What our designers say	This fabric has a weighted structure and striking character. It is very easy to care for and hard-wearing. The dual coloured yarns set this fashionable fabric apart from others.	A minimalist and modern material that is well suited to contemporary design. The surface has slight sheen which gives the fabric a notable elegance.	Excellent alternative to conventional wool with the same feel, breathability and coziness.	Excellent alternative to conventional leather with the same feel, protection and comfort.	Classic upholstery fabric with a beautiful soft touch. This natural, refined fabric fits into almost every home. Modern, minimalist and timeless.	This modern fabric is a real eye-catcher. Velvet has a unmistakable character, which is characterised by multifaceted colour changes from every perspective.	Classic upholstery fabric with an unmistakable feel. Warm and comfortable and at the same time robust. Its natural feeling is enhanced by a light roughness.	This characteristic two-tone design offers a wide range of possibilities in contrast-rich and luminous colours or in calm combinations. Very modern fabric.	Extra soft leather. It has a natural aging process and therefore requires a little more care.	Suede style with a distinctive changeable soft surface, which makes it appear warm. The leather comes from the buffalo, very noble.	Classic, high-quality leather
