

ANNOUNCEMENT

IAA Marks New Des Moines Facility with Grand Opening Event

On Wednesday, May 15, IAA celebrated the grand opening of its Des Moines facility, located in De Soto, Iowa with the mayor and several local officials. The new location is a relocation of the company's previous branch and includes over 60 acres of vehicle capacity.

"With the increasing volume of vehicle units from our clients in the Midwest, this relocation and expansion will help us continue to offer our best in class customer service and auction experience to our clients," commented John Kett, CEO and president of IAA. "This new facility will offer a dedicated loading area, as well as greater inventory and vehicle inspection space for our clients."

The auction is located at 1000 Armstrong Drive, De Soto, IA. Vehicle preview is Monday, from 8:00 a.m. to 4:30 p.m. and auctions held weekly on Tuesday's beginning at 9:00 a.m. The auction is open to the public. Interested buyers can register at IAA-Auctions.com.
