Operation & Hospitality intern

We love our riders, and they love us (even though we make them sweat like crazy). We have over 90.000 riders a year and they all have to get a special treatment. We are looking for an Operation & Hospitality Intern to help our Albert Cuyt team give our riders the ultimate experience.

- Understand the current process and work flow
- Engage with the operational team

What do you need?

- You are currently studying in a field such as hotel management, event management or hospitality
- You are a quick learner
- You are willing to go the extra mile for our riders
- You are spontaneous
