REST ASSURED. MINI SHORTFALL INSURANCE IS HERE TO HELP.

MINI Shortfall Insurance. Explained:

You paid £24,000 for your MINI but it gets written off following an accident. Your insurance company values your vehicle at £18,000, leaving you with a potential gap of £6,000. Should this happen, MINI Shortfall Insurance will cover the difference between what you paid for your MINI and your insurance company's pay out. However should your finance settlement figure leave you with a gap greater than £6,000, MINI Shortfall Insurance would cover up to the higher amount, ensuring that you are not left out of pocket.

Policy conditions:

- The insurance cover will be capped at a maximum amount. Therefore the amount paid out under the MINI Shortfall Insurance might be lower than the gap between the motor insurance settlement and either the amount you paid for the insured vehicle or the early finance settlement balance
- Cover only applicable if a claim under the motor insurance policy is paid
- Cover for finance agreements does not include Contract Hire

MINI CONTRACT HIRE SHORTFALL INSURANCE.

ENSURING YOU'RE NOT OUT OF POCKET IF YOUR MINI IS WRITTEN OFF OR STOLEN.

MINI CONTRACT HIRE SHORTFALL INSURANCE IS HERE TO HELP.

MINI Contract Hire Shortfall Insurance. Explained:

The MINI Contract Hire Shortfall policy covers you following the total write off of your vehicle. Any motor insurance pay out will be calculated on its current market value potentially leaving an outstanding balance payable under your contract hire or lease agreement. If there is an outstanding balance MINI Contract Hire Shortfall will provide cover for the early termination charges at the time of loss on the contract hire/lease hire agreement, and will also pay up to £1,500 for advance rentals or lease deposit paid under the contract hire or lease hire agreement.

Policy conditions:

- If there is any amount still owing on the contract hire agreement after your claim has been settled, it is your responsibility to ensure that settlement of this amount is made
- Cover only applicable if a claim under the motor insurance policy is paid
- The insurance cover will be capped at a maximum amount. Therefore the amount paid out under the MINI Contract Hire Shortfall Insurance might be lower than the early termination charges at the time of loss on the contract hire/lease hire agreement
