THE INDOOR CYCLING WORK-OUT

THAT TRANSFORMS THE WAY YOU LOOK
AND FEEL

Instructor

We are always on the watch for new instructors to put their passion into riding the bike and teach our signature classes to our beloved riders. After an intense training period you are ready to be the leader of the pack and take our riders on an exhilarating, motivational and sweaty journey. Filled with fun, upbeat music and feelings of victory! The classes are best described as an inspirational cycling experience combined with upper body strength that will transform the way you look and feel.

Where you fit in

We are all about having fun and giving our riders the best treatment. And YOU will be the face of our brand. You will personally motivate and take the riders on a physical and emotional journey. You are capable of motivating each rider to achieve their personal best. And you will make sure no one leaves the class without a smile on their face.

Perks of the job?

- Young and vibrant team that feels like family
- Competitive salary
- Open work environment where your opinion is valued
- Create your own classes that fit you and our riders
