Any modifications to these terms and conditions must be in writing and signed by Buyer. “Purchase Order” is the printed instruction stating our full requirements, which will quote a unique Purchase Order Number which must be quoted on all correspondence. References to (i) “Products” include items and related services specifically provided for in the Purchase Agreement (as defined below) purchased by Buyer from Supplier; (ii) “Services” means services specifically set out in the Purchase Agreement performed by Supplier.

(b) Supplier shall provide in a timely manner written confirmation to Buyer that Supplier either accepts or rejects the Purchase Order sent by Buyer. Any amendment to the Purchase Order made by Supplier shall be accepted by Buyer only in writing. Any Purchase Order accepted by Supplier will become, together with the BMI GTCs, a legally binding Purchase Agreement. (c) The Supplier personnel shall at no time be deemed to be employed or otherwise engaged by Buyer. (d) Buyer may assign any Purchase Agreement to any legal entities which are part of the group of companies that it belongs to. In case of subcontracting, Supplier will remain liable for all acts or omission of its subcontractors.

2. PRICING; PAYMENT. (a) Unless otherwise provided elsewhere in the Purchase Agreement, prices are: (i) stated in Euros; (ii) not subject to increase for the duration of the Purchase Agreement; (iii) DDP (INCOTERMS 2020) at a facility specified by Buyer; and (iv) inclusive of all charges (incl. insurance). No extra charges of any kind, including, but not limited to, surcharges, will be allowed unless first specifically agreed to by Buyer in writing. (b) Unless otherwise provided elsewhere in the Purchase Agreement, payment will be net 60 days from the later of the date of Buyer’s receipt of (i) an undisputed invoice; or (ii) conforming products as applicable. Invoice date must not precede shipping date. (b) Unless otherwise provided elsewhere in the Purchase Agreement, title and risk in the Products or Services shall pass directly to the Buyer from Supplier, immediately upon delivery. Supplier shall have no rights of retention of title, and Supplier will convey good title to the Products, free of any liens or encumbrances. (c) Supplier will be solely responsible for all demurrage charges resulting from Supplier’s actions or inactions in delivering Products as specified herein.

The warranty period for repaired Products or Services will be extended to account for the time lapsed until the repair was completed. If Supplier does not replace, repair or re-perform, as applicable, within a reasonable time after notice of such nonconformance, Buyer may do so at Supplier’s expense. (f) Any rights or remedies of Buyer set forth in the Purchase Agreement are not exclusive and Buyer also has all rights and remedies available under applicable law.

Supplier will notify Buyer, in writing, specifying the actual termination charges within thirty (30) days after termination. If termination is due to a failure of completion of delivery or breach of any material term of the Purchase Agreement, no termination charges will apply and Buyer may procure substitute products or services and Supplier will be liable to Buyer for all costs incurred by Buyer as a result of such failure or breach. (b) Prior to shipment or completion, Buyer may request changes with respect to the Products or Services to be provided, including, but not limited to, changes in method of shipping or packing, time or place of delivery and increases in delivered quantity.
