

Research Quiz

This activity is designed to help pupils develop skills in research and searching the internet for relevant information, as well as providing key information about the housing crisis and the sort of support that is available through Shelter to help those affected. The activity is presented as a quiz, and the answers to all these questions can be found on the Shelter website - but you may choose to adapt the format to suit your classroom environment.

Please note - this quiz refers to England, for the same information in Scotland, see the Shelter Scotland resources.

1. Complete the sentence based on Shelter's mission statement: We exist to defend the right to _ _ _ _ _.
2. Shelter has local hub services in 11 towns and cities in England - can you list them all? Which one is closest to you?
3. If you or someone you know had nowhere to stay tonight, what Shelter service would you suggest using to start with and what details would you need?
4. What does Shelter recommend you do if you are homeless and the council offers you temporary housing? What would they recommend you do next? *[Hint, you might like to use the search function on the Shelter website].*
5. Find four different ways in which you or your family could support Shelter's work.
6. Where can you find some information about tenancy deposit, and what advice would you give to someone who was worried about getting their deposit back from a landlord?
