AUCTION SCHEDULE CONSISTENCY

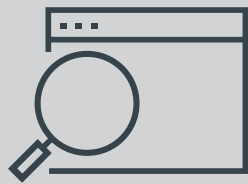

In order to help buyers better plan their day, the majority of IAA branches will now start their auctions at 9:30 a.m. local time.

Previews will be held one business day prior to the auction, from noon-4:00 p.m. local time, and again one hour before the auction begins.

IAA REC RIDES™ & SPECIALTY SEARCH

Thanks to new enhancements, it's never been easier to find Rec Rides and Specialty inventory on IAAI.com!

[LEARN MORE](#)

DID YOU KNOW?

We know that the only way to continue providing the best possible service is by listening. In June, our trusted partner, InMoment, will begin sending you surveys from IAAFeedback@inmomentfeedback.com – your input makes all the difference.

BRANCH UPDATES

Exciting things are happening at IAA branches across the country. Here's what you need to know.

- [IAA Wilmington](#) is moving to weekly auctions, starting **June 4**.
- [IAA Houston South](#)'s first auction is on **June 7 at 9:30 a.m. CT!**
- [IAA Reno](#)'s weekly auctions will change from Wednesdays to Fridays, starting **June 7**.

WHAT'S THE BUZZ

Every vehicle has a story. We were thrilled to be a part of this one. Click the link below to see how IAA reunited a family with the vehicle that means so much to them.
