

CALIFORNIA ELECTRONIC LIEN RELEASE PROGRAM

IAA is currently the only auto marketplace registered as an **ELT Service** provider in California. Start decreasing your processing time today!

HOW TO UTILIZE:

IAA has created an easy-to-use cover letter containing the information we need to receive a title electronically. If you choose to use your own document, here's what must be included:

- Use the Z02 transaction in the ELT system to transfer the title to IAA
- Code: **FUF**
- Name: **INSURANCE AUTO AUCTIONS**
- Address: **11535 DOUGLAS RD RNCHO CORDOVA, CA 95742**
(Note the "A" is missing in RNCHO – this is NOT an error and needs to be spelled this way)

You do NOT need to register as an ELT participant to take advantage of this in California.
