IAA Relocates and Expands its St. Louis East Branch

New Facility Doubles Inventory Capacity

WESTCHESTER, IL – October 19, 2020 – IAA, Inc. (NYSE: IAA), a leading global digital marketplace connecting vehicle buyers and sellers, announces the relocation and expansion of its St. Louis East branch to Caseyville, Illinois. This new location, approximately twelve miles from St. Louis, Missouri, updates the branch facilities and supports IAA’s growth in this expanding market. The new site accommodates the increased capacity needs of the company’s customers.

“IAA is pleased to further serve our growing client needs in the St. Louis metro area,” said Tim O’Day, President of U.S. Operations. “We continue to strategically invest in our facilities to provide an industry leading experience for buying and selling vehicles. The relocated and expanded St. Louis East branch doubles our inventory capacity to further support our growing clients’ needs in the Midwest.”

The new branch features a covered Vehicle Inspection Center (VIC) building and dedicated offices for insurance clients, in addition to covered motorcycle storage and indoor high line storage. The site also offers a paved load-out, drive aisles and drop-off/check-in areas. An expanded lobby and conference rooms provide space for meetings and training.

Conveniently accessible from State Highway 157, near Route 64, the new branch is located at 2436 Old Country Inn Drive, Caseyville, Illinois, 62232. A listing of preview days and sales days at the branch available at www.iaai.com.

Forward-Looking Statements

Certain statements contained in this release include “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. In particular, statements made that are not historical facts may be forward-looking statements and can be identified by words such as “should,” “may,” “will,” “anticipates,” “expects,” “intends,” “plans,” “believes,” “seeks,” “estimates,” and similar expressions. In this release, such forward-looking statements include statements regarding the expected timing and associated benefits with respect to the expansion of the St. Louis East branch on our business and plans regarding our growth strategies and margin expansion plan, and to our customers and company generally. Such statements are based on management’s current expectations, are not guarantees of future performance and are subject to risks and uncertainties that could cause actual results to differ materially from the results projected, expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to: uncertainties regarding the duration and severity of the COVID-19 pandemic and measures intended to reduce its spread; the loss of one or more significant vehicle seller customers or a reduction in significant volume from such sellers; our ability to meet or exceed customers’ demand and expectations; significant current competition and the introduction of new competitors or other disruptive entrants in our industry; the risk that our facilities lack the capacity to accept additional vehicles and our ability to obtain land or renew/enter into new leases at commercially reasonable rates; our ability to effectively maintain or update information and technology systems; our ability to implement and maintain measures to protect against cyberattacks and comply with applicable privacy and data security requirements; our ability to successfully implement our business strategies or realize expected cost savings and revenue enhancements, including from our margin expansion program; business development activities, including acquisitions and integration of acquired businesses; our expansion into markets outside the U.S. and the operational, competitive and regulatory risks facing our non-U.S. based operations; our reliance on subhaulers and trucking fleet operations; changes in used-vehicle

prices and the volume of damaged and total loss vehicles we purchase; economic conditions, including fuel prices, commodity prices, foreign exchange rates and interest rate fluctuations; trends in new- and used-vehicle sales and incentives; and other risks and uncertainties identified in our filings with the Securities and Exchange Commission (the "SEC"), including under Item 1A "Risk Factors" in our Annual Report on Form 10-K for the year ended December 29, 2019 filed with the SEC on March 18, 2020 and in our Quarterly Report on Form 10-Q for the quarter ended March 29, 2020 filed with the SEC on May 6, 2020, as such risk factors may be amended, supplemented or superseded from time to time by other reports we file with the SEC, including subsequent Quarterly Reports on Form 10-Q and Annual Reports on Form 10-K. Many of these risk factors are outside of our control, and as such, they involve risks which are not currently known that could cause actual results to differ materially from those discussed or implied herein. The forward-looking statements included in this release are made as of the date hereof, and we undertake no obligation to publicly update or revise any forward-looking statement to reflect new information or events, except as required by law.
