### DONATED VEHICLE FACTS/TIPS

1. Fun fact: Donated cars help save 50 football fields worth of landfill space every year!
2. It's for keeping your old car's recyclable metals out of landfills. It's for reducing your carbon footprint. Your car donation can be for environmental wins.
3. Yes, even your clunker has value! Besides the opportunity to reuse parts and save the recyclable metals, you'll also be doing some good for the world.
4. One car donation contributes to recycling steel that saves the industry energy and powers homes. Donate today!
5. When you donate a car, you prevent it from uselessly sitting in a landfill.
6. Psst—did you know that a car donation is tax deductible? Do a great deed, and catch a little break of your own.
7. At least 84% of every vehicle is recyclable, which means even an older car is valuable to our non-profit in need of support.
8. Two words: Free pickup. It makes donating your car a breeze! Start the process today by visiting our website.
9. While it may not seem valuable to you, every car (even the ones past their prime) has components that can be sold for cash. Donate one today to help out our non-profit organization.
10. Donating your car is effortless when you don't need to worry about logistics. We send a tow truck to your location to pick it up for free.
11. Tired of car repairs draining your wallet? Save money and donate it to charity. It's easy, and your donation may be tax-deductible.
12. Donating a vehicle requires no physical contact so you can feel safe donating.
