Nominating Committee's Report

The nominating committee has met, made inquiries and deliberated.

Recognizing both the willingness of some officers to serve again if asked, and the need to encourage new members to consider leadership roles, we are recommending that the group elect two vice-presidents. Their duties and responsibilities will be determined by the newly elected executives. To that end, we propose the following slate for the upcoming election:

Officer Position	Nominee(s)
Co-Presidents	Marc Gordon and Robin Ketchum
Vice Presidents	Ethan Mulligan and Patti Veconi
Recording Secretary	Mary Dale Roth
Corresponding Secretary	Den Gordon
Treasurer	Ed Regan

Growing Our Community

Growing our relationships through environmental activities that improve our community, lift our spirits and help keep us grounded.
