit Agreement, (B) the effectiveness of any documentation executed by the Company, with respect to the Credit Agreement Amendment or the New Credit Agreement, the attachment of any Lien to any assets of the Company or any of its Subsidiaries, or any payoff of existing indebtedness shall be subject to the consummation of the Merger, and (C) no director or officer of the Company shall be required to execute any agreement, certificate, document or instrument with respect to the Credit Agreement Amendment or New Credit Agreement that would be effective prior to the Closing (other than certifications of the financial statements). Parent and Merger Sub each acknowledge and agree that it is not a condition to Parent's or Merger Sub's obligations to consummate the Merger or to any of their other obligations under this Agreement that the Credit Agreement Amendment or the New Credit Agreement be executed.

(g) Subject to the conditions and upon the terms of this Agreement, each of Parent and the Company shall use commercially reasonable efforts to obtain each approval, consent, ratification, permission and waiver of authorization required to be obtained by Parent or the Company from a Governmental Body in relation to the consummation of the Contemplated Transactions.

5.10 Employee and Labor Matters.

(a) Parent shall, and shall cause the Surviving Corporation and each of its other Subsidiaries to, for the period commencing at the Effective Time and ending on the first anniversary of the Effective Time, to maintain for each individual who is an employee of the Company or any of its Subsidiaries as of the Effective Time (a "Company Employee"), for so long as such Company Employee remains employed by the Surviving Corporation or one of its Subsidiaries during such period, (i) each of base salary or base wage rate and a target annual cash incentive compensation opportunity at least as favorable as that provided to the Company Employee as of immediately prior to the Effective Time, (ii) employee benefits (excluding equity-based awards) that are at least substantially comparable in the aggregate as the employee benefits maintained for and provided to the Company Employee as of immediately prior to the Effective Time (excluding equity-based awards) and (iii) subject to the requirements of the ASX Listing Rules and Corporations Act, severance benefits that are at least as favorable as the severance benefits provided to the Company Employee as of immediately prior to the Effective Time.

(b) For all purposes under the Parent Plans or other benefit plans maintained or sponsored by Parent, the Surviving Corporation or their Subsidiaries providing benefits to any employees after the Effective Time, each Company Employee will be credited with his or her years of service with the Company and its Subsidiaries before the Effective Time for purposes of vesting, benefits eligibility and level of benefits, to the same extent as such employee was entitled, before the Effective Time, to credit for such service under any similar Company Plan;

provided, however, that such service crediting will not be required to the extent it would result in a duplication of benefits or under any defined benefit pension plan or retiree medical or insurance plan. Without limiting the generality of the foregoing, Parent shall use commercially reasonable efforts, and shall cause the Surviving Corporation to use commercially reasonable efforts, to (i) cause Company Employees to not be subject to any eligibility requirements, waiting periods, actively-at-work requirements or pre-existing condition limitations under any employee benefit plan of Parent, the Surviving Corporation or their Subsidiaries for any condition for which they would have been entitled to coverage under the corresponding Company Plan in which they participated prior to the Effective Time and (ii) credit under all employee benefit plans any eligible expenses incurred by such Company Employees and their covered dependents under a Company Plan during the portion of the year prior to the Effective Time for purposes of satisfying all co-payment, co-insurance, deductibles, maximum out-of-pocket requirements and other out-of-pocket expenses applicable to such Company Employees and their covered dependents in respect of the plan year in which the Effective Time occurs. Nothing in this Agreement will (A) create any right to employment, continued employment, or any term or condition of employment with Parent, the Company, the Surviving Corporation, or their respective Affiliates, (B) prevent the termination of employment of any Company Employee, (C) constitute or require the establishment, adoption or termination of, or amendment to, any Company Plan, Parent Plan, or other employee benefit plan, program, agreement or arrangement or (D) confer upon any Company Employee or any other Person any third-party beneficiary or similar rights or remedies.

5.11 Indemnification of Officers and Directors.

(a) Parent shall cause the Surviving Corporation's certificate of incorporation and bylaws to contain provisions no less favorable with respect to indemnification, advancement of expenses, and exculpation from liabilities of present and former directors, officers, and employees of the Company than are provided in the Company Organizational Documents as of the date hereof, which provisions may not be amended, repealed, or otherwise modified in any manner that would adversely affect the rights thereunder of any such individuals until six (6) years from the Effective Time, and, in the event that any Action is pending or asserted or any claim made during such period, until the disposition of any such Action or claim, unless such amendment, modification, or repeal (or other change to such indemnification, advancement of expenses, and exculpation provisions) is necessary to comply with applicable Law, in which case Parent shall, and shall cause the Surviving Corporation to, make such changes to the certificate of incorporation and the bylaws as to have the least adverse effect on the rights of the individuals referenced in this Section 5.11.

(b) Without limiting any additional rights that any Person may have under any agreement or Company Plan, from and after the Effective Time, Parent and the Surviving Corporation shall, jointly and severally, for the period commencing at the Effective Time and ending on the sixth (6th) anniversary of the Effective Time, to the fullest extent that the Company would be permitted to do so by applicable Law, indemnify and hold harmless each present (as of the Effective Time) or former director or officer of the Company when acting in such capacity (each, together with such director's or officer's heirs, executors, or administrators, an "Indemnified Party"), against all obligations to pay a judgment, settlement, or penalty, and reasonable expenses incurred in connection with any Action, whether civil, criminal,

For personal use only

administrative, arbitral, or investigative, and whether formal or informal, in each case, arising out of or pertaining to any action or omission occurring at or prior to the Effective Time, including any action or omission in connection with the fact that the Indemnified Party is or was an officer, director, employee, fiduciary, or agent of the Company or its Subsidiaries to the fullest extent that the Company or any of its Subsidiaries, as the case may be, would have been required under applicable Law and its respective certificate of incorporation, bylaws or other organizational documents in effect on the date of this Agreement to indemnify such Person. In the event of any such Action, to the extent permitted by applicable Law, each Indemnified Party is entitled to advancement of reasonable expenses incurred in the defense of the Action from the Surviving Corporation and Parent (provided that any Person to whom expenses are advanced will have provided to the extent required by applicable Law, an undertaking (in a reasonable and customary form) to repay such advances if it is finally determined that such Person is not entitled to indemnification).

(c) Notwithstanding anything to the contrary in this Agreement, the Company may purchase prior to the Effective Time, and if the Company does not purchase prior to the Effective Time, the Surviving Corporation shall purchase at or after the Effective Time, a tail policy under the current directors' and officers' liability insurance policies maintained at such time by the Company, which tail policy (i) will be effective for a period from the Effective Time through and including the date six (6) years after the Effective Time with respect to claims arising from facts or events that existed or occurred prior to or at the Effective Time and (ii) will contain coverage that is at least as protective to such directors and officers as the coverage provided by such existing policies; provided, that, the aggregate premium for such tail policy will not be in excess of three hundred percent (300%) of the last annual premium paid by the Company prior to the Effective Time. Parent shall cause such policy to be maintained in full force and effect for their full term, and cause all obligations thereunder to be honored by the Surviving Corporation.

(d) Without limiting any of the rights or obligations under this Section 5.11, from and after the Effective Time, the Surviving Corporation shall keep in full force and effect, and shall comply with the terms and conditions of, any agreement set forth on Section 5.11(d) of the Company Disclosure Letter providing for the indemnification of such Indemnified Party, and Parent hereby guarantees the obligations of the Surviving Corporation pursuant to such agreements.

(e) This Section 5.11 will survive the consummation of the Merger and is intended to benefit, and is enforceable by, any Person referred to in this Section 5.11. The indemnification and advancement provided for in this Section 5.11 is not exclusive of any other rights to which the Indemnified Party is entitled whether pursuant to Law, contract, or otherwise. If the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity resulting from such consolidation or merger or (ii) transfers all or a majority of its properties and assets to any Person, then, and in each such case, Parent shall make proper provision such that the successors and assigns of the Surviving Corporation assume the applicable obligations set forth in this Section 5.11.

5.12 Public Disclosure. The initial press release relating to this Agreement will be a joint press release and thereafter, Parent and the Company shall consult with each other before issuing (or permitting any Affiliate to issue), and provide the other party the reasonable opportunity to review and comment upon (and shall consider in good faith any reasonable comments made by the other party on), any ASX announcements, press release or other public statements with respect to (a) this Agreement or the Contemplated Transactions or (b) the other party's (or its Subsidiaries') respective business, financial condition or results of operations (a "Public Transaction Disclosure"), in each case, except (i) as required by applicable Law or a Governmental Body, (ii) as necessary to satisfy its disclosure obligations imposed by any applicable public stock exchange, the ASX Listing Rules, or any other similar self-regulatory organization or (iii) disclosures that contain only statements concerning this Agreement or the Contemplated Transactions or the other party's (or its Subsidiaries') respective business, financial condition or results of operations, in each case, that are consistent with and limited in all material respects to the statements contained in previous Public Transaction Disclosures. The restrictions of this Section 5.12 do not apply to communications in connection with and following a Company Adverse Recommendation Change made in compliance with Section 5.07 (solely for the period of time when such Company Adverse Recommendation Change remains in effect) or a Parent Adverse Recommendation Change made in accordance with Section 5.08 (solely for the period of time when such Parent Adverse Recommendation Change remains in effect).

5.13 Advice of Changes. Parent and the Company shall each promptly advise the other party of any Effect that (a) has had or is reasonably likely to have a Company Material Adverse Effect (in the case of the Company) or a Parent Material Adverse Effect (in the case of Parent) or (b) would or would reasonably be expected to cause, in the case of the Company, any of the conditions set forth in Section 6.02 not to be satisfied, or, in the case of Parent, any of the conditions set forth in Section 6.03 not to be satisfied; provided that any failure to give notice in accordance with the foregoing with respect to any breach shall not be deemed to constitute a failure of any condition set forth in Section 6.02 or Section 6.03 to be satisfied, or otherwise constitute a breach of this Agreement by the party failing to give such notice, in each case, unless the underlying breach would independently result in a failure of the conditions set forth in Section 6.02 or Section 6.03 not to be satisfied.

5.14 Stock Exchange Listings. Parent shall use its reasonable best efforts to cause (a) the Parent Ordinary Shares to be issued in the Merger to be approved for official quotation on the ASX subject to the lodgment by Parent of an Appendix 2A form on or as soon as practicable after the Effective Time and (b) the Parent ADRs to be approved for listing on any national securities exchange as may be reasonably selected by Parent prior to the Closing Date (the "Exchange"), subject to official notice of the proposed issuance, as promptly as reasonably practicable after the date of this Agreement, and in any event prior to the Closing Date.

5.15 Takeover Laws. Prior to the Effective Time, if any Takeover Law may become, or may purport to be, applicable to the Contemplated Transactions, each of Parent and the Company and the members of its respective board of directors (but only in their capacities as directors), to the extent permissible under applicable Law, shall grant such approvals and take such actions, in accordance with the terms of this Agreement, as are necessary so that the Contemplated Transactions and the Parent Share Issuance and the issuance of the New Parent

Equity Awards may be consummated as promptly as practicable, and in any event prior to the Termination Date, on the terms and conditions contemplated hereby and otherwise, to the extent permissible under applicable Law, act to eliminate the effect of any Takeover Law on any of the Contemplated Transactions, the Parent Share Issuance and the issuance of the New Parent Equity Awards.

5.16 Section 16. Prior to the Effective Time, the Company Board shall approve the disposition of the Company equity securities (including derivative securities) in connection with the Merger by those directors and officers of the Company subject to the reporting requirements of Section 16 of the Exchange Act to the extent necessary for such disposition to be an exempt disposition pursuant to SEC Rule 16b-3.

5.17 Tax Matters.

(a) For U.S. federal income tax purposes, it is intended that (v) the Merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Code, and the regulations promulgated thereunder, (w) with respect to the Merger, this Agreement will constitute a “plan of reorganization” for purposes of Sections 354, 361 and 368 of the Code, (x) with respect to the Merger, Parent will be treated as a corporation under Section 367(a) of the Code with respect to each transfer of property thereto in connection with the Merger (other than a transfer by a shareholder that is a U.S. Person and that holds five percent (5%) or more of Parent (within the meaning of Treasury Regulation Section 1.367(a)-3(b)(1)(i)) immediately following the Merger), (y) with respect to the Merger, the Company, Parent and Merger Sub will each be a party to the reorganization within the meaning of Section 368(b) of the Code, and (z) Parent should not be treated as a domestic corporation for U.S. federal income tax purposes by reason of Section 7874(b) of the Code as a result of the Contemplated Transactions (the qualifications and other matters referred to in clauses (v) through (z), collectively, the “Intended Tax Treatment”). Each of Parent and the Company shall, except as otherwise contemplated by this Agreement, cooperate with each other and use their respective reasonable best efforts to cause the Intended Tax Treatment to be obtained, including by refraining from any action, other than as contemplated by this Agreement (including the exhibits and schedules hereto, the Company Disclosure Letter and the Parent Disclosure Letter), that such party knows is reasonably likely to prevent the Intended Tax Treatment. Parent and the Company shall use commercially reasonable efforts to deliver to Skadden, Arps, Slate, Meagher & Flom LLP and Ropes & Gray LLP (or such other advisors) customary representation letters reasonably requested by such counsel (or other advisors), dated and executed as of the date the Registration Statement becomes effective or such other date(s) as reasonably requested by such counsel (or such other advisors) in connection with the filing of the Registration Statement and the documentation by the parties of the Intended Tax Treatment. Upon request of the Company, Parent shall use reasonable best efforts to promptly provide all necessary information, assistance and cooperation, including customary representation letters, as may be reasonably requested in connection with obtaining a written opinion of Ropes & Gray LLP, or such other nationally recognized Tax counsel reasonably satisfactory to the Company, dated as of the Closing Date, to the effect that the tax treatment described in Sections 5.17(a)(v), 5.17(a)(w), 5.17(a)(x) and 5.17(a)(y) should apply with respect to the Merger and the transfer of the Company Shares (such opinion, the “Company Tax Opinion”), and/or in connection with obtaining a ruling from the U.S. Internal Revenue Service related to matters to be addressed with respect to the Intended Tax

Treatment (such ruling, the “IRS Ruling”). For the avoidance of doubt, the Company Tax Opinion may rely on the IRS Ruling and such customary representation letters.

(b) Prior to the date on which the Closing Date is determined or 10 business days prior to the Closing Date (whichever is later), the Company shall have the right to provide to Parent written notice that the Company elects to cause the Merger to not qualify as a “reorganization” within the meaning of Section 368(a) of the Code. If and to the extent such notice is provided, then notwithstanding anything to the contrary in this Agreement, Parent shall take such action as is reasonably necessary to cause Merger Sub to be directly and wholly owned for U.S. federal income tax purposes by an entity that is treated as a corporation for U.S. federal income tax purposes and that is not Parent, which is in turn directly owned by an entity that is treated as a corporation for U.S. federal income tax purposes and that is not Parent, it being understood that, notwithstanding the Intended Tax Treatment, the intention thereof is to cause the Merger to be taxable for U.S. federal income tax purposes and not to qualify as a “reorganization” within the meaning of Section 368(a) of the Code.

(c) Prior to the Closing, the Company shall deliver to Parent a properly completed and executed (i) certification that meets the requirements of Treasury Regulations Sections 1.897-2(h)(1) and 1.1445-2(c)(3), dated not more than thirty (30) days prior to the Closing Date, and (ii) notice to the Internal Revenue Service, in accordance with the requirements of Treasury Regulations Section 1.897-2(h)(2), together with written authorization for Parent to deliver such notice and the original certification to the Internal Revenue Service on behalf of the Company after the Closing. The Company’s obligation to deliver such certificate shall not be considered an obligation under this Agreement for purposes of Article 6, but if the Company fails to deliver such certificate, Parent shall have the right, pursuant to Section 1.11, to withhold any amounts required to be withheld under Section 1445 of the Code and Treasury Regulations thereunder.

(d) Parent shall, and shall cause the Surviving Corporation to, in connection with the Merger, comply with the reporting requirements of Treasury Regulations Section 1.367(a)-3(c)(6).

(e) In order to give effect to the scrip for scrip rollover relief under subdivision 124-M of the *Income Tax Assessment Act 1997* (Cth) (“ITAA 1997”) (the “Rollover Provisions”), Parent agrees that (i) it will not, as the Replacement Entity, make a choice under subsection 124-795(4) of the ITAA 1997 in relation to the exchange of the Company Shares by the Company Stockholders for the Parent Ordinary Shares, (ii) it will be at the Closing the ‘ultimate holding company’ of the ‘wholly-owned group’ in which Merger Sub is a member (as those terms are defined in section 995-1 of the ITAA 1997), (iii) it will not and must procure that no member of the wholly owned group referred to in clause (ii) will issue equity (other than the Parent Ordinary Shares), or owe new debt, such that the stockholders of the Company immediately prior to the Effective Time may be denied roll-over relief under the Rollover Provisions due to a failure of the condition in paragraph 124-780(3)(f) of the ITAA 1997.

(f) Through the end of Parent’s tax year ending in 2024, Parent shall review its Tax status at least annually with qualified United States Tax advisors in order to determine whether or not Parent is a PFIC within the meaning of Section 1297 of the Code. This

determination shall be made no later than January 31 of the following calendar year. If Parent determines that it is a PFIC, Parent shall notify its shareholders of such determination and, with respect to such PFIC, for the first taxable year to which such determination applies and for each taxable year thereafter through the end of Parent's tax year ending in 2024, Parent shall promptly, but in no event later than January 31 of the following calendar year, provide the shareholders with a "PFIC Annual Information Statement" (within the meaning of Treasury Regulations section 1.1295-1(g)), which shall be signed by the PFIC or an authorized representative of the PFIC and which shall set forth the following information: (i) the first and last days of the taxable year of the PFIC; (ii) each shareholder's pro rata shares of the ordinary earnings and net capital gain (as defined in Treasury Regulations Section 1.1293-1(a)(2)) of the PFIC for the taxable year indicated in clause (i) above; (iii) the amount of cash and the fair market value of other property distributed or deemed distributed to the shareholder during the taxable year of the PFIC to which the PFIC Annual Information Statement pertains; (iv) the statement that the PFIC will permit the shareholders to inspect and copy the PFIC's permanent books of account, records, and such other documents as may be maintained by the PFIC to establish that the PFIC's ordinary earnings and net capital gain are computed in accordance with U.S. federal income tax principles, and to verify these amounts and the shareholder's pro rata shares thereof; and (v) such other information as may be required under applicable Treasury Regulations.

5.18 Stockholder Litigation. Antitrust Law) or (B) by the Company or Parent pursuant to Section 7.01(d)(ii) and, as of the time of such termination, either (x) the condition set forth in Section 6.01(i) is not satisfied (solely with respect to Antitrust Laws) or (y) neither the condition set forth in Section 6.01(h) nor the condition set forth in Section 6.01(i) (solely with respect to Antitrust Laws) is satisfied, and all of the conditions set forth in Section 6.01 (other than in Section 6.01(h) and Section 6.01(i) (solely with respect to Antitrust Laws)), Section 6.02 and Section 6.03 are satisfied or, to the extent permitted by applicable Law, waived (other than those conditions that by their nature are to be satisfied at the Closing, so long as such conditions would have been capable of being satisfied if the Closing were to occur on the date a notice of termination is delivered), then Parent shall pay to the Company the lesser of (1) the reasonable and documented out-of-pocket expenses incurred by the Company in connection with Section 5.09(b) and (2) five million Dollars (\$5,000,000), unless the Termination Date is extended pursuant to Section 7.01(d)(ii) and thereafter this Agreement is terminated, in which case the amount for purposes of this clause (2) shall be eight million Dollars (\$8,000,000) (the “Reimbursable Expenses”), as promptly as possible (but in any event within two (2) Business Days) following such termination; provided that, in the case of each of clauses (A) and (B) set forth above, the failure of the condition set forth in Section 6.01(h) or Section 6.01(i) to be satisfied did not result from any breach by the Company of any of the covenants or agreements to be performed by it or its obligations set forth herein.

(iv) In the event that, prior to the termination of this Agreement in accordance with Section 7.01, (A) an Acquisition Proposal (whether or not conditional) with respect to Parent and/or its Subsidiaries has been made (x) known to senior management or the Parent Board (or any committee thereof) or (y) directly to the Parent Stockholders (generally), or any Person shall have publicly announced such an Acquisition Proposal or the intention to make such an Acquisition Proposal (whether or not conditional), (B) thereafter, this Agreement is terminated pursuant to Section 7.01(d)(ii) (and this Agreement was then terminable under Section 7.01(d)(iv)), or Section 7.01(d)(iv) and (C) concurrently with, or within twelve (12) months after, any such termination described in the foregoing subclause (B), Parent or any of its Subsidiaries enters into a definitive agreement (regardless of whether a transaction is consummated) with respect to, or otherwise consummates, any Acquisition Proposal with respect to Parent or any of its Subsidiaries (whether or not the same Acquisition Proposal as that referred to in the foregoing subclause (A)), then Parent shall, on the earlier of the date it enters into such definitive agreement and the date of the consummation of such transaction, pay to the Company the Parent Termination Fee. For purposes of this Section 7.03(b)(iv), fifty percent (50%) shall be substituted for the twenty percent (20%) threshold set forth in the definition of “Acquisition Proposal.”

(v) Except in the event of fraud or an Intentional Breach, the Company’s right to receive the one-time payment of the Parent Termination Fee or the Reimbursable Expenses, as applicable (if and when due), from Parent as provided in this Section 7.03(b) will be the sole and exclusive remedy available to the Company against Parent or any of its former, current or future equityholders, directors, officers, Affiliates, agents or Representatives with respect to this Agreement, the Contemplated Transactions, the Parent Share Issuance and the issuance of the New Parent Equity Awards in the event

that this Agreement is terminated by Parent or the Company under circumstances requiring the payment of the Termination Fee or the Reimbursable Expenses pursuant to this Section 7.03(b), and, upon such payment of the Parent Termination Fee or Reimbursable Expenses, as applicable (if and when due), none of Parent's or any of its former, current or future equityholders, directors, officers, Affiliates, agents or Representatives will have any further liability or obligation relating to or arising out of this Agreement or the Contemplated Transactions. The parties hereto acknowledge and agree that in no event will Parent be required to pay the Parent Termination Fee or the Reimbursable Expenses on more than one occasion.

(c) The parties hereto acknowledge and agree that (i) the agreements contained in this Section 7.03 are an integral part of the Contemplated Transactions, (ii) without these agreements, neither the Company nor Parent would enter into this Agreement and (iii) the Termination Fee and the Parent Termination Fee, as applicable, constitute liquidated damages and not a penalty. Accordingly, if either party fails promptly to pay any amount due pursuant to this Section 7.03 (such party, the "Defaulting Party"), and, in order to obtain such payment, the other party (the "Non-Defaulting Party") commences an Action that results in a judgment against the Defaulting Party for the payment set forth in this Section 7.03, the Defaulting Party shall pay to the Non-Defaulting Party its costs, fees and expenses (including attorneys' fees) in connection with such Action, together with interest on the Termination Fee or Parent Termination Fee, and such costs, fees and expenses to be reimbursed to the Non-Defaulting Party under this Section 7.03(c), in each case, from the date payment was required to be made until the date of such payment is actually made (at the prime rate published in the Wall Street Journal in effect on the date such payment was required to be made).

(d) If this Agreement is terminated pursuant to a provision that calls for a payment to be made under this Section 7.03, it will not be a defense to the obligation of either the Company or Parent to pay hereunder that this Agreement could have been terminated under a different provision or could have been terminated at an earlier or later time.

SUPPORT AGREEMENT

This SUPPORT AGREEMENT, dated as of February [●], 2022 (this “Agreement”), is made and entered into by and between Zip Co Limited, an Australian public company limited by shares, (“Parent”), and the undersigned stockholder (the “Stockholder”) of Sezzle Inc., a Delaware public benefit corporation (the “Company”). Parent and the Stockholder are referred to individually as a “Party” and collectively as the “Parties.”

WITNESSETH

WHEREAS, concurrently with the execution and delivery of this Agreement, Parent, the Company and Miyagi Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Parent (“Merger Sub”), are entering into an Agreement and Plan of Merger, dated as of February [●], 2022 (as amended, supplemented or otherwise modified from time to time, the “Merger Agreement”), pursuant to which, on the terms and subject to the conditions set forth therein, and in accordance with the DGCL, Merger Sub will merge with and into the Company, with the Company surviving as a wholly-owned subsidiary of Parent (the “Merger”), and pursuant to the Merger Agreement, each share of the Company’s common stock, \$0.00001 par value per share (including each share of the Company’s common stock in respect of which a CHES Depositary Instrument has been issued) (the “Company Shares”), outstanding at the Effective Time will be converted into the right to receive the applicable Merger Consideration as set forth in the Merger Agreement, except that (i) each Parent Excluded Share will be cancelled and retired and shall cease to exist, and no consideration will be delivered in exchange therefor and (ii) each Subsidiary Excluded Share shall be converted into such number of shares of common stock of the Surviving Corporation such that the ownership percentage of any such Subsidiary in the Surviving Corporation immediately following the Effective Time, shall equal the ownership percentage of such Subsidiary in the Company immediately prior to the Effective Time;

WHEREAS, as of the date hereof, the Stockholder Beneficially Owns (as defined below) and owns of record the number of Company Shares set forth opposite the Stockholder’s name on Schedule I hereto (the “Existing Shares”); and

WHEREAS, as a material inducement to Parent and Merger Sub’s willingness to enter into the Merger Agreement, the Stockholder has agreed to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the representations, warranties, covenants and agreements contained herein, and intending to be legally bound hereby, the Parties agree as follows:

ARTICLE I

DEFINITIONS

Section 1.1 Defined Terms. The following terms, as used in this Agreement, shall have the meanings specified in this Section 1.1. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Merger Agreement.

“Beneficial Owner” means, with respect to a security, any Person who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, (i) has or shares the power to vote, or to direct the voting of, such security or (ii) is the “beneficial owner” (within the meaning of Rule 13d-3 under the Exchange Act) of such security; provided that, for purposes of determining whether a Person is a Beneficial Owner of such security, a Person shall be deemed to be the Beneficial Owner of any securities which may be acquired by such Person pursuant to any contract, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise. The terms “Beneficially Own,” “Beneficially Owned” and “Beneficial Ownership” shall have a correlative meaning. For the avoidance of doubt, Parent shall not be deemed to be the Beneficial Owner of the Covered Company Shares by virtue of this Agreement.

“Covered Company Shares” means, with respect to the Stockholder, (1) the Existing Shares, and (2) any Company Shares or other voting capital stock of the Company and any securities convertible into or exercisable or exchangeable for Common Shares or other voting capital stock of the Company, in each case that the Stockholder has Beneficial Ownership of on or after the date hereof; it being understood that if the Stockholder acquires securities (or rights with respect thereto) described in clause (2) above, the Stockholder shall promptly notify Parent in writing, indicating the number of such securities so acquired.

“Permitted Transfer” means a Transfer of Covered Company Shares by the Stockholder to (i) any affiliate of the Stockholder or (ii) if the Stockholder is a natural person, (A) a spouse, lineal descendant or antecedent, brother or sister, adopted child or grandchild or the spouse of any child, adopted child, grandchild or adopted grandchild of the Stockholder, (B) any trust, the trustees of which include only the Persons named in clause (A) and the beneficiaries of which include only the Persons named in clause (A), (C) any corporation, limited liability company or partnership, the stockholders, members or general or limited partners of which include only the Persons named in clauses (A) and (B) or (D) any Person by will, for estate or tax planning purposes; provided that, in any such case, a Transfer referred to in this sentence shall be permitted only if the transferee of such Covered Company Shares evidences in a writing reasonably satisfactory to Parent such transferee’s eligibility to receive Parent Ordinary Shares and Parent ADRs under the Merger Agreement and agreement to be bound by and subject to the terms and provisions hereof to the same extent as such transferring Stockholder, and upon such transfer to be deemed a Stockholder hereunder.

“Transfer” means any direct or indirect offer, sale, lease, assignment, encumbrance, pledge, hypothecation, grant of an option with respect to, disposition or other transfer (by operation of law or otherwise) or entry into any contract or other agreement with respect to any of the foregoing, of any shares of Company Shares or interest (including voting interest) in any shares of Company Shares to any Person other than Parent.

ARTICLE II

VOTING AGREEMENT AND IRREVOCABLE PROXY

Section 2.1 Agreement to Vote.

(a) The Stockholder hereby irrevocably and unconditionally agrees that, during the term of this Agreement, at the Company Stockholders' Meeting and at any other meeting of the Company Stockholders, however called, including any adjournment or postponement thereof, and in connection with any written consent of the Company Stockholders (the date of the taking of any such action being an applicable "Determination Date"), the Stockholder shall, in each case to the fullest extent that the Covered Company Shares are entitled to vote thereon or consent thereto, or in any other circumstance in which the vote, consent or other approval of the Company Stockholders is sought:

(i) appear at each such meeting or otherwise cause the Stockholder's Covered Company Shares to be counted as present thereat for purposes of establishing a quorum; and

(ii) vote (or cause to be voted), in person or by proxy, or if applicable deliver (or cause to be delivered) a written consent covering, all of the Stockholder's Covered Company Shares:

(1) in favor of the approval of the Merger and the adoption of the Merger Agreement and otherwise in favor of the Company Stockholder Approval;

(2) if (i) the Company has not received proxies representing the Company Stockholder Approval, whether or not a quorum is present, (ii) there are insufficient Company Shares represented (either in person or by proxy) and voting to approve the Merger and the Contemplated Transactions to constitute a quorum necessary to conduct the business of the Company Stockholders' Meeting, or (iii) it is necessary to ensure that any supplement or amendment to the Registration Statement is delivered to the Company Stockholders, in favor of any proposal to adjourn a meeting of the Company Stockholders to solicit additional proxies in favor of the approval of the Contemplated Transactions, including the Merger and the adoption of the Merger Agreement;

(3) against any Acquisition Proposal with respect to the Company; and

(4) against any other action, agreement or transaction that is intended to, or would reasonably be expected to, impede, interfere with, delay, postpone, discourage, frustrate the purposes of or adversely affect the Contemplated Transactions, including the Merger or the other transactions contemplated by this Agreement or the performance by the Company of its obligations under the Merger Agreement or any other documents contemplated by the Merger Agreement or by the Stockholder of its obligations under this Agreement.

(b) The Stockholder shall cast or execute any vote required to be cast or consent required to be executed pursuant to this Section 2.1, in accordance with the applicable

procedures relating thereto so as to ensure that it is duly counted for purposes of determining that quorum is present and for purposes of recording the result of that vote or consent.

Section 2.2 No Inconsistent Agreements. The Stockholder represents, covenants and agrees that, except for this Agreement, the Stockholder (a) has not entered into, and shall not enter into at any time prior to the Termination Date, any voting agreement, voting trust or similar arrangement or understanding with respect to any Covered Company Shares, (b) has not granted, and shall not grant at any time prior to the Termination Date, a proxy (except in accordance with Section 2.3 hereof), consent or power of attorney with respect to any Covered Company Shares and (c) has not taken, and shall not take at any time while this Agreement remains in effect, any action that would (1) make any representation or warranty of the Stockholder contained herein untrue or incorrect, (2) violate or conflict with the Stockholder's covenants and obligations under this Agreement or (3) otherwise have the effect of restricting, preventing or disabling the Stockholder from performing any of its obligations under this Agreement.

Section 2.3 Grant of Irrevocable Proxy. The Stockholder hereby irrevocably appoints as its proxy and attorney-in-fact Parent, and any other Person designated by Parent in writing (collectively, the "Grantees"), each of them individually, with full power of substitution and resubstitution, effective as of the date hereof and continuing until the Termination Date (the "Voting Period"), to vote (or execute written consents, if applicable) with respect to the Covered Company Shares as required pursuant to Section 2.1(a) and Section 2.1(b) hereof. The proxy granted by the Stockholder hereunder shall be irrevocable during the Voting Period, shall be deemed to be coupled with an interest sufficient in Law to support an irrevocable proxy, and the Stockholder (a) will take such further action or execute such other instruments as may be necessary to effectuate the intent of this proxy and (b) hereby revokes any proxy previously granted by the Stockholder with respect to any Covered Company Shares. The power of attorney granted by the Stockholder hereunder is a durable power of attorney and shall survive the bankruptcy or dissolution of the Stockholder. For Covered Company Shares as to which the Stockholder is the Beneficial Owner but not the holder of record, the Stockholder shall use reasonable best efforts to cause any holder of record of such Covered Company Shares to grant to the Grantees a proxy to the same effect as that described in this Section 2.3. The proxy granted by the Stockholder shall not be exercised to vote, consent or act on any matter except as contemplated by Section 2.1 and Section 2.3 of this Agreement. The proxy granted by the Stockholder shall be revoked, terminated and of no further force or effect, automatically and without further action, upon the valid termination of this Agreement in accordance with Section 5.1.

ARTICLE III

OTHER COVENANTS

Section 3.1 Restrictions on Transfer. The Stockholder hereby agrees that, from and after the date hereof until the Termination Date, the Stockholder shall not, without the prior written consent of Parent, directly or indirectly, offer to Transfer, Transfer, or consent to a Transfer of, any Covered Company Shares, unless the Transfer is a Permitted Transfer. Any Transfer in violation of this Section 3.1 shall be void.

Section 3.2 No Solicitation.

(a) The Stockholder shall not, and shall cause each of its affiliates and its and their Representatives or any other Person acting on its or their behalf not to, directly or indirectly, (i) initiate, seek or solicit, or knowingly encourage or facilitate or take any other action that is reasonably expected to promote, directly or indirectly, any inquiring or the making or submission of any proposal that constitutes, or could reasonably be expected to lead to, any Acquisition Proposal or IPO; (ii) engage or participate in discussions or negotiations with respect to, or could reasonably be expected to lead to, any Acquisition Proposal or IPO; (iii) provide any confidential, proprietary or nonpublic information or data of the Company or its Subsidiaries to any Person (other than Parent, its affiliates and its and its affiliates' respective Representatives, in their capacity as such) in respect of any Acquisition Proposal or IPO (including to facilitate any Acquisition Proposal or IPO) or (iv) enter into any agreement, arrangement, undertaking, instrument or understanding (including any letter of intent, memorandum of understanding, agreement in principle, merger agreement, share purchase agreement, exchange agreement, acquisition agreement or other similar agreement) with respect to any Acquisition Proposal or IPO.

Section 3.3 Litigation. The Stockholder hereby agrees not to commence, join in, facilitate, assist or encourage, and agrees to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against Parent, Merger Sub, the Company or any of their respective Representatives or successors or permitted assigns (a) challenging the validity or enforceability of, or seeking to enjoin the operation of, any provision of this Agreement, the Merger Agreement or any other document relating to the Contemplated Transactions or the Parent Share Issuance, (b) seeking to enjoin the Closing or (c) alleging a breach of any fiduciary duty of any Person in connection with the evaluation, negotiation or entry into the Merger Agreement, this Agreement or the consummation of the Contemplated Transactions.

Section 3.4 Stock Dividends, Distributions, Etc. In the event of a stock split, reverse stock split, stock dividend or distribution, or any change in the Company Shares by reason of any recapitalization, combination, reclassification, exchange of shares or similar transaction, the terms "Existing Shares" and "Covered Company Shares" shall be deemed to refer to and include all such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

Section 6.6 Counterparts. This Agreement may be executed in multiple counterparts (including counterparts delivered by electronic transmission), each of which will be deemed an original and all of which will constitute one and the same instrument.

Section 6.7 Entire Agreement; Third Party Beneficiaries. This Agreement (and the schedule hereto, (and, to the extent referred to in this Agreement, the Merger Agreement, together with all schedules and exhibits thereto) constitutes the entire agreement among the Parties hereto and supersedes all other prior agreements and understandings, both written and oral, among or between any of the Parties hereto with respect to the subject matter hereof. Parent and the Stockholder agree that (a) the representations, warranties and covenants set forth herein are solely for the benefit of the other Party, in accordance with and subject to the terms of this Agreement and (b) this Agreement is not intended to, and does not, confer upon any Person other than the Parties any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein.

Section 6.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement, and the Parties shall amend or otherwise modify this Agreement to replace any prohibited or invalid provision with an effective and valid provision that gives effect to the intent of the Parties to the maximum extent permitted by applicable Law.

Section 6.9 Assignment. This Agreement will be binding upon, and will be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the other Party, and any attempted assignment of this Agreement or any of such rights, interests or obligations without such consent will be void and of no effect; provided, further that Parent may assign this Agreement to any of its Affiliates without the prior written consent of the Stockholder.

Section 6.10 Interpretation. The interpretation provisions of Section 8.12 of the Merger Agreement shall apply, *mutatis mutandis*, to this Agreement.

Section 6.11 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby, will be governed by, and construed in accordance with, the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws thereof.

Section 6.12 Enforcement; Exclusive Jurisdiction. Each of the Parties hereby (i) expressly and irrevocably submits to the exclusive personal jurisdiction of the Court of Chancery of the State of Delaware or if such Court of Chancery lacks subject matter jurisdiction, the United States Court for the District of Delaware in the event any dispute arises out of this Agreement or the Contemplated Transactions, (ii) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, and

(iii) agrees that it shall not bring any action relating to this Agreement or the Contemplated Transactions in any court other than the Court of Chancery of the State of Delaware or if such Court of Chancery lacks subject matter jurisdiction, the United States District Court for the District of Delaware; provided, that, each of the Parties has the right to bring any action or proceeding for enforcement of a judgment entered by such court in any other court or jurisdiction.

Section 6.13 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO KNOWINGLY, VOLUNTARILY, UNCONDITIONALLY AND IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING DIRECTLY OR INDIRECTLY TO THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS.

Section 6.14 Capacity as a Stockholder. The Stockholder makes the agreements and understandings herein solely in its capacities as record holder and Beneficial Owner of the Covered Company Shares and, notwithstanding anything to the contrary herein, nothing herein shall limit or affect any actions taken by the Stockholder solely in his or her capacity as a director or officer of the Company.

Section 6.15 Specific Performance. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that any party hereto does not perform the provisions of this Agreement (including failing to take such actions as are required of it hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. Accordingly, the Parties acknowledge and agree that, prior to any termination of this Agreement in accordance with Section 5.1, the Parties shall be entitled to seek an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties agrees that it will not oppose the seeking of the granting of an injunction, specific performance and other equitable relief on the basis that any other party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

This Agreement (and the schedule hereto, (and, to the extent referred to in this Agreement, the Merger Agreement, together with all schedules and exhibits thereto) constitutes the entire agreement among the Parties hereto and supersedes all other prior agreements and understandings, both written and oral, among or between any of the Parties hereto with respect to the subject matter hereof. The Company and the Stockholder agree that (a) the representations, warranties and covenants set forth herein are solely for the benefit of the other Party, in accordance with and subject to the terms of this Agreement and (b) this Agreement is not intended to, and does not, confer upon any Person other than the Parties any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein.

Section 6.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement, and the Parties shall amend or otherwise modify this Agreement to replace any prohibited or invalid provision with an effective and valid provision that gives effect to the intent of the Parties to the maximum extent permitted by applicable Law.

Section 6.9 Assignment. This Agreement will be binding upon, and will be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the

other Party, and any attempted assignment of this Agreement or any of such rights, interests or obligations without such consent will be void and of no effect; provided, further that the Company may assign this Agreement to any of its Affiliates without the prior written consent of the Stockholder.

Section 6.10 Interpretation. The interpretation provisions of Section 8.12 of the Merger Agreement shall apply, *mutatis mutandis*, to this Agreement.

Section 6.11 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby, will be governed by, and construed in accordance with, the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws thereof.

Section 6.12 Enforcement; Exclusive Jurisdiction. Each of the Parties hereby (i) expressly and irrevocably submits to the exclusive personal jurisdiction of the Court of Chancery of the State of Delaware or if such Court of Chancery lacks subject matter jurisdiction, the United States Court for the District of Delaware in the event any dispute arises out of this Agreement or the Contemplated Transactions, (ii) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, and (iii) agrees that it shall not bring any action relating to this Agreement or the Contemplated Transactions in any court other than the Court of Chancery of the State of Delaware or if such Court of Chancery lacks subject matter jurisdiction, the United States District Court for the District of Delaware; provided, that, each of the Parties has the right to bring any action or proceeding for enforcement of a judgment entered by such court in any other court or jurisdiction.

Section 6.14 Capacity as a Stockholder. The Stockholder makes the agreements and understandings herein solely in its capacities as record holder and Beneficial Owner of the Covered Parent Ordinary Shares and, notwithstanding anything to the contrary herein, nothing herein shall limit or affect any actions taken by the Stockholder solely in his or her capacity as a director or officer of Parent.

Section 6.15 Specific Performance. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that any party hereto does not perform the provisions of this Agreement (including failing to take such actions as are required of it hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. Accordingly, the Parties acknowledge and agree that, prior to any termination of this Agreement in accordance with Section 5.1, the Parties shall be entitled to seek an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties

For personal use only

agrees that it will not oppose the seeking of the granting of an injunction, specific performance and other equitable relief on the basis that any other party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

FIFTH RESTATED
CERTIFICATE OF INCORPORATION
OF
SEZZLE INC.

FIRST: The name of the Corporation is Sezzle Inc. (hereinafter the “Corporation”).

SECOND: The address of the registered office of the Corporation in the State of Delaware is 1209 Orange Street, Wilmington, County of New Castle, 19801. The name of its registered agent at that address is The Corporation Trust Company.

THIRD: The purpose of the Corporation is to engage in any lawful act or activity for which a corporation may be organized under the General Corporation Law of the State of Delaware as set forth in Title 8 of the Delaware Code (the “DGCL”).

FOURTH: The total number of shares of stock which the Corporation shall have authority to issue is one thousand (1,000) shares of Common Stock, each having a par value of one cent (\$0.01).

FIFTH: The following provisions are inserted for the management of the business and the conduct of the affairs of the Corporation, and for further definition, limitation and regulation of the powers of the Corporation and of its directors and stockholders:

- (1) The business and affairs of the Corporation shall be managed by or under the direction of the board of directors of the Corporation (the “Board of Directors”).
- (2) The directors shall have concurrent power with the stockholders to make, alter, amend, change, add to or repeal the By-Laws of the Corporation.
- (3) The number of directors of the Corporation shall be as from time to time fixed by, or in the manner provided in, the By-Laws of the Corporation. Election of directors need not be by written ballot unless the By-Laws so provide.

(4) In addition to the powers and authority hereinbefore or by statute expressly conferred upon them, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL, this Certificate of Incorporation, and any By-Laws adopted by the stockholders; provided, however, that no By-Laws hereafter adopted by the stockholders shall invalidate any prior act of the directors which would have been valid if such By-Laws had not been adopted.

SIXTH: Meetings of stockholders may be held within or without the State of Delaware, as the By-Laws may provide. The books of the Corporation may be kept (subject to any provision contained in the DGCL) outside the State of Delaware at such place or places as may be designated from time to time by the Board of Directors or in the By-Laws of the Corporation.

SEVENTH: The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon stockholders herein are granted subject to this reservation.

EIGHTH: To the fullest extent permitted by law, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. If the DGCL or any other law of the State of Delaware is amended after approval by the stockholders of this Article EIGHTH to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended. Any repeal or modification of the foregoing provisions of this Article EIGHTH by the stockholders of the Corporation shall not adversely affect any right or protection of a director of the Corporation existing at the time of, or increase the liability of any director of the Corporation with respect to any acts or omissions of such director occurring prior to, such repeal or modification. Any disinterested failure to satisfy Section 365 of the DGCL shall not, for the purposes of Sections 102(b)(7) or 145 of the DGCL, constitute an act or omission not in good faith, or a breach of the duty of loyalty.

NINTH: The following indemnification provisions shall apply to the persons enumerated below.

(1) Right to Indemnification of Directors and Officers. The Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (an "Indemnified Person") who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding"), by reason of the fact that such person, or a person for whom such person is the legal representative, is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, limited liability company, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such Indemnified Person in such Proceeding. Notwithstanding the preceding sentence, except as otherwise provided in Section 3 of this Article NINTH the Corporation shall be required to indemnify an Indemnified Person in connection with a Proceeding (or part thereof) commenced by such Indemnified Person only if the commencement of such Proceeding (or part thereof) by the Indemnified Person was authorized in advance by the Board of Directors.

(2) Prepayment of Expenses of Directors and Officers. The Corporation shall pay the expenses (including attorneys' fees) incurred by an Indemnified Person in defending any Proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the Proceeding shall be made only upon receipt of an undertaking by the Indemnified Person to repay all amounts advanced if it should be ultimately determined that the Indemnified Person is not entitled to be indemnified under this Article NINTH or otherwise.

(3) Claims by Directors and Officers. If a claim for indemnification or advancement of expenses under this Article NINTH is not paid in full within thirty (30) days after a written claim therefor by the Indemnified Person has been received by the Corporation, the Indemnified Person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim. In any such action the Corporation shall have the burden of proving that the Indemnified

Person is not entitled to the requested indemnification or advancement of expenses under applicable law.

(4) Indemnification of Employees and Agents. The Corporation may indemnify and advance expenses to any person who was or is made or is threatened to be made or is otherwise involved in any Proceeding by reason of the fact that such person, or a person for whom such person is the legal representative, is or was an employee or agent of the Corporation or, while an employee or agent of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, limited liability company, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such person in connection with such Proceeding. The ultimate determination of entitlement to indemnification of persons who are non-director or officer employees or agents shall be made in such manner as is determined by the Board of Directors in its sole discretion. Notwithstanding the foregoing sentence, the Corporation shall not be required to indemnify a person in connection with a Proceeding initiated by such person if the Proceeding was not authorized in advance by the Board of Directors.

(5) Advancement of Expenses of Employees and Agents. The Corporation may pay the expenses (including attorneys' fees) incurred by an employee or agent in defending any Proceeding in advance of its final disposition on such terms and conditions as may be determined by the Board of Directors.

(6) Non-Exclusivity of Rights. The rights conferred on any person by this Article NINTH shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of this Certificate of Incorporation, the By-Laws of the Corporation, or any agreement, or pursuant to any vote of stockholders or disinterested directors or otherwise.

(7) Other Indemnification. The Corporation's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer or employee of another corporation, partnership, limited liability company, joint venture, trust, organization or other enterprise shall be reduced by any amount such person may collect as

indemnification from such other corporation, partnership, limited liability company, joint venture, trust, organization or other enterprise.

(8) Insurance. The Board of Directors may, to the full extent permitted by applicable law as it presently exists, or may hereafter be amended from time to time, authorize an appropriate officer or officers to purchase and maintain at the Corporation's expense insurance (a) to indemnify the Corporation for any obligation which it incurs as a result of the indemnification of directors, officers and employees under the provisions of this Article NINTH and (b) to indemnify or insure directors, officers and employees against liability in instances in which they may not otherwise be indemnified by the Corporation under the provisions of this Article NINTH.

(9) Amendment or Repeal. Any repeal or modification of the foregoing provisions of this Article NINTH shall not adversely affect any right or protection hereunder of any person in respect of any act or omission occurring prior to the time of such repeal or modification. The rights provided hereunder shall inure to the benefit of any Indemnified Person and such person's heirs, executors and administrators.

(hereinafter called the “Corporation”)

ARTICLE I

OFFICES

Section 1.1 Registered Office. The registered office of the Corporation shall be 1209 Orange Street, in the City of Wilmington, County of New Castle, State of Delaware, 19801.

Section 1.2 Other Offices. The Corporation may also have offices at such other places, both within and without the State of Delaware, as the Board of Directors may from time to time determine.

ARTICLE II

MEETINGS OF STOCKHOLDERS

Section 2.1 Place of Meetings. Meetings of the stockholders for the election of directors or for any other purpose shall be held at such time and place, either within or without the State of Delaware, as shall be designated from time to time by the Board of Directors. The Board of Directors may, in its sole discretion, determine that a meeting of the stockholders shall not be held at any place, but may instead be held solely by means of remote communication in the manner authorized by Section 211 of the General Corporation Law of the State of Delaware (the “DGCL”).

Section 2.2 Annual Meetings. The Annual Meeting of Stockholders for the election of directors shall be held on such date and at such time as shall be designated from time to time by the Board of Directors. Any other proper business may be transacted at the Annual Meeting of Stockholders.

Section 2.3 Special Meetings. Unless otherwise required by law or by the certificate of incorporation of the Corporation, as amended and restated from time to time (the "Certificate of Incorporation"), Special Meetings of Stockholders, for any purpose or purposes, may be called by either (i) the Chairman, if there be one, or (ii) the President, (iii) any Vice President, if there be one, (iv) the Secretary or (v) any Assistant Secretary, if there be one, and shall be called by any such officer at the request in writing of (i) the Board of Directors, (ii) a committee of the Board of Directors that has been duly designated by the Board of Directors and whose powers and authority include the power to call such meetings or (iii) stockholders owning a majority of the capital stock of the Corporation issued and outstanding and entitled to vote. Such request shall state the purpose or purposes of the proposed meeting. At a Special Meeting of Stockholders, only such business shall be conducted as shall be specified in the notice of meeting (or any supplement thereto).

Section 2.4 Notice. Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting, shall be given which shall state the place, if any, date and hour of the meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining the stockholders entitled to vote at such meeting, if such date is different from the record date for determining stockholders entitled to notice of such meeting and, in the case of a Special Meeting, the purpose or purposes for which the meeting is called.

Unless otherwise required by law, written notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting as of the record date for determining stockholders entitled to notice of such meeting.

Section 2.5 Adjournments and Postponements. Any meeting of the stockholders may be adjourned or postponed from time to time by the chairman of such meeting or by the Board of Directors, without the need for approval thereof by stockholders to reconvene or convene, respectively, at the same or some other place. Notice need not be given of any such adjourned or postponed meeting if the time and place, if any, thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned or postponed meeting are announced at the meeting at which the adjournment is taken or, with respect to a postponed meeting, are publicly announced. At the adjourned or postponed meeting, the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment or postponement is for more than thirty (30) days, notice of the adjourned or postponed meeting in accordance with the requirements of Section 4 of this Article II shall be given to each stockholder of record entitled to vote at the meeting. If, after the adjournment or postponement, a new record date for stockholders entitled to vote is fixed for the adjourned or postponed meeting, the Board of Directors shall fix a new record date for notice of such adjourned or postponed meeting in accordance with Section 11 of this Article II, and shall give notice of the adjourned or postponed meeting to each stockholder of record entitled to vote at such adjourned or postponed meeting as of the record date fixed for notice of such adjourned or postponed meeting.

Section 2.6 Quorum. Unless otherwise required by the DGCL or other applicable law or the Certificate of Incorporation, the holders of a majority of the Corporation's capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business. A quorum, once established, shall not be broken by the withdrawal of enough votes to leave less than a quorum. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, in the manner provided in Section 5 of this Article II, until a quorum shall be present or represented.

Section 2.7 Voting. Unless otherwise required by law, the Certificate of Incorporation or these Bylaws, or permitted by the rules and regulations of any securities exchange or quotation system on which the securities of the Corporation are listed or quoted for trading, any question brought before any meeting of the stockholders, other than the election of directors, shall be decided by the vote of the holders of a majority of the total number of votes of the Corporation's capital stock present at the meeting in person or represented by proxy and entitled to vote on such question, voting as a single class. Unless otherwise provided in the Certificate of Incorporation, and subject to Section 11(a) of this Article II, each stockholder represented at a meeting of the stockholders shall be entitled to cast one (1) vote for each share of the capital stock entitled to vote thereat held by such stockholder. Such votes may be cast in person or by proxy as provided in Section 8 of this Article II. The Board of Directors, in its discretion, or the chairman of a meeting of the stockholders, in his or her discretion, may require that any votes cast at such meeting shall be cast by written ballot.

Section 2.8 Proxies. Each stockholder entitled to vote at a meeting of the stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder as proxy, but no such proxy shall be voted upon after three years from its date, unless such proxy provides for a longer period. Without limiting the manner in which a stockholder may authorize another person or persons to act for such stockholder as proxy, the following shall constitute a valid means by which a stockholder may grant such authority:

(i) A stockholder may execute a document authorizing another person or persons to act for such stockholder as proxy. Execution may be accomplished in the manner permitted by the DGCL by the stockholder or such stockholder's authorized officer, director, employee or agent.

(ii) A stockholder may authorize another person or persons to act for such stockholder as proxy by transmitting or authorizing the transmission of an electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission, provided that any such transmission must either set forth or be submitted with information from which it can be determined that the transmission was authorized by the stockholder. If it is determined that such transmissions are valid, the inspectors or, if there are no inspectors, such other persons making that determination shall specify the information on which they relied.

Any copy, facsimile telecommunication or other reliable reproduction of the document (including any electronic transmission) authorizing another person or persons to act as proxy for

a stockholder may be substituted or used in lieu of the original document for any and all purposes for which the original document could be used; provided, however, that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original document.

Section 2.9 Consent of Stockholders in Lieu of Meeting. Unless otherwise provided in the Certificate of Incorporation, any action required or permitted to be taken at any Annual or Special Meeting of Stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be executed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of the stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. No written consent shall be effective to take the corporate action referred to therein unless written consents signed by a sufficient number of holders to take action are delivered to the Corporation in the manner required by this Section 9 within sixty (60) days of the first date on which a written consent is so delivered to the Corporation. Any person executing a consent may provide, whether through instruction to an agent or otherwise, that such a consent will be effective at a future time (including a time determined upon the happening of an event), no later than sixty (60) days after such instruction is given or such provision is made, if evidence of such instruction or provision is provided to the Corporation. Unless otherwise provided, any such consent shall be

For personal use only

revocable prior to its becoming effective. An electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxy holder, or by a person or persons authorized to act for a stockholder or proxy holder, shall be deemed to be written and signed for the purposes of this Section 9, provided that any such electronic transmission sets forth or is delivered with information from which the Corporation can determine (i) that the electronic transmission was transmitted by the stockholder or proxy holder or by a person or persons authorized to act for the stockholder or proxy holder and (ii) the date on which such stockholder or proxy holder or authorized person or persons transmitted such electronic transmission.

A consent given by electronic transmission shall be deemed delivered to the Corporation upon the earliest of: (i) when the consent enters an information processing system, if any, designated by the Corporation for receiving consents, so long as the electronic transmission is in a form capable of being processed by that system and the Corporation is able to retrieve that electronic transmission; (ii) when a paper reproduction of the consent is delivered to the Corporation's principal place of business or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of the stockholders are recorded; (iii) when a paper reproduction of the consent is delivered to the Corporation's registered office by hand or by certified or registered mail, return receipt requested; or (iv) when delivered in such other manner, if any, provided by resolution of the Board of Directors. Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who,

if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for notice of such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to the Corporation as provided above in this Section 2.9.

Section 2.10 List of Stockholders Entitled to Vote. The Corporation shall prepare, at least ten (10) days before every meeting of the stockholders, a complete list of the stockholders entitled to vote at the meeting; provided, however, if the record date for determining the stockholders entitled to vote is less than ten (10) days before the meeting date, the list shall reflect the stockholders entitled to vote as of the tenth (10th) day before the meeting date. Such list shall be arranged in alphabetical order, and show the address of each stockholder and the number of shares registered in the name of each stockholder; provided, that the Corporation shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder for any purpose germane to the meeting for a period of at least ten (10) days prior to the meeting (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (ii) during ordinary business hours, at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then a list of stockholders entitled to vote at the meeting shall be produced and kept at the time and place of the meeting during the whole time thereof and may be examined by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the

whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting.

Section 2.11 Record Date.

(a) In order that the Corporation may determine the stockholders entitled to notice of any meeting of the stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of and to vote at a meeting of the stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of the stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix, as the record date for stockholders entitled to notice of such adjourned meeting, the same or an earlier date as that fixed for determination of stockholders entitled to vote at the adjourned meeting in accordance with the foregoing provisions of this Section 2.11.

(b) In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of the stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by applicable law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 2.12 Stock Ledger. The stock ledger of the Corporation shall be the only evidence as to who are the stockholders entitled to examine the list of stockholders required by Section 2.10 of this Article II or the books and records of the Corporation, or to vote in person or by proxy at any meeting of stockholders. As used herein, the stock ledger of the Corporation shall refer to one (1) or more records administered by or on behalf of the Corporation in which

the names of all of the Corporation's stockholders of record, the address and number of shares registered in the name of each such stockholder, and all issuances and transfer of stock of the Corporation are recorded in accordance with Section 224 of the DGCL.

Section 2.13 Conduct of Meetings. The Board of Directors of the Corporation may adopt by resolution such rules and regulations for the conduct of any meeting of the stockholders as it shall deem appropriate. Meetings of stockholders shall be presided over by the Chairman of the Board of Directors, if there shall be one, or in his or her absence, or there shall not be a Chairman of the Board of Directors or in his or her absence, the President. The Board of Directors shall have the authority to appoint a temporary chairman to serve at any meeting of the stockholders if the Chairman of the Board of Directors or the President is unable to do so for any reason. Except to the extent inconsistent with any rules and regulations adopted by the Board of Directors, the chairman of any meeting of the stockholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the chairman of the meeting, may include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) the determination of when the polls shall open and close for any given matter to be voted on at the meeting; (iii) rules and procedures for maintaining order at the meeting and the safety of those present; (iv) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (v) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (vi) limitations on the time allotted to questions or comments by stockholders.

ARTICLE III

DIRECTORS

Section 3.1 Number and Election of Directors. The Board of Directors shall consist of not less than one nor more than seven members, each of whom shall be a natural person, the exact number of which shall initially be fixed by the Incorporator and thereafter from time to time by the Board of Directors. Except as provided in Section 3.2 of this Article III, directors shall be elected by a plurality of the votes cast at each Annual Meeting of Stockholders and each director so elected shall hold office until the next Annual Meeting of Stockholders and until such director's successor is duly elected and qualified, or until such director's earlier death, resignation or removal. Directors need not be stockholders unless so required by the Certificate of Incorporation.

Section 3.2 Vacancies. Unless otherwise required by law or the Certificate of Incorporation, vacancies on the Board of Directors or any committee thereof resulting from the death, resignation or removal of a director, or from an increase in the number of directors constituting the Board of Directors or such committee or otherwise, may be filled only by a majority of the directors then in office, though less than a quorum, or by a sole remaining director. The directors so chosen shall, in the case of the Board of Directors, hold office until the next annual election and until their successors are duly elected and qualified, or until their earlier death, resignation or removal and, in the case of any committee of the Board of Directors, shall hold office until their successors are duly appointed by the Board of Directors or until their earlier death, resignation or removal.

Section 3.3 Duties and Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors which may exercise all such powers

of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws required to be exercised or done by the stockholders.

Section 3.4 Meetings. The Board of Directors and any committee thereof may hold meetings, both regular and special, either within or without the State of Delaware. Regular meetings of the Board of Directors or any committee thereof may be held without notice at such time and at such place as may from time to time be determined by the Board of Directors or such committee, respectively. Special meetings of the Board of Directors may be called by the Chairman of the Board of Directors, if there be one, the President, or by any director. Special meetings of any committee of the Board of Directors may be called by the chairman of such committee, if there be one, the President, or any director serving on such committee. Notice of any special meeting stating the place, date and hour of the meeting shall be given to each director (or, in the case of a committee, to each member of such committee) not less than twenty-four hours before the date of the meeting, by telephone, or in the form of a writing or electronic transmission, or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

Section 3.5 Organization. At each meeting of the Board of Directors or any committee thereof, the Chairman of the Board of Directors or the chairman of such committee, as the case may be, or, in his or her absence or if there be none, a director chosen by a majority of the directors present, shall act as chairman of such meeting. Except as provided below, the Secretary of the Corporation shall act as secretary at each meeting of the Board of Directors and of each committee thereof. In case the Secretary shall be absent from any meeting of the Board of Directors or of any committee thereof, an Assistant Secretary shall perform the duties of

secretary at such meeting; and in the absence from any such meeting of the Secretary and all the Assistant Secretaries, the chairman of the meeting may appoint any person to act as secretary of the meeting. Notwithstanding the foregoing, the members of each committee of the Board of Directors may appoint any person to act as secretary of any meeting of such committee and the Secretary or any Assistant Secretary of the Corporation may, but need not if such committee so elects, serve in such capacity.

Section 3.6 Resignations and Removals of Directors. Any director of the Corporation may resign from the Board of Directors or any committee thereof at any time, by giving notice in writing or by electronic transmission to the Chairman of the Board of Directors, if there be one, the President or the Secretary of the Corporation and, in the case of a committee, to the chairman of such committee, if there be one. Such resignation shall take effect when delivered or, if such resignation specifies a later effective time or an effective time, determined upon the happening of an event or events, in which case, such resignation takes effect upon such effective time. Unless otherwise specified in such resignation, the acceptance of such resignation shall not be necessary to make it effective. A resignation which is conditioned upon the director failing to receive a specified vote for reelection as a director may provide that it is irrevocable. Except as otherwise required by applicable law and subject to the rights, if any, of the holders of shares of preferred stock then outstanding, any director or the entire Board of Directors may be removed from office at any time, with or without cause, by the affirmative vote of the holders of at least a majority in voting power of the issued and outstanding capital stock of the Corporation entitled to vote in the election of directors. Any director serving on a committee of the Board of Directors may be removed from such committee at any time by the Board of Directors.

Section 3.7 Quorum. Except as otherwise required by law or the Certificate of Incorporation, at all meetings of the Board of Directors or any committee thereof, a majority of the entire Board of Directors or a majority of the directors constituting such committee, as the case may be, shall constitute a quorum for the transaction of business and the vote of a majority of the directors or committee members, as applicable, present at any meeting at which there is a quorum shall be the act of the Board of Directors or such committee, as applicable. If a quorum shall not be present at any meeting of the Board of Directors or any committee thereof, the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting of the time and place of the adjourned meeting, until a quorum shall be present.

Section 3.8 Actions of the Board by Written Consent. Unless otherwise provided in the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all the members of the Board of Directors or such committee, as the case may be, consent thereto in writing or by electronic transmission. Any person, whether or not then a director, may provide, through instruction to an agent or otherwise, that a consent to action will be effective at a future time (including a time determined upon the happening of an event) no later than sixty (60) days after such instruction is given or such provision is made and such consent shall be deemed to have been given at such effective time so long as such person is then a director and did not revoke the consent prior to such time. Any such consent shall be revocable prior to its becoming effective. After an action is taken, the consent or consents relating thereto shall be filed with the minutes of the proceedings of the Board of Directors, or the committee thereof, in the same paper or electronic form as the minutes are maintained.

Section 3.9 Meetings by Means of Conference Telephone. Unless otherwise provided in the Certificate of Incorporation or these Bylaws, members of the Board of Directors of the Corporation, or any committee thereof, may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section 3.9 shall constitute presence in person at such meeting.

Section 3.10 Committees. The Board of Directors may designate one or more committees, each committee to consist of one or more of the directors of the Corporation. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of any such committee. In the absence or disqualification of a member of a committee, and in the absence of a designation by the Board of Directors of an alternate member to replace the absent or disqualified member, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another qualified member of the Board of Directors to act at the meeting in the place of any absent or disqualified member. Any such committee, to the extent permitted by law and provided in the resolution establishing such committee, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it; provided, however, that no such committee shall have the power or authority to (i) approve, adopt, or recommend to the stockholders any action or matter (other than the election or removal of directors) expressly required by the DGCL to be submitted to stockholders for approval, or (ii) adopt, amend, or repeal any of these Bylaws. Each committee shall keep regular minutes and

report to the Board of Directors when required. Notwithstanding anything to the contrary contained in this Article III, the resolution of the Board of Directors establishing any committee of the Board of Directors and/or the charter of any such committee may establish requirements or procedures relating to the governance and/or operation of such committee that are different from, or in addition to, those set forth in these Bylaws and, to the extent that there is any inconsistency between these Bylaws and any such resolution or charter, the terms of such resolution or charter shall be controlling.

Section 3.11 Subcommittees. Unless otherwise provided in the Certificate of Incorporation, these Bylaws, or the resolution of the Board of Directors designating a committee, such committee may create one or more subcommittees, each subcommittee to consist of one or more members of the committee, and delegate to a subcommittee any or all of the powers and authority of the committee. Except for references to committees and members of committees in Section 3.10 of this Article III, every reference in these Bylaws to a committee of the Board of Directors or a member of a committee shall be deemed to include a reference to a subcommittee or member of a subcommittee.

Section 3.12 Compensation. The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary for service as director, payable in cash or securities. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for service as committee members.

Section 3.13 Interested Directors. No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association or other organization in which one or more of its directors or officers are directors or officers or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because any such director's or officer's vote is counted for such purpose if: (i) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (ii) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes such contract or transaction.

ARTICLE IV

OFFICERS

Section 4.1 General. The officers of the Corporation shall be chosen by the Board of Directors and shall be a President, a Secretary and a Treasurer. The Board of Directors, in its discretion, also may choose a Chairman of the Board of Directors (who must be a director) and

one or more Vice Presidents, Assistant Secretaries, Assistant Treasurers and other officers. Any number of offices may be held by the same person, unless otherwise prohibited by law, the Certificate of Incorporation or these Bylaws. The officers of the Corporation need not be stockholders of the Corporation nor, except in the case of the Chairman of the Board of Directors, need such officers be directors of the Corporation.

Section 4.2 Election. The Board of Directors, at its first meeting held after each Annual Meeting of Stockholders (or action by written consent of stockholders in lieu of the Annual Meeting of Stockholders), shall elect the officers of the Corporation who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board of Directors; and each officer of the Corporation shall hold office until such officer's successor is elected and qualified, or until such officer's earlier death, resignation or removal. Any officer elected by the Board of Directors may be removed at any time by the Board of Directors. Any vacancy occurring in any office of the Corporation shall be filled by the Board of Directors. The salaries of all officers of the Corporation shall be fixed by the Board of Directors.

Section 4.3 Voting Securities Owned by the Corporation. Powers of attorney, proxies, waivers of notice of meeting, consents and other instruments relating to securities owned by the Corporation may be executed in the name of and on behalf of the Corporation by the President or any Vice President or any other officer authorized to do so by the Board of Directors and any such officer may, in the name of and on behalf of the Corporation, take all such action as any such officer may deem advisable to vote in person or by proxy at any meeting of security holders of any corporation or other entity in which the Corporation may own securities and at any such meeting shall possess and may exercise any and all rights and power incident to the ownership of

such securities and which, as the owner thereof, the Corporation might have exercised and possessed if present. The Board of Directors may, by resolution, from time to time confer like powers upon any other person or persons.

Section 4.4 Chairman of the Board of Directors. The Chairman of the Board of Directors, if there be one, shall preside at all meetings of the stockholders and of the Board of Directors. The Chairman of the Board of Directors shall be the Chief Executive Officer of the Corporation, unless the Board of Directors designates the President as the Chief Executive Officer, and, except where by law the signature of the President is required, the Chairman of the Board of Directors shall possess the same power as the President to sign all contracts, certificates and other instruments of the Corporation which may be authorized by the Board of Directors. During the absence or disability of the President, the Chairman of the Board of Directors shall exercise all the powers and discharge all the duties of the President. The Chairman of the Board of Directors shall also perform such other duties and may exercise such other powers as may from time to time be assigned by these Bylaws or by the Board of Directors.

Section 4.5 President. The President shall, subject to the oversight and control of the Board of Directors and, if there be one, the Chairman of the Board of Directors, have general supervision of the business of the Corporation and shall see that all orders and resolutions of the Board of Directors are carried into effect. The President shall execute all bonds, mortgages, contracts and other instruments of the Corporation requiring a seal, under the seal of the Corporation, except where required or permitted by law to be otherwise signed and executed and except that the other officers of the Corporation may sign and execute documents when so authorized by these Bylaws, the Board of Directors or the President. In the absence or disability of the Chairman of the Board of Directors, or if there be none, the President shall preside at all

meetings of the stockholders and, if the President is also a director, the Board of Directors. If there be no Chairman of the Board of Directors, or if the Board of Directors shall otherwise designate, the President shall be the Chief Executive Officer of the Corporation. The President shall also perform such other duties and may exercise such other powers as may from time to time be assigned to such officer by these Bylaws or by the Board of Directors.

Section 4.6 Vice Presidents. At the request of the President or in the President's absence or in the event of the President's inability or refusal to act (and if there be no Chairman of the Board of Directors), the Vice President, or the Vice Presidents if there are more than one (in the order designated by the Board of Directors), shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. Each Vice President shall perform such other duties and have such other powers as the Board of Directors from time to time may prescribe. If there be no Chairman of the Board of Directors and no Vice President, the Board of Directors shall designate the officer of the Corporation who, in the absence of the President or in the event of the inability or refusal of the President to act, shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President.

Section 4.7 Secretary. The Secretary shall attend all meetings of the Board of Directors and all meetings of the stockholders and record all the proceedings thereat in a book or books to be kept for that purpose; the Secretary shall also perform like duties for committees of the Board of Directors when required. The Secretary shall give, or cause to be given, notice of all meetings of the stockholders and special meetings of the Board of Directors, and shall perform such other duties as may be prescribed by the Board of Directors, the Chairman of the Board of Directors or the President, under whose supervision the Secretary shall be. If the

Secretary shall be unable or shall refuse to cause to be given notice of all meetings of the stockholders and special meetings of the Board of Directors, and if there be no Assistant Secretary, then either the Board of Directors or the President may choose another officer to cause such notice to be given. The Secretary shall have custody of the seal of the Corporation and the Secretary or any Assistant Secretary, if there be one, shall have authority to affix the same to any instrument requiring it and when so affixed, it may be attested by the signature of the Secretary or by the signature of any such Assistant Secretary. The Board of Directors may give general authority to any other officer to affix the seal of the Corporation and to attest to the affixing by such officer's signature. The Secretary shall see that all books, reports, statements, certificates and other documents and records required by law to be kept or filed are properly kept or filed, as the case may be.

Section 4.8 Treasurer. The Treasurer shall have the custody of the Corporation's funds and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Corporation and shall deposit all moneys and other valuable effects in the name and to the credit of the Corporation in such depositories as may be designated by the Board of Directors. The Treasurer shall disburse the funds of the Corporation as may be ordered by the Board of Directors or the President taking proper vouchers for such disbursements, and shall render to the President and the Board of Directors, at its regular meetings, or when the Board of Directors so requires, an account of all transactions as Treasurer and of the financial condition of the Corporation. If required by the Board of Directors, the Treasurer shall give the Corporation a bond in such sum and with such surety or sureties as shall be satisfactory to the Board of Directors for the faithful performance of the duties of the office of the Treasurer and for the restoration to the Corporation, in case of the Treasurer's death, resignation, retirement or

removal from office, of all books, papers, vouchers, money and other property of whatever kind in the Treasurer's possession or under the Treasurer's control belonging to the Corporation.

Section 4.9 Assistant Secretaries. Assistant Secretaries, if there be any, shall perform such duties and have such powers as from time to time may be assigned to them by the Board of Directors, the President, any Vice President, if there be one, or the Secretary, and in the absence of the Secretary or in the event of the Secretary's inability or refusal to act, shall perform the duties of the Secretary, and when so acting, shall have all the powers of and be subject to all the restrictions upon the Secretary.

Section 4.10 Assistant Treasurers. Assistant Treasurers, if there be any, shall perform such duties and have such powers as from time to time may be assigned to them by the Board of Directors, the President, any Vice President, if there be one, or the Treasurer, and in the absence of the Treasurer or in the event of the Treasurer's inability or refusal to act, shall perform the duties of the Treasurer, and when so acting, shall have all the powers of and be subject to all the restrictions upon the Treasurer. If required by the Board of Directors, an Assistant Treasurer shall give the Corporation a bond in such sum and with such surety or sureties as shall be satisfactory to the Board of Directors for the faithful performance of the duties of the office of Assistant Treasurer and for the restoration to the Corporation, in case of the Assistant Treasurer's death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in the Assistant Treasurer's possession or under the Assistant Treasurer's control belonging to the Corporation.

Section 4.11 Other Officers. Such other officers as the Board of Directors may choose shall perform such duties and have such powers as from time to time may be assigned to them by

the Board of Directors. The Board of Directors may delegate to any other officer of the Corporation the power to choose such other officers and to prescribe their respective duties and powers.

ARTICLE V

STOCK

Section 5.1 **Shares of Stock.** The shares of capital stock of the Corporation shall be represented by a certificate, unless and until the Board of Directors of the Corporation adopts a resolution permitting shares to be uncertificated. Notwithstanding the adoption of any such resolution providing for uncertificated shares, every holder of capital stock of the Corporation theretofore represented by certificates and, upon request, every holder of uncertificated shares, shall be entitled to have a certificate for shares of capital stock of the Corporation signed by, or in the name of, the Corporation by any two authorized officers of the Corporation, certifying the number of shares owned by such stockholder in the Corporation.

Section 5.2 **Signatures.** Any or all of the signatures on a certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

Section 5.3 **Lost Certificates.** The Board of Directors may direct a new certificate or uncertificated shares be issued in place of any certificate theretofore issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such

issuance of a new certificate or uncertificated shares, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate, or such owner's legal representative, to advertise the same in such manner as the Board of Directors shall require and/or to give the Corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate or the issuance of such new certificate or uncertificated shares.

Section 5.4 Transfers. Stock of the Corporation shall be transferable in the manner prescribed by applicable law and in these Bylaws. Transfers of stock shall be made on the books of the Corporation, and in the case of certificated shares of stock, only by the person named in the certificate or by such person's attorney lawfully constituted in writing and upon the surrender of the certificate therefor, properly endorsed for transfer and payment of all necessary transfer taxes; or, in the case of uncertificated shares of stock, upon receipt of proper transfer instructions from the registered holder of the shares or by such person's attorney lawfully constituted in writing, and upon payment of all necessary transfer taxes and compliance with appropriate procedures for transferring shares in uncertificated form; provided, however, that such surrender and endorsement, compliance or payment of taxes shall not be required in any case in which the officers of the Corporation shall determine to waive such requirement. With respect to certificated shares of stock, every certificate exchanged, returned or surrendered to the Corporation shall be marked "Cancelled," with the date of cancellation, by the Secretary or Assistant Secretary of the Corporation or the transfer agent thereof. No transfer of stock shall be valid as against the Corporation for any purpose until it shall have been entered in the stock records of the Corporation by an entry showing from and to whom transferred.

Section 5.5 Dividend Record Date. In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 5.6 Record Owners. The Corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and to hold liable for calls and assessments a person registered on its books as the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise required by law.

Section 5.7 Transfer and Registry Agents. The Corporation may from time to time maintain one or more transfer offices or agencies and registry offices or agencies at such place or places as may be determined from time to time by the Board of Directors.

ARTICLE VI

NOTICES

Section 6.1 Notices. Whenever written notice is required by law, the Certificate of Incorporation or these Bylaws, to be given to any director, member of a committee or

For personal use only

stockholder, such notice may be given in writing directed to such director's, committee member's or stockholder's mailing address (or by electronic transmission directed to such director's, committee member's or stockholder's electronic mail address, as applicable) as it appears on the records of the Corporation and shall be given: (a) if mailed, when the notice is deposited in the United States mail, postage prepaid, (b) if delivered by courier service, the earlier of when the notice is received or left at such director's, committee member's or stockholder's address or (c) if given by electronic mail, when directed to such director's, committee member's or stockholder's electronic mail address unless such director, committee member or stockholder has notified the corporation in writing or by electronic transmission of an objection to receiving notice by electronic mail or such notice is prohibited by the under applicable law, the Certificate of Incorporation or these Bylaws. Without limiting the manner by which notice otherwise may be given effectively to stockholders, but subject to Section 232(e) of the DGCL, any notice to stockholders given by the Corporation under applicable law, the Certificate of Incorporation or these Bylaws shall be effective if given by a form of electronic transmission consented to by the stockholder to whom the notice is given. Any such consent shall be revocable by the stockholder by written notice or electronic transmission to the Corporation. Notice given by electronic transmission, as described above, shall be deemed given: (i) if by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice; (ii) if by a posting on an electronic network, together with separate notice to the stockholder of such specific posting, upon the later of (A) such posting and (B) the giving of such separate notice; and (iii) if by any other form of electronic transmission, when directed to the stockholder. Notwithstanding the foregoing, a notice may not be given by an electronic transmission from and after the time that (i) the Corporation is unable to deliver by

such electronic transmission two consecutive notices given by the Corporation and (ii) such inability becomes known to the Secretary or an Assistant Secretary of the Corporation or to the transfer agent, or other person responsible for the giving of notice, provided, however, the inadvertent failure to discover such inability shall not invalidate any meeting or other action.

Section 6.2 Waivers of Notice. Whenever any notice is required by applicable law, the Certificate of Incorporation or these Bylaws, to be given to any director, member of a committee or stockholder, a waiver thereof in writing, signed by the person or persons entitled to notice, or a waiver by electronic transmission by the person or persons entitled to notice, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting, present in person or represented by proxy, shall constitute a waiver of notice of such meeting, except where the person attends the meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any Annual or Special Meeting of Stockholders or any regular or special meeting of the directors or members of a committee of directors need be specified in any written waiver of notice or any waiver by electronic transmission unless so required by law, the Certificate of Incorporation or these Bylaws.

ARTICLE VII

GENERAL PROVISIONS

Section 7.1 Dividends. Dividends upon the capital stock of the Corporation, subject to the requirements of the DGCL and the provisions of the Certificate of Incorporation, if any, may be declared by the Board of Directors at any regular or special meeting of the Board of Directors (or any action by written consent in lieu thereof in accordance with Section 3.8 of Article III

hereof), and may be paid in cash, in property, or in shares of the Corporation's capital stock. Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board of Directors from time to time, in its absolute discretion, deems proper as a reserve or reserves to meet contingencies, or for purchasing any of the shares of capital stock, warrants, rights, options, bonds, debentures, notes, scrip or other securities or evidences of indebtedness of the Corporation, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for any proper purpose, and the Board of Directors may modify or abolish any such reserve.

Section 7.2 Disbursements. All checks or demands for money and notes of the Corporation shall be signed by such officer or officers or such other person or persons as the Board of Directors may from time to time designate.

Section 7.3 Fiscal Year. The fiscal year of the Corporation shall end on the 30th day of June in each year.

Section 7.4 Corporate Seal. The corporate seal shall have inscribed thereon the name of the Corporation, the year of its organization and the words "Corporate Seal, Delaware". The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

ARTICLE VIII

INDEMNIFICATION

Section 8.1 Indemnification of Directors and Officers. The Corporation shall, to the maximum extent and in the manner permitted by the DGCL, indemnify each of its directors and

officers against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding, arising by reason of the fact that such person is or was an agent of the Corporation. For purposes of this Section 8.1, a "director" or "officer" of the Corporation includes any person (a) who is or was a director or officer of the Corporation, (b) who is or was serving at the request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, or (c) who was a director or officer of a corporation which was a predecessor corporation of the Corporation or of another enterprise at the request of such predecessor corporation.

Section 8.2 Indemnification of Others. The Corporation shall have the power, to the maximum extent and in the manner permitted by the DGCL, to indemnify each of its employees and agents (other than directors and officers) against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding, arising by reason of the fact that such person is or was an agent of the Corporation. For purposes of this Section 2, an "employee" or "agent" of the Corporation (other than a director or officer) includes any person (a) who is or was an employee or agent of the Corporation, (b) who is or was serving at the request of the Corporation as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or (c) who was an employee or agent of a corporation which was a predecessor corporation of the Corporation or of another enterprise at the request of such predecessor corporation.

Section 8.3 Payment of Expenses in Advance. Expenses incurred in defending any action or proceeding for which indemnification is required pursuant to Section 8.1 of this Article VIII or for which indemnification is permitted pursuant to Section 8.2 of this Article VIII following authorization thereof by the Board of Directors shall be paid by the Corporation in

advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of the indemnified party to repay such amount if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that the indemnified party is not entitled to be indemnified as authorized in this Article VIII.

Section 8.4 Indemnity Not Exclusive. The indemnification provided by this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under these Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office, to the extent that such additional rights to indemnification are authorized in the Certificate of Incorporation.

Section 8.5 Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify him or her against such liability under the provisions of the DGCL.

Section 8.6 Conflicts. No indemnification or advance shall be made under this Article VIII, except where such indemnification or advance is mandated by law or the order, judgment or decree of any court of competent jurisdiction, in any circumstance where it appears: (a) that it would be inconsistent with a provision of the Certificate of Incorporation, these Bylaws, a resolution of the stockholders or an agreement in effect at the time of the accrual of the alleged

cause of the action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification or (b) that it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 8.7 Repeal, Amendment or Modification. Any amendment, repeal or modification of this Article VIII shall not adversely affect any right or protection hereunder of any person in respect of any act or omission occurring prior to the time of such repeal or modification.

ARTICLE IX

AMENDMENTS

Section 9.1 Amendments. These Bylaws may be altered, amended or repealed, in whole or in part, or new Bylaws may be adopted by the stockholders or by the Board of Directors; provided, however, that notice of such alteration, amendment, repeal or adoption of new Bylaws be contained in the notice of a meeting of the stockholders (in the event that such action is taken at a meeting) or Board of Directors, as the case may be. All such alterations, amendments, repeals or adoptions of new Bylaws must be approved by either the holders of a majority of the outstanding capital stock entitled to vote thereon or by a majority of the entire Board of Directors then in office. Any amendment to these Bylaws adopted by stockholders which specifies the votes that shall be necessary for the election of directors shall not be further amended or repealed by the Board of Directors.

Section 9.2 Entire Board of Directors. As used in this Article IX and in these Bylaws generally, the term “entire Board of Directors” means the total number of directors which the Corporation would have if there were no vacancies.
