8-10 MAY

CONFERENCE
& HACKATHON

ABOUT

ETH PRAGUE 2026

ETHPrague conference & hackathon

is an intimate, purpose-driven event, converging top founders, developers, researchers, L2/ZK teams, and crypto-native investors.

5th edition

Hosted in Prague's **Municipal House**, the city Art Nouveau gem, we're bringing Ethereum at the center of culture and history.

Part of Prague Fintech's Week

connecting with prominent TradFi institutions, Fintechs and policy makers gathering during numerous side events.

HACKATHON

The hackathon will happen concurrent to the conference, in the same venue.

We'll host **500 selected hackers**, including winners from major hackathons, ensuring quality over quantity.

Sponsors of all tiers can post custom bounties, or contribute to the awards.
