The Cause

For 37 years, the REBNY Member in Need fund has been a beacon of unity, where the industry comes together to support a charitable cause and celebrate the most ingenious deals. The Fund was established to provide grants to residential brokers and agents who are in financial need due to unexpected illness or hardship. To date, the Member in Need Fund has granted over \$1M to members.

Your Support Matters

We count on your organization's support to ensure the Fund continues to be a resource for members in need. The Residential Deal of the Year is not just a celebration, but a powerful statement of leadership and giving back to the industry in a meaningful way. These grants give agents and brokers some needed support during hardship.
