

Lapland Circle

11 days - Independent tour, staying at ICEHOTEL, Tromsø and Glass Igloos

Scandinavian Lapland offers a great range of comfortable Nordic style accommodations and activities with an added bonus of the mesmerising Northern Lights. During the day, you get to know huskies and reindeers, and at night, our guides will take you out on snowshoes and snowmobiles to 'hunt' for the Aurora Borealis. Travelling on a minibus between remote Northern locations, you can just sit back and enjoy the ride.

The trip runs weekly from January 2020 to March 2020 with fixed departures from Kittilä every Wednesday.
