Savings and Checking Variable Rate Account Terms

Your interest rate and annual percentage yield may change at our discretion.

Interest begins to accrue on the business day you make your deposit.

The minimum balance to obtain the Annual Percentage Yield is \$.01.

Annual percentage yield assumes interest remains on deposit. Withdrawal of interest may reduce earnings.

Fees may reduce earnings - see Schedule of Fees for applicable fees.

For checking account interest that is accrued, but unposted, interest may be forfeited if account is closed.

A savings account may be closed if the account balance falls to zero.

Interest calculated on the daily balance method, 365/365 basis, which applies a periodic rate to the principal in the account each day.

Checking and savings products are variable rate accounts - the interest rate may change at any time after account opening.

NJ Consumer Checking account allows 8 free checks per monthly statement cycle. Additional checks written in excess of 8 are charged \$.50 per check.

For tiered accounts only; interest is paid on the full balance in the account at the rate that corresponds to the deposit tier.

The **Blue Axis** Connect™ is available to youth aged 13 to 24, who must be the primary account owner. The account type may change to Blue Axis™ Checking or similar product on the primary account holder's 25th birthday.

On all checking accounts, the primary account owner must be 13 years of age or older. Parent/Guardian must be a joint account holder if the primary account holder is under the age of 18.

Blue Axis™ Savings, **Blue Axis**™ Checking, **Blue Axis** Connect™ and **Blue Axis**™ Money Market accounts require account holders to enroll in eBanking and receive statements electronically. Paper statements cost is \$2 per statement.

Accounts opened online require eBanking enrollment.

Certificate of Deposit / eCDs / IRA Certificate of Deposit Account Terms

Interest begins to accrue on the business day you make your deposit and may be paid until maturity.

Interest which has been credited to the account may be withdrawn at any time during the term of the crediting.

Interest calculated on the daily balance method, 365/365 basis, which applies a periodic rate to the principle in the account each day.

Interest is credited monthly.

Annual percentage yield assumes interest remains on deposit. Withdrawal of interest may reduce earnings.

Fees may reduce earnings - see Schedule of Fees for applicable fees.

The minimum balance to obtain the Annual Percentage Yield is \$.01.

Deposits are not permitted after account opening (except during any grace period).

Certificates of Deposit automatically renew at maturity. You may have 7 calendar days to withdraw the funds without penalty.

If any of the deposit is withdrawn before the maturity date, a penalty as shown below may be imposed which could result in a partial loss of principal. There are certain circumstances, such as the death or incompetence of an owner, where we may waive or reduce this penalty.

Term of up to 12 Months may be imposed a penalty of 90 days interest

Term of 13 Months to 59 Months may be imposed a penalty of 180 days interest

Term of 60 Months or more may be imposed a penalty of 365 days interest

eCDs funded via ACH that are closed prior to maturity, the applicable penalty may be assessed and remaining funds in the account may be sent via ACH back to the originating bank account, from which the initial deposit was withdrawn.

For eCDs, the maturity date is calculated from the date funds are received.
