

FOR IMMEDIATE RELEASE

IAA Relocates and Expands its Baton Rouge Branch

WESTCHESTER, IL – January 22, 2020 – IAA, Inc. (NYSE: IAA), a leading global marketplace connecting vehicle buyers and sellers, announces the relocation of its Baton Rouge, Louisiana, branch. This new location increases the branch's capacity by approximately 60 percent, supporting IAA's growth in this expanding market.

"This relocation of our Baton Rouge facility brings additional capacity to the Gulf of Mexico region, an area where catastrophic weather events occur regularly," said John Kett, Chief Executive Officer and President of IAA. "We will continue to invest in the resources our customers need in this growing region."

The new branch is located at 5978 Hwy 75, Carville, Louisiana 70721. A listing of preview days and sales days at the branch can be found at www.iaai.com.

About IAA

IAA, Inc. (NYSE: IAA) is a leading global marketplace connecting vehicle buyers and sellers. Leveraging leading-edge technology and focusing on innovation, IAA's unique multi-channel platform processes approximately 2.5 million total-loss, damaged and low-value vehicles annually. Headquartered near Chicago in Westchester, Illinois, IAA has over 3,600 talented employees and more than 200 facilities throughout the U.S., Canada and the United Kingdom. IAA serves a global buyer base located throughout more than 130 countries and a full spectrum of sellers, including insurers, dealerships, fleet lease and rental car companies, and charitable organizations. IAA offers sellers a comprehensive suite of services aimed at maximizing vehicle value, reducing administrative costs, shortening selling cycle time and delivering the highest economic returns. Buyers have access to industry leading, innovative vehicle evaluation and digital bidding tools, enhancing the overall purchasing experience.

Forward-Looking Statements

Certain statements contained in this release include "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. In particular, statements made

that are not historical facts may be forward-looking statements and can be identified by words such as "should," "may," "will," "anticipates," "expects," "intends," "plans," "believes," "seeks," "estimates," and similar expressions. In this release, such forward-looking statements include statements regarding the expected benefits the relocation will provide to the IAA Baton Rouge branch and our customers. Such statements are based on management's current expectations, are not guarantees of future performance and are subject to risks and uncertainties that could cause actual results to differ materially from the results projected, expressed or implied by these forward-looking statements. These risks and uncertainties include: the loss of one or more significant customers; our ability to meet or exceed customers' expectations, as well as develop and implement information systems responsive to customer needs; significant current competition and the introduction of new competitors; the risk that our facilities lack the capacity to accept additional vehicles and our ability to obtain land or renew/enter into new leases at commercially reasonable rates; our ability to effectively maintain or update information and technology systems and to implement and maintain measures to protect against cyberattacks; our ability to successfully implement our business strategies or realize expected cost savings and revenue enhancements; business development activities, including acquisitions and integration of acquired businesses; fluctuations in consumer demand for and in the supply of damaged and total loss vehicles and the resulting impact on auction sales volumes; competitive pricing pressures; the ability of consumers to lease or finance the purchase of new and/or used vehicles; changes in the market value of vehicles auctioned, including changes in the actual cash value of damaged and total loss vehicles; economic conditions, including fuel prices, commodity prices, foreign exchange rates and interest rate fluctuations; trends in new- and used-vehicle sales and incentives; and other risks and uncertainties identified in our filings with the Securities and Exchange Commission (the "SEC"), including under "Risk Factors" in our information statement filed as Exhibit 99.1 to our Registration Statement on Form 10 filed with the SEC on June 13, 2019. Additional information regarding risks and uncertainties will also be contained in subsequent quarterly and annual reports we file with the SEC. The forward-looking statements included in this release are made as of the date hereof, and we undertake no obligation to publicly update or revise any forwardlooking statement to reflect new information or events, except as required by law.
