The Audit & Risk Committee (the “Committee”) of the Board of Directors (the “Board”) of Sezzle Inc., a Delaware corporation (the “Company”) shall oversee the Company’s accounting and financial reporting processes and the audits of the Company’s financial statements. The Committee is responsible for:

- (A) Assisting the Board in its oversight of (i) the integrity of the consolidated financial statements of the Company, (ii) the Company’s compliance with legal and regulatory requirements, (iii) the independent auditor’s qualifications and independence, (iv) the performance of the Company’s internal audit function and independent auditors, and (v) the Company’s internal control over financial reporting.

- (C) Preparing the disclosure required by Item 407(d)(3)(i) of Regulation S-K and the report required by the Securities and Exchange Commission (the “SEC”) rules to be included in the Company’s Annual Report on Form 10-K and proxy statement.

The Committee’s role is one of oversight. The Company’s management is responsible for preparing the Company’s financial statements and the independent auditors are responsible for auditing such financial statements. The independent auditor and the internal auditing department are or shall be ultimately accountable to the Committee, in its capacity as a committee of the Board, and to the full Board. While the Committee has the oversight, supervisory and other powers and responsibilities set forth in this Audit & Risk Committee Charter (the “Committee Charter”), it is not the responsibility of the Committee to plan or conduct audits, to implement or to assess the Company’s system of internal controls, or to determine or certify that the Company’s financial statements are complete and accurate or are in compliance with generally accepted accounting principles. These matters and tasks are the responsibility of the Company’s management, internal auditor (or other personnel responsible for the internal audit function) and/or the independent auditor.

Consistent with the Committee’s oversight role, the Committee should encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels. The Committee should also provide for open communication among the independent auditor, financial and senior management, the internal auditing function, and the Board. The Committee shall engage in such activities as are necessary or appropriate (many of which are outlined herein) in order for it to

render an annual report of the Committee that meets any applicable regulatory requirements.

To the fullest extent permissible under applicable law, each member of the Committee is entitled to rely in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Committee by any of the Company's officers, employees, or committees, the independent auditor, the internal auditing department or any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company.

II. COMPOSITION

1. Number. The Committee shall consist of no fewer than three (3) members of the Board, unless extraordinary circumstances require a lesser number of members and as permitted by applicable law.

Members may serve on no more than three (3) separate public company audit committees simultaneously without prior review and determination by the Board that such simultaneous service would not impair the ability of such member to effectively serve on the Committee.
7. Determinations Regarding Membership. The Board will make all determinations regarding satisfaction of the membership requirements described above and will review, at least annually, the Committee's compliance with such requirements.

Written materials, including key performance indicators, measures related to key business and financial risks, shall be received from management, auditors, and others sufficiently in advance of meeting dates to give members of the Committee adequate time to review such materials. Meeting conduct will assume Committee members have reviewed any such written materials in sufficient depth to participate in dialogue with other members of the Committee and the Board regarding the subject matter of such written materials.
8. Independent Advisors; Other Expenses. To the extent deemed necessary by the Committee in carrying out its Committee Charter, the Committee shall have the sole authority to (i) engage, oversee and direct the activities of legal, financial, accounting or other specialists as may be necessary to support its role and responsibilities, (ii) cause the Company to pay the compensation of such advisors, and (iii) cause the Company to pay the independent auditor's compensation (or any other registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company) as well as the ordinary administrative expenses of the Committee.

Section 10A(b) of the Securities Exchange Act of 1934

(b) Required response to audit discoveries

(1) Investigation and report to management

If, in the course of conducting an audit pursuant to this title to which subsection (a) of this section applies, the registered public accounting firm detects or otherwise becomes aware of information indicating that an illegal act (whether or not perceived to have a material effect on the financial statements of the issuer) has or may have occurred, the firm shall, in accordance with generally accepted auditing standards, as may be modified or supplemented from time to time by the Commission:

- (A)
 - (i) determine whether it is likely that an illegal act has occurred; and
 - (ii) if so, determine and consider the possible effect of the illegal act on the financial statements of the issuer, including any contingent monetary effects, such as fines, penalties, and damages; and
- (B) as soon as practicable, inform the appropriate level of the management of the issuer and assure that the audit committee of the issuer, or the board of directors of the issuer in the absence of such a committee, is adequately informed with respect to illegal acts that have been detected or have otherwise come to the attention of such firm in the course of the audit, unless the illegal act is clearly inconsequential.

(2) Response to failure to take remedial action

If, after determining that the audit committee of the board of directors of the issuer, or the board of directors of the issuer in the absence of an audit committee, is adequately informed with respect to illegal acts that have been detected or have otherwise come to the attention of the firm in the course of the audit of such firm, the registered public accounting firm concludes that--

- (A) the illegal act has a material effect on the financial statements of the issuer;
- (B) the senior management has not taken, and the board of directors has not caused senior management to take, timely and appropriate remedial actions with respect to the illegal act; and
- (C) the failure to take remedial action is reasonably expected to warrant departure from a standard report of the auditor, when made, or warrant resignation from the audit engagement;

the registered public accounting firm shall, as soon as practicable, directly report its conclusions to the board of directors.

(3) Notice to Commission; response to failure to notify

An issuer whose board of directors receives a report under paragraph (2) shall inform the Commission by notice not later than 1 business day after the receipt of such report and shall furnish the registered public accounting firm making such report with a copy of the notice furnished to the Commission. If the registered public accounting firm fails to receive a copy of the notice before the expiration of the required 1-business-day period, the registered public accounting firm shall--

- (A) resign from the engagement; or
- (B) furnish to the Commission a copy of its report (or the documentation of any oral report given) not later than 1 business day following such failure to receive notice.

(4) Report after resignation

If a registered public accounting firm resigns from an engagement under paragraph (3)(A), the firm shall, not later than 1 business day following the failure by the issuer to notify the Commission under paragraph (3), furnish to the Commission a copy of the report of the firm (or the documentation of any oral report given).
