YOUR SOURCE FOR IAA NEWS

We've created this newsletter to keep you better informed about what's new at IAA. You'll find important updates and details on how we're making your experience with us even better!

IAA TIMED AUCTIONS™

Bid on fresh inventory before it heads to the live auction! Timed Auctions is a new platform that can make automatic, incremental bids on new units for you until the clock runs out.

[LEARN MORE](#)

IAA REC RIDES™

Occurring on Mondays and Wednesdays, this online-only auction is dedicated exclusively to powersport vehicles!

• Motorcycles • Snowmobiles • ATVs • Jet skis • And more!

[LEARN MORE](#)

IAA TRANSPORT™

Your time is valuable, which is why we've made the transportation process easier. Introducing IAA Transport: a convenient, cost-effective delivery solution for vehicles purchased through IAA.

DASHBOARD UPDATES

Instead of having to email or fax certain documents to IAA, you can now upload or digitally sign them through your Dashboard on My Auction Center. The below options are now available, with more to come in the future.

- Upload Business Licenses or Tax Documents directly to your account profile online!
- Digitally sign Multijurisdictional Resale Certificates (MRC) or Texas Foreign Buyer Forms with DocuSign.
