

Arctic Treehouse Stay in Finland

5 days - Visit Rovaniemi with a stay in the TreeHouse Hotel

The Arctic TreeHouse Hotel is situated in the forest within the Santa Park at Rovaniemi. With spectacular views over the treetops, the TreeHouse suites offer an exclusive combination of local tradition, Lappish heritage and modern Scandinavian design.

For the adventurous amongst us, you can combine exhilarating activities such as dog sledding and snowmobiling. For the romantics out there, hunting the dancing colours of the Northern Lights is one for the bucket list. For those with children, Santa and his many helpers are waiting to say 'hello', busy in any season.

Much is to be said however, for simply soaking up the stunning nature whilst enjoying the seclusion of your exquisite suite with a visit to a traditional Finnish sauna/spa complex.

Highlights include

- Participate in a reindeer safari
- Snowmobile riding through the forest
- Husky Safari through the forests
- Chances to see the Northern Lights
