

# Nathalie Agnekil

Web/frontend developer  
UX/UI designer

📍 Stockholm, Sweden

## Profile

Passionate Frontend Developer with a keen eye for design and a deep appreciation for exceptional UX. I thrive on creative problem-solving and continuously seek innovative ways to enhance user experiences. My love for the visual arts drives me to craft engaging and intuitive interfaces that leave a lasting impression. Committed to ongoing learning and professional growth, I am always eager to embrace new challenges and expand my skill set.

We could be great together!

## Interests

## WORK EXPERIENCE

### Frontend Developer Intern

2025

Voice Provider

As the only frontend developer and UX/UI-designer, I helped Voice Provider enhance and improve their user experience for several of their products.

### Frontend Developer

2022 - 2023

Epinova AB

Working as a frontend developer towards Optimizely CMS (former Episerver). Mostly in HTML and CSS/Sass. Working in a small team with head responsibility for the frontend.

### Frontend Developer

2021 - 2022

Camanio Care AB

Frontend and UX responsibilities for the overall products of the company. **Maternal leave.**

### Frontend Developer / UX/UI-designer

2021

Brocc AB

Working as a frontend developer with UX and UI responsibilities. Responsible for all the way frontend development - from design and prototyping to finished development for their new customer web.

### Frontend Developer / UX/UI-designer

2018 - 2021

Aktieinvest FK AB

Working as a frontend developer with UX and UI responsibilities. Responsible for all the way frontend development - from design and prototyping to finished development.

Please see more details about my frontend projects and tasks in my portfolio at <https://nathalieagnekil.com>

### Packaging/Structural designer & Project manager

2016-2017

Ranhammar AB

Packaging construction, working in Artios CAD. Making diecut-planks and printing films for laquer, foil and emboss. Managing all packaging related projects.

### Filial manager/Newspaper distributor

2010 - 2013

Pressens Morgontjänst

Manager. Lots of multitasking and the "spider in the net". Responsible for every nights distribution of newspapers, the safety of the distributors and contact with the newspaper, head office and customer service, amongst other administration.

## EDUCATION
