- Proficiency in Rhino, Revit, and Adobe Creative Suite
- Fluency in written and spoken English
- Strong design sensibility and fluency in both 2D and 3D
- Experience with construction documents, consultant coordination, codes/approvals, and construction administration with a demonstrated practical knowledge of materials, specifications, building systems, and construction methods
- Excellent communication skills and experience with client and consultant communication
- Experience with NYC agencies and filing processes preferred
- Multi-family residential experience beneficial
- Familiarity with Grasshopper and advanced rendering workflows beneficial
- Analytical, creative problem-solver with strong critical-thinking skills
- Dependability, professionalism, and a positive attitude

### What we offer:

- An exciting international working environment
- The salary range for this position is \$80,000 - \$100,000, depending on experience and qualifications
- Training and development opportunities
- Health Insurance
- Fifteen paid holiday days and seven sick days in addition to eight federal holidays.

To be considered for the position, please email [work@solidobjectives.com](mailto:work@solidobjectives.com) with the subject of the email as "YOUR NAME/ARCHITECT". Attach your CV/resume and Portfolio in PDF format under 10MB. Please state your availability in the body of the email. Please note that no links or compressed files will be opened. Unfortunately, due to the volume of applications, we are not able to reach out to every inquiry. We will follow up with qualified candidates via email to schedule interviews.
