

THE NEW MINI CLUBMAN UNTOLD EDITION.

SOPHISTICATION WITH AN EDGE.

Distinguished, energetic and charming, the new MINI Clubman Untold Edition delivers an understated functional style that is perfect for any adventure. Famous for its split rear doors and functional size, this special edition retains the elegant Clubman exterior design and embraces all-new unique Untold Edition details. Available for the MINI Clubman, you can choose to specify the new Untold Edition with either a get-up-and-go Cooper petrol engine or you can take things up a gear with a Cooper S petrol engine.

Attention to detail has always been the MINI way and the new MINI Clubman Untold Edition is no exception to this, featuring a host of distinctive design elements for both the exterior and interior. Sage Green metallic exterior paint is complemented by subtle centre bonnet and roof stripes in matt effect, crafted especially for this special edition. Instantly eye-catching, the Refined Brass front grille creates an impression of the new MINI Clubman Edition that is hard to shake. Whilst the headlights and rear light rings, MINI logos and door handles in Piano Black lend a contrasting look and seal its charming expression. These colours can also be seen in the 18" Untold Spoke alloy wheels in two-tone, completing the assertive look of the new MINI Clubman Untold Edition. Stylish elements, including the bespoke Untold logo on the Walknappa steering wheel add an effortlessly edgy look to the interior. Further premium touches including Sport seats upholstered in Sage Green MINI Yours Lounge leather featuring Untold Edition badging and the edition specific Illuminated trim provide unmistakable style.

Exuding confidence, the new MINI Clubman Untold Edition is destined to make an impression wherever it goes. So, what are you waiting for?
