You are required to inform Grover of any changes in Your data without delay. Shipment and handover of the Merchandise:

4.4 For orders via the Grover app or the Website:

If the Rental Item is ordered via the Grover app or the Website, the Rental Item will be shipped only after You have paid the first monthly rent. For as long as the condition of the first payment has not been fulfilled, We shall have the right to withhold the Rental Item. No fee for use shall be payable for the period between the shipment of the Rental Item and the delivery to the Customer (in this regard, see Section 5). The obligation for the payment of the rent shall begin to apply only upon the delivery of the Rental Item to the Customer.

4.4.2 For orders through the agency activity by a Distribution Partner:

If the Rental Item is ordered through the agency of a Distribution Partner, the Distribution Partner shall transfer the Rental Item to the Customer on site upon the signing of the contract and payment of the first monthly rent. Handovers to businesses are made exclusively to the Authorised Representative. The rental subject to payment shall begin upon the handover of the Rental Item.

5. Start of the rental, term and termination of the contract

5.1 Start of the rental and term of the contract

The rental term shall begin on the delivery of the Rental Item to the Customer, hereinafter referred to as "Delivery." The Delivery will be made by shipment and handover by us or a Distribution Partner or a parcel service contracted by us or by the Distribution Partner. The term of the contract depends on Your choice when You place the order. Unless a deviating provision is agreed in the specific case, the contract will be valid for an indefinite period.

5.2 Ordinary termination

The Parties have the right to terminate (in Dutch: opzeggen) the contract with a notice period of four weeks toward the end of each contract month, without a statement of reasons but at the earliest, if a minimum term is agreed, toward the end of the agreed minimum term of the contract.

5.3 Extraordinary termination

The right of extraordinary termination (in Dutch: opzegging) for good cause without notice remains unaffected. Grover shall have a right of extraordinary termination, in particular if

- the Customer is in arrears with the payment of the use fees on two consecutive due dates;
- the Customer is late with the payment of the use fee, even though the Customer has already been warned or reminded for repeated delays in payment;
- the Customer transfers the Rental Item to third parties without permission;
- the Customer violates our rights by putting the Rental Item into significant harm's way by neglecting the duties of care incumbent on it or due to inadequate maintenance or improper use; or
- the Customer dies.

If several Rental Agreements exist between Us and the Customer and if We have a right of extraordinary termination with regard to one of the Rental Agreements, We can also terminate the other Rental Agreements extraordinarily without notice if the continuation of the additional Rental Agreements cannot be reasonably expected from Us due to the Customer's conduct being grossly contrary to good faith. This is the case, in particular if the Customer

- intentionally damages a Rental Item;
- fraudulently conceals or attempts to fraudulently conceal a damage caused on a Rental Item from Grover;
- intentionally damages Grover; or
- uses a Rental Item in the course of or for the purpose of intentionally committing criminal offences.

5.4 Notice of termination

You can terminate the contract (toward the next possible termination date) by giving notice (i) in text form or (ii) online in the customer portal by clicking on the respective button.

5.5 Return of the Rental Item

You are obligated to return the Rental Item to Grover, including all equipment directly upon the end of the contract. You shall return the Rental Item in the condition it was in when You received it – apart from the normal signs of use – in particular, You shall remove the password protection, linking of the Rental Item to a personal account or other lock that prevents or hinders the use of the Rental Item by third parties.

If You ship the Rental Item without the equipment included in the rental or the Rental Item incompletely, You shall be required to return the missing equipment and missing components upon our request within one week from the request. Should You not have returned the missing equipment or missing component within one week, in spite of a request from Grover, We shall have discretion to charge the residual value of the missing equipment or missing component, which shall be calculated based on the current market value.

Should You return the Rental Item with password protection, link of the Rental Item to a personal account or other lock that prevents or hinders the use of the Merchandise by third parties, We reserve the right to have the Rental Item unlocked at Your cost. In that case, You will be obligated to pay a flat fee of €49. If You can prove that unlocking costs were lower than the flat fee, the lower amount shall be paid.

If You return the Rental Item in undamaged and complete condition, and if Grover confirms that it is in the same category of condition as at the time of shipment to the

Customer, You can receive benefits in the form of discounts and other vouchers. You will receive separate information from us about this. However, You have no right to receive such benefits.

5.6 Continuation of the contract in case of continued use

If You continue the use of the Rental Item after the end of the contract, the rental will be extended for one further month, respectively, unless Grover objects thereto. Article 7:230 DCC does not apply.

5.7 Data backup

On the return of the Rental Items, Grover will delete all data stored on the Rental Items without a possibility of restoring this data. You must therefore back up the data stored on the Rental Items before You return them.

6. Right to withdraw

6.1 Entitlement

If the Customer is a consumer and if he/she has rented the Rental Item via the Grover app or the Website, he or she has a right to withdraw his/her statement of intent. No right to withdraw is at the disposal of Customers, who are businesses, and Customers, who are consumers and have rented the Rental Item through the agency of a Distribution Partner.

6.2 Instruction on the right to withdraw

6.2.1 Right to withdraw

Insofar as You have a right to withdraw (in Dutch: herroepingsrecht) , You have the right to withdraw this contract within fourteen days without a statement of reasons.

The withdrawal period is fourteen days from the day on which you or a third party other than the carrier and indicated by you acquire(s) physical possession of the last good.

To exercise Your right of withdrawal , You have to inform us by means of a clear statement (**e.g. a letter sent by post, fax or email**) about Your decision to withdraw this contract at this address or email:

Grover Nederland B.V.

Apollolaan 151,

1077AR Amsterdam

Email: help@grover.com

To observe the withdrawal period, it is sufficient if You mail the notification of the exercise of the right to withdraw before expiration of the withdrawal period. **Please note that the address is intended only for your revocation notice. The return of the rental will be made to the address mentioned in 6.2.2.**

6.2.2 Consequences of withdrawal

If You withdraw from this contract, We shall refund all payments to You that We have received from You, including the delivery costs (except for the additional costs incurred because You have chosen a different delivery type than the one offered by Us, which is the most efficient standard deliver), without delay and at the latest within fourteen days from the day on which the notification of Your withdrawal from this contract was received by Us. We will use the same payment instrument for this refund, as the one that You have used in the original transaction, unless explicitly agreed otherwise with You. You will never be charged any fees for this repayment. We can refuse to refund the payment until We have received the return of the products or until You have provided prove that You have returned the products, whichever is the earlier date.

You shall return the Rental Item to us by shipment or handover in person without delay, whereas in any case, at the latest within fourteen days from the day on which You informed us of the withdrawal, to the following

Return address:

INGRAM MICRO SERVICES

c/o Ohi Solutions GmbH

Tor 11 - 12

Lise-Meitner-Str. 23

24941 Flensburg

Germany

The period will be deemed observed if You ship the Rental Item before expiration of the fourteen-day period.

You shall bear the direct costs for the return shipment of the Rental Item. Returning the rental item to the wrong address may result in delay of repayment.

7. Terms of Delivery

If You have rented the Rental Item via the Grover app or the Website (Section 4.2.1), the following Terms of Delivery apply:

The Rental Item shall be delivered to the shipping address You have given. Grover has a right to make part deliveries within reasonable limits. Any additional costs incurred for this shall be borne by Us. If Grover should discover during the processing of the order that the Rental Item ordered by You is not in stock, in spite of a most careful check of the inventory and for reasons outside of Grover's responsibility, You will be informed of this by email and no contract will be effected. If Grover has previously accepted Your offer to conclude a contract by sending the Contract Confirmation, We shall be entitled to withdraw from the contract. Any payments made will be refunded immediately. The

delivery periods indicated in the context of the Offer Description are approximate indications. They therefore apply only as agreed approximate values. If the indicated delivery date is exceeded by more than four weeks, each of the Parties shall have the right to withdraw from the contract. If Grover has no fault for lasting delivery problems, in particular in cases of force majeure (e.g. pandemics like COVID-19) or a lack of supply from its own suppliers, although a corresponding covering transaction has been exercised on time, We shall have the right to withdraw from the contract with You to the same extent. You will be informed of this without delay and any received consideration, in particular payments, shall be refunded immediately. Your legal rights remain unaffected for the rest.

8. Use fees, shipment costs

Grover charges fees for the use of the Rental Item. The amount of the use fees results from the Offer Description. The total rental price is calculated from the following components: use fee per month times the number of months in the term of the contract. All rental prices are understood as end prices and include the statutory value added tax. Besides the end prices, further costs depending on the shipment type will be incurred, which will be shown before the order is shipped.

Grover has the right to change the use fees for the period after the end of the minimum contract term. Grover will inform You of the change at the latest six weeks before the change takes effect. If You do not agree with the change, You can cancel the contract up to two weeks before the price change takes effect. If no notice of the termination is given, Your agreement to the price change will be assumed. Grover will inform separately of the possibility of termination and the observation of the deadline.

9. Terms of payment

9.1 Payment option

The payment will be settled by Grover. Exclusively the following options for payment are available to You: payment service providers (e.g. PayPal), credit card, VISA debit card, under certain circumstances SEPA direct debit and, with explicit agreement, bank transfer. If a payment service provider is used, it will enable Grover and You to settle the payment with each other. For this purpose, the payment service provider will forward Your payment to Grover. You will receive information about this on the Website of the respective payment service provider. For payment by credit card, the Customer must be the rightful card holder. The final charge to the credit card will be made on confirmation of the request for the rental. The credit institution, BIC and IBAN of the Customer's bank account will be required for a SEPA direct debit procedure. By selecting the SEPA direct debit procedure, You permit Grover to debit payments from Your bank account by direct debit mandate. At the same time, You instruct Your credit institution to cash the direct debits charged by Grover against Your bank account. Your bank account will be charged after completion of the order. Under the terms agreed with Your credit institution, You can also request the refund of the debited amount within eight weeks after the debit date. You can view Your SEPA direct debit mandate in Your Customer account at www.grover.com and revoke it in accordance with Article 7:530 DCC.

9.2 Use fees

The use fees shall be paid in advance by the Customer.

The use fees shall be paid by the Customer, regardless of the actual use of the Rental Item and they will not be refunded if the Customer returns the Rental Item to Grover

already before the end of the contract term or if the Customer does not use it for other reasons. No right for partial refund or crediting applies.

If a contract has a minimum term, (i) the first payment of the use fee shall be made on the conclusion of the Rental Agreement and before the shipment or handover of the Merchandise (in this regard, see Section 4.4), and (ii) all further payments shall be made as of the second month of use, i.e. one month after the delivery date, respectively (e.g.: for an order on 1 March and delivery on 10 March, the 1st payment will be due on 1 March and the 2nd payment on 10 April, the 3rd payment on 10 May, etc.)

9.3 Default

If the Customer defaults on payment, Grover shall be entitled to charge default interest in the amount of 8 percentage points above the ECB base interest rate, unless the Customer is a consumer. In that case, the default interest will be 2 percentage points above the base interest rate. Grover reserves the right to prove a higher damage.

9.4 Prohibition of set-off and right of withholding

Customers may only set-off claims that are uncontested by Grover or claims against Grover that have been established as final and absolute against Grover's payment claim. The Customer may exercise a right of withholding only if its counterclaim is based on the same contractual relationship.

10. Customer's responsibility

You receive the Rental Item exclusively for use over a certain period. You must not modify it. A repair of a defect in accordance with the provisions of Article 7:217 DCC or wear and

tear of the Rental Item in the course of the use in accordance with the contract in the definition of Article 7:224 paragraph 2 DCC is not deemed a modification of the Rental Item. The Customer shall not be entitled to a refund of expenses for modifications it has made pursuant to Article 7:206 paragraph 2 DCC. Grover is entitled to restore the original condition at the Customer's cost upon the expiration of the contract. This shall not apply if the original condition can only be restored at disproportionately high cost; in that case, the claims of Grover for damage compensation shall remain unaffected.

11. Damages and loss of the Rental Item

11.1 Damages

Only careful use as intended is permitted, so as to minimise the damages that are to be expected. In the event of any damage or other deterioration of the Rental Item during the rental term, the Customer is obligated to inform Grover immediately in writing of all details of the incident that has led to the damage or other deterioration of the Rental Item.

11.2 Liability of the Customer/Grover Care

If the Customer is liable, pursuant to circumstances which may be attributed to the Customer, on the merits to Grover for damages, its liability per damage event – unless agreed otherwise – shall be reduced in amount to 50% of the occurred damage. In deviation from the previous paragraph, the Customer's liability shall be reduced to 10% (Grover Care) of the occurred damage in the damage events listed below:

- Display broken
- Water damages
- Strong signs of wear and tear

If one of the damage events listed above occurs, the Customer will be obligated to inform Grover in writing without delay of all details of the incident having led to the damage of the Rental Item and return the Merchandise to Us upon our request.

The aforementioned reduction of the liability to 10% can be granted to You only once within a contract period of 6 months.

The aforementioned reduction of the Customer's liability (to 10%) shall not apply to drone e-scooter, and e-bike rentals.

The aforementioned reduction of the Customer's liability (to 50% or 10%) shall not apply in the following damage events:

- Cases in which the device is no longer present: robbery, burglary, simple theft, leaving behind, forgetting, misplacing, etc.
- Intentional damages

The reduction of liability shall not apply in case the Rental Item is lost. In that case, the Customer shall pay the repurchase value of the Rental Item. The rental payments already remitted will not be considered for this. The rent for the month in which the loss was reported to Grover shall be paid in full. In cases involving e-bikes, you will be obligated to pay €199.

12. Special provisions for use

12.1 Special provision on the use of drones

- You are responsible for damages that You cause other people by the use or possession of the e-scooter.

You must not leave or loan the e-scooter to third parties. If You have given or loaned the e-scooter to a third party, a damage or incident caused by or due to the e-scooter will be Your responsibility.

The e-scooter is powered by electricity. Never more than one person may drive at any one time.

You must not transport further persons on the e-scooter.

You may not use the e-scooter under the influence of alcohol, drugs or other substances, which can inhibit Your ability to drive and operate the e-scooter.

During the use of the e-scooter, You must not use any mobile devices including any electronic devices used to play music, make calls or use other services distracting You or interfering in a safe handling of the e-scooter.

You may not use the e-scooter if it has an obvious technical defect.

You may not modify or alter the e-scooter in any way.

You must not paste any stickers or other elements onto the e-scooter nor remove or break any accessories, parts or components of the e-scooter.

You must not commit any criminal offences with the e-scooter.

You should park the e-scooter in permissible areas.

If the e-scooter is removed by the competent authorities because it was parked in an impermissible area and impounded in the relevant vehicle impound lot, the Customer will also bear the costs for collecting the e-scooter besides the relevant fine.

12.2.3 Accidents

In the event that You are involved in an accident, You should contact the police and inform Grover as soon as possible about the accident and the damages caused on the e-scooter.

In the event of an accident caused by You, You will assume the legal responsibility for any personal injuries and property damages caused by the accident, in particular also for damages caused to third parties. Grover is entitled to invoice the costs to You for the

repair or repurchase of the e-scooter and any sums paid to third parties, which have been caused by You, and to charge them along with unsettled receivables.

12.2.4 Theft

If the e-scooter or one of its accessory parts or components is stolen during the rental term, You have to inform Grover immediately in writing. You have to file a corresponding report with the competent authorities and the relevant insurer and file criminal charges, respectively.

A copy of the criminal charges shall be sent to Us within 24 hours after they are filed.

12.2.5 Fines, penalties and sanctions

You are responsible on Your own for the violations You commit and You will bear all resulting fines, sanctions and penalties.

For defending its interests, Grover reserves the right to identify the Customer to the authorities or the public administration if a violation of road regulations has been committed (e.g. traffic violation).

Grover can demand the costs from the Customer, which result from violations committed by it, including fines, penalties and the legal fees assumed by Grover. We charge a processing fee of €25 for administrative offences.

Failure or refusal to pay the amounts owed by the Customer and named under Section 13.2.5 gives Us the right of extraordinary termination. We reserve bringing further claims in court for any damages and losses caused.

12.3 Special regulations for contracts for e-bikes:

When using and operating bicycles with electric motor assistance (hereinafter referred to as “e-bikes”), the legal provisions applicable to the use and participation of e-bikes in public traffic in the country in which the Rental Agreement was concluded or the Rental Item was delivered and the [operating instructions of the manufacturer](#) must be complied with.

12.3.1 Requirements for the customer

The customer should

- be at least 18 years old,
- be familiar with the operation and safe use of e-bikes,
- have adequate physical and mental fitness for riding the e-bike, and
- have knowledge of the applicable laws and regulations, especially the applicable traffic regulations; the e-bikes rented by Grover are considered bicycles under traffic law, and customers must be familiar with and observe the traffic regulations applicable to cyclists in particular.

12.3.2 Duties and obligations of the customer

You must ensure that you

- ride and use the e-bike exclusively in the country in which the Rental Agreement was concluded or the Rental Item was delivered;
- inquire in detail about the legal regulations concerning the use of e-bikes before using them;
- comply with all applicable legal requirements;
- have private liability insurance that covers the use of e-bikes;
- familiarize yourself with the e-bike before use, check it regularly and adjust it to your needs (saddle, handlebars, etc.);
- unlink the e-bike from the respective e-bike brand app before returning the e-bike to Grover. If not, you will bear the costs incurred in the process to unlock it in accordance with Section 5.5, as well as any additional costs and/or fines.

When using the e-bike, you must not exceed the maximum weight (rider including transported objects) specified by the manufacturer (as specified in the [operating instructions of the manufacturer](#)).

You may only use the e-bike at the outside temperatures approved by the manufacturer (as specified in the [operating instructions of the manufacturer](#)).

You must exercise the care, consideration and foresight required in road traffic when using the e-bike; you must not endanger yourself or other road users.

You may not use the e-bike if a technical defect is apparent.

You may not park the e-bike in places and locations where parking is not permitted. If you violate this obligation and the e-bike is therefore removed by or on behalf of an authority or authorized private person, you will bear the costs incurred in the process and for the retrieval (including any fines).

Regarding the lock for the e-bike, you have the following options:

- you already have a lock and use it for the e-bike;
- you rent a lock from us and use it for the e-bike; or
- you purchase a lock and use it for the e-bike.

You must always lock the e-bike securely (by connecting it to another object firmly attached to the ground, if possible).

You should not park the e-bike in the rain or in a damp place.

If you park the e-bike for more than a short time, you have to assure that the e-bike and the more sensitive components, like the battery, are stored in a safe and moderately temperate place.

You must always store the battery on a fireproof surface.

When charging the e-bike, you must follow the [manufacturer's instructions](#). You must first bring batteries to room temperature before starting the charging process. You must supervise the charging process and charge the battery only with the manufacturer's charger. If the battery is damaged or dropped, do not charge it.

You must always close the charging socket tightly with the rubber cap outside of the charging process.

You are forbidden to

- make any changes to the e-bike or manipulate its software or electronics; this applies in particular to changes that may result in the e-bike no longer being considered a bicycle (in the sense of Art. 1 (1)(ea) Wegenverkeerswet), but a motor vehicle (in the sense of Art. 1 (1)(e) Wegenverkeerswet) (e.g. changes that make it possible to reach speeds higher than 25 km/h with electrical assistance); such changes may result in criminal liability (e.g. under Art. 107 in connection with Art. 177 Wegenverkeerswet – driving without a licence, or Art. 2 in connection with Art. 30 Wet aansprakelijkheidsverzekering motorrijtuigen – violation of the insurance obligation);
- make any permanent cosmetic changes to the e-bike (e.g. attaching stickers) or remove parts, components and accessories without prior written authorization from Grover;
- use the e-bike when you are under the influence of alcohol or other intoxicants that could affect your ability to safely operate the e-bike;
- pass the e-bike on to third parties or allow them to use it; if third parties use the e-bike with your knowledge and consent, and if

damage to property or personal injury (including to the e-bike) occurs as a result of this use, you shall be responsible for it;

- use the e-bike to transport additional people, excluding children under the age of seven on a safe child seat, which is allowed according to Art. 58a (3) Reglement verkeersregels en verkeerstekens 1990 (RVV 1990);
- use the e-bike to transport objects if this could negatively affect your ability to safely operate the e-bike;
- use the e-bike in the commission of criminal offences or misdemeanours; and
- participate in any kind of race or competition.

We recommend that you

- wear appropriate protective clothing (especially a helmet) when using the e-bike; if you do not wear a helmet and an accident occurs, you are at risk of suffering more serious injuries, but there is also the possibility that your claims for damages will be reduced because the failure to wear a helmet will be charged to you as contributory negligence;
- not use the e-bike in bad road and weather conditions that may endanger safety;
- not use the e-bike on slippery roads;
- use the e-bike for night riding in accordance with the applicable laws and regulations, in particular the applicable road traffic regulations (such as the Reglement verkeersregels en verkeerstekens 1990 (RVV 1990)).

You have acknowledged and confirmed

- that the e-bike poses greater risks than ordinary bicycles due to its increased weight and motor-assisted acceleration;
- that the battery used in the e-bike might catch fire;
- that you are solely responsible for any damage caused by improper use of the e-bike or failure to comply with the duties and obligations set forth herein and, in particular, the provisions of the law;

- that Grover assumes no responsibility for the theft or loss of the e-bike, its components or accessories during the rental period and will not provide a replacement (or reimbursement of costs) in such cases.

12.3.3 Damage and accidents

In the event of an accident or damage to the e-bike, its components or accessories, you must inform Grover as soon as possible (within 24 hours of occurrence or knowledge) in keeping with your duty of notification.

In the event of damage, you must reach out to the local network of repair partners of the brand of the e-bike in question. You are responsible for paying for the repair of the e-bike and will be reimbursed in accordance with Grover's damages and loss terms (see Section 11). If the (estimated) repair cost is higher than €100, you need written authorization from Grover prior to the repair taking place.

Notwithstanding the above and Section 11, you are fully responsible for damage to the e-bike, its components and accessories which has occurred and of which Grover has not been informed within 24 hours of occurrence or knowledge of the damage due to a fault on your side.

If you are involved in an accident, you should contact the police.

In the event of an accident caused by you, you assume the legal responsibility for any personal injury and property damage resulting from the accident, including damage caused to third parties in particular. Grover is then entitled to charge you for the costs of repair or replacement of the e-bike and, if necessary, to offset them against outstanding claims.

In case of warranty issues, the brand owner of the e-bike will be responsible for the repair/replacement of the defective part. In any circumstance, the frame of the e-bike shall be changed/replaced, the customer must notify Grover about the warranty issue in question and return the unfit vehicle. Grover will then provide the replacement e-bike to the customer.

12.3.4 Theft and loss

If the e-bike, its components or accessories are lost or stolen during the rental period, you must inform Grover immediately in writing (within 24 hours of becoming aware of the loss or theft). Grover is not obliged to provide compensation or replacement for loss or theft. You must report the theft to the appropriate authority and provide Grover with a copy of the report within 24 hours of notifying Grover of the theft.

12.3.5 Fines, penalties and sanctions

As the customer, you are solely responsible for any violations of road traffic regulations and other relevant provisions committed by you in connection with the use of the e-bike. You are responsible for all resulting fines, sanctions and penalties.

Grover reserves the right to identify you to the authorities in order to defend its interests.

12.4. Grover Cash Program Terms

Grover Cash is a virtual credit that can be earned and used to pay for Grover subscriptions in accordance with these Grover Cash Program Terms as set forth in this Section 12.3. ("Grover Cash Program Terms"). Grover Cash is calculated in EUR (e.g. users can earn EUR 10 in Grover Cash and spend these EUR 10 on subscriptions).

Grover Cash can be earned by successful referrals to new Grover customers.

12.4.1. Earning Grover Cash through Successful Referrals

Customers who have an account with Grover (“Existing Customers”) can earn Grover Cash by successfully referring Grover to natural persons who currently do not have and have not had in the past a subscription with Grover (“New Customers”) in accordance with the following second and third paragraphs of this Section. New Customers will receive Grover Cash through such referrals in accordance with the fifth paragraph of this Section.

Existing Customers earn credits stipulated in Section 1.1 of the [Grover Cash Program Schedule](#) in Grover Cash (“Referral Credits”) for each Successful Referral. A Successful Referral requires that (i) the Existing Customer sends a personalized link to a New Customer (ii) the New Customer uses the link to conclude an agreement with Grover on the subscription of a Grover product (which may require data checks and credit checks of the New Customer upon Grover’s discretion in accordance with the GTC) and (iii) the New Customer pays the first subscription rate. The Referral Credits will be credited towards the Existing Customer’s Grover Cash balance 14 (fourteen) days after the delivery of the Grover product to the New Customer.

Prior to sending the personalized referral link as mentioned above, the Existing Customer shall ensure that the respective recipient consents to the receipt of the referral.

Otherwise, the Existing Customer shall be liable to Grover for any claims brought forward by the recipient against Grover due to unsolicited contacting. The Existing Customer shall support Grover in the legal defence against such claims. The Existing Customer shall fully indemnify Grover against all such claims unless the Existing customer proves that he is not responsible for such unsolicited contacting.

Existing Customers shall not (i) send referrals in the form of mass mailing, (ii) send referrals to strangers or (iii) send referrals in any (other) form that violates applicable law, in particular in the form of "spam". Existing Customers shall not make referrals for commercial purposes.

Upon completion of a Successful Referral, the New Customer equally receives the Referral Credits stipulated in Section 1.1 of the [Grover Cash Program Schedule](#).

In total, each Existing Customer can make a maximum of Successful Referrals, earning a maximum of Referral Credits stipulated in Section 1.2 of the [Grover Cash Program Schedule](#) in the course.

The specific terms in relation to Referral Credits, in particular their value and the maximum amount that an Existing Customer can earn, are set forth in the [Grover Cash Program Schedule](#) and may change from time to time. The changed terms will then be set forth in an updated version of [Grover Cash Program Schedule](#).

The value of Grover Cash in the form of Referral Credits which an Existing Customer can earn with a Successful Referral, is determined at the time the Existing Customer has sent an invitation – the personalized link – to a possible New Customer, and can be found in the [Grover Cash Program Schedule](#) which is applicable at the time the invitation was sent.

Customers can view their current balance of Grover Cash via www.grover.com ("website") and in the Grover App.

12.4.2. Spending Grover Cash

Grover Cash can be used only for the purposes expressly specified in this Section 12.3.

Grover Cash is not automatically redeemed. Users decide when and in what amount they

use Grover Cash. They can redeem it for their existing subscriptions both via www.grover.com (“website”) and in the Grover app.

Users can redeem Grover Cash to discount their existing subscriptions with Grover under the following conditions;

- a. Grover Cash can be spent only on existing subscriptions, i.e. not on the first rate of a new subscription.
- b. Users can select the (existing) subscription to which the Grover Cash shall be applied.
- c. Users can spend between EUR 1 and the maximum monthly redemption amount in Grover Cash (“maximum monthly redemption amount”) per subscription, stipulated in the [Grover Cash Program Schedule](#). Customers can choose the amount in steps of EUR 0,01.
- d. The spending of Grover Cash will reduce the upcoming monthly subscription fee of the selected subscription.
- e. Users can repeatedly redeem Grover Cash for future subscription fees as long as the total amount does not exceed the maximum monthly redemption amount in Grover Cash per month per subscription. There is no limit on the number of subscriptions that users may spend Grover Cash on. There is no limit on the total of Grover Cash that users may spend over various subscriptions and/or months, except for the maximum monthly redemption amount.

Grover Cash is personal and can only be used by the customer who has earned it. Grover Cash is not transferable to third parties. The sale, exchange, offering for auction or any other transfer of Grover Cash to a third party is prohibited. Negotiating for the purchase or sale of Grover Cash, the purchase of Grover Cash from Users or a third party, and the unauthorized use of Grover Cash are also prohibited.

Grover Cash cannot be applied towards purchases of products from Grover.

12.4.3. Expiry of Grover Cash (Lost without Spending)

Grover Cash will expire after 12 (twelve) months, counting from the day the respective amount of Grover Cash has been earned. The user will be notified at least 1 (one) month prior to expiry of its Grover Cash.

12.4.4. Discontinuation, Termination, Changes to the Grover Cash Program

Grover reserves the right to discontinue the Grover Cash program at any time without providing reasons subject to 4 (four) weeks' notice by e-mail or other communication channels.

Grover can temporarily limit or suspend the Grover Cash program entirely or for individual customers and/or temporarily limit or suspend a customer's access to their account to prevent improper use, abuse or in the event of malfunctions or other irregularities or a customer does not comply with the Grover Cash Program Terms. Grover will limit the suspension or limitation in time and scope as reasonably possible under the circumstances. Grover will notify the relevant customers of the limitation or suspension without undue delay.

Grover reserves the right to make any changes or additions to these Grover Cash Program Terms, providing this does not discriminate against the customers in bad faith. Changes or additions to the earning of Grover Cash, the spending of Grover Cash or other processes for Grover Cash will be notified to the Grover Cash users by e-mail or other communication channels.

13. Warranty, liability

The legal warranty regulations apply, unless determined otherwise hereinbelow.

In case of defects on the Rental Item, Grover is entitled to repair the Rental Item or provide an equivalent item to You as replacement.

14. Grover's liability

Grover shall be liable for damages without limitation if the cause of the damage results from gross negligence (grove nalatigheid) or wilful misconduct (opzet) by Grover, a legal representative or vicarious agent.

Grover shall be liable for negligent conduct only if a duty is breached the fulfilment of which is essential for reaching the purpose of the contract and the fulfilment of which the contractual partner regularly relies and may regularly rely on (cardinal duty), if Grover could have expected the damages that have been caused as being typical given the circumstances present at the signing of the contract. For the rest, Grover's liability shall be excluded also as regards vicarious agents and assistants.

The liability for the compensation of default damages shall be limited to the predictable, typically occurring damages as at the time of the signing of the contract. This liability limitation shall not apply in the event of gross negligence (grove nalatigheid) or wilful misconduct (opzet).

The foregoing liability limitations shall not apply to damage compensation claims arising from injury to life, body or health, granting a guarantee of properties and condition, or fraudulent concealment of defects by Grover.

Liability pursuant to Article 6:185 DCC remains unaffected.

15. Indemnification from liability

The Customer shall indemnify Grover from and all claims brought by third parties against Grover for improper use contrary to the contract or any illegal use of the Rental Item, unless these are outside of its responsibility. In the event of an indemnification pursuant to clause 1, the Customer shall compensate Grover for all damages, which Grover has incurred due to the improper use contrary to the contract or any illegal use including any costs for the legal defence. The Customer shall inform Grover directly if third parties claim improper use contrary to the contract or any illegal use of the Rental Item and support Grover in the legal defence.

16. Use of the Platform

We expressly point out that the use of the Platform bears risks. This relates in particular to risks caused by mailing malware, spam (unsolicited mailing of advertising emails), theft of passwords, electronic trespassing and manipulation, hacking and other forms of unauthorised disclosure of the data of customers, harassment and forgeries. Grover will employ all appropriate efforts to minimise these risks. This shall not establish a duty to assume liabilities. Your use of the Platform is at your own risk to this end. Maintenance work, retrofitting or upgrades, errors or “bugs”, as well as other causes or circumstances can result in interruptions or faults in the operation of the Platform. Grover shall rectify any technical failures without delay within the scope of the technical possibilities.

17. Prohibition of assignment, transfer for use, pledging

Claims or rights of the Customer against Grover may not be assigned or pledged without Grover's agreement, unless the Customer has a justified interest in the assignment or pledging.

During the rental term, You may not transfer the Rental Item for use to any third party without our prior written agreement and, in particular, You may not sell, give away, rent or loan it. This shall not apply to the use free of charge by persons who are members of the Customer's household or employees of the Customer, insofar as this is legally permitted.

You are obligated to keep the Rental Item exempt from the rights of third parties for the rental term.

During the term of the Rental Agreement, no Rental Item in Your possession may be leased, encumbered by a lien or otherwise made the object of a transaction.

18. Data protection

Please take notice of our [Data Privacy Policy](#).

19. Online dispute resolution and consumer mediation office

If the Customer is a consumer, the following information applies: The European Commission offers a platform for online dispute resolution, which can be accessed at <http://ec.europa.eu/consumers/odr/>.

Grover is neither willing nor obligated to participate in a dispute resolution procedure conducted by a consumer mediation office.

20. Customer service

If You want to reach our customer service, You can send an email to help@grover.com or a message directly to us by clicking on the Chat button on the bottom right on grover.com.

21. Changes

We have the right at any time to make changes to these GTC, provided that the changes do not relate to this Section 19 or primary performance obligations or the fee for the primary performance and the changes do not amount to the conclusion of a new contract nor relate to the adjustment of fees, which aims at a payment beyond the fee agreed for the primary performance. You will be notified of the changed terms in text form at least six weeks before their effective date. The changes will be deemed approved if You do not object to them within six weeks from receipt of the notification. Grover will inform separately of the possibility to object and to the observation of the deadline. If You exercise the right to object, the changes will not become a part of the contract and the contract will be continued without changes. In case the Customer objects to the changed General Terms and Conditions within the time limit, Grover shall have the right in consideration of the Customer's legitimate interests to terminate the contract existing with the Customer on the date on which the change takes effect. Corresponding contents of the Customer will then be deleted from the database. The Customer cannot derive any claims against Grover from this.

22. Applicable law

The contractual relationship existing between Grover and the Customer is governed by the law of the Netherlands. The application of the UN Convention on Contracts for the International Sale of Goods is excluded. If the Customer is a consumer, the choice of law shall not entail that he/she will be deprived of the protection, which is granted to him/her pursuant to the mandatory legal regulations on consumer protection, which applies at the place of his/her habitual abode. The choice of law also does not mean that he/she must enforce his or her right in a foreign court.

23. Final provisions

If individual provisions of the GTC should be invalid, this shall not affect the validity of the GTC in the remaining part. Any dispute related to and arising from this Agreement will be submitted to the competent court in the Netherlands. Grover is permitted to transfer the rights and obligations under the contract with the Customer in full or in part to another company. In the event of contract assumptions by a third-party company, the Customer shall receive a notification from Grover about the assumption of the contract, which shall also state a deadline within which the Customer may terminate the contract and demand the deletion of the customer account if the Customer does not agree with the transfer to the third-party company.
