¹⁾ a) Apparel, home textile, and textile accessories label: Durable markings include but are not limited to, imprints and durably affixed hangtags. Markings should not be affixed to the polybags or to the UOI price tags and/or label.

b) Home products and accessories (non-textile) label: Durable markings include but are not limited to, imprints, self-adhesive labels, and durably affixed hangtags. Markings should not be affixed to the polybags or to the UOI price tags and/or label. Footwear markings must be affixed to the shoe and not placed on the shoebox

⁽²⁾ All accessories that require Fiber Content and will be shipping to the EU must include the Fiber Content in: English, French, Spanish, German, and Italian. Vendors are not required to indicate multiple instances of fiber content if the translation of the fiber content is the same in multiple languages.

⁽³⁾ Eyewear must also be marked identifying the Power Strength of the glasses (if applicable)

⁽⁴⁾ Fiber Content marking on footwear must include upper, sock lining, and outer sole
