[NEW GLASS IGLOO TOUR IN FINLAND](#)

APRIL 2017 - 50 Degrees North has added a new tour staying four nights in premium glass igloos under the Northern Lights in Levi, Northern Finland. These new well-appointed glass igloos offer the chance to sleep under the Northern Lights, complete with private kitchenettes, showers, and toilets. With only a handful of igloos set in a superb location in the first row at the top of the fell, guaranteeing breathtaking, unobstructed views that stretch for miles, you will be sure to avoid the winter crowds.

Activity highlights of the tour are snowmobiling, dog mushing, and reindeer sledding; all under the spectacle of the Northern Lights. Downhill skiing at one of Finland's premium ski resorts can also be included in this tour. This tour is designed to maximise the chances of seeing the Northern Lights, as you spend the complete 5 days staying in the Aurora zone.

This premium 5-day program is priced at AUD 4 100 per person, twin share with many included meals and winter clothing for the adventure components. Travel dates valid from 01 DEC 2017 – 30 APR 2018. Contact us on 1300 422 821 or check out our website: www.fiftydegreesnorth.com
