THE WHITE HOUSE,  
*Washington, September 8, 2014.*

Hon. JOHN A. BOEHNER,  
*Speaker of the House of Representatives,*  
*Washington, DC.*

DEAR MR. SPEAKER: As I reported on August 8 and 17 and on September 1, 2014, U.S. Armed Forces have conducted targeted airstrikes in Iraq for the limited purposes of stopping the advance on Erbil by the terrorist group Islamic State of Iraq and the Levant (ISIL), supporting civilians trapped on Mount Sinjar, supporting operations by Iraqi forces to recapture the Mosul Dam, and supporting an operation to deliver humanitarian assistance to civilians in the town of Amirli, Iraq.

On September 6, 2014, pursuant to my authorization, U.S. Armed Forces commenced targeted airstrikes in the vicinity of the Haditha Dam in support of Iraqi forces in their efforts to retain control of and defend this critical infrastructure site from ISIL. These additional military operations will be limited in their scope and duration as necessary to address this threat and prevent endangerment of U.S. personnel and facilities and large numbers of Iraqi civilians.

I have directed these actions, which are in the national security and foreign policy interests of the United States, pursuant to my constitutional authority to conduct U.S. foreign relations and as Commander in Chief and Chief Executive. These actions are being undertaken in coordination with and at the request of the Iraqi government.

I am providing this report as part of my efforts to keep the Congress fully informed, consistent with the War Powers Resolution (Public Law 93-148). I appreciate the support of the Congress in this action.

Sincerely,

BARACK OBAMA.
