

# Globeville, Elyria and Swansea Neighborhoods

A look at an underserved community with deep roots in Denver

Focus Points Family Resource Center's main service area encompasses Globeville, Elyria and Swansea (GES). These neighborhoods are home to multigenerational homeowners and renters, mostly of Latin American descent. Some are recent immigrants, and some have been home owners for generations.

41%

of adults over age 25 have attained less than a high school education

of adults are not English-speaking

24%

42%

of children are living in poverty

of children have restricted access to healthy food

86%

45%

percentage of childcare spots available for children in the area

Since 1995, Focus Points has been serving and advocating for families in the Greater Denver Area. Our mission is to build better communities by strengthening families.
