### EXAMINATIONS:

#### Online Quizzes

All online quizzes must be completed during the designated week, as outlined in the LMS under the relevant subject's Assessments tab.

#### Exam Period

Exam period commences week 13 for one week and consists of written exams and online quizzes as well as any final assessments to be uploaded for marking.

Written examinations will be performed using Respondus LockDown Browser and will be open in the LMS for a scheduled window of time; once started, examinations must be completed within the required exam timeframe. All written final exams will be scheduled during the one week commencing from the date indicated on the calendar overleaf, under the heading **Exam Period Commences**. Students need to keep this week clear of commitments until the exact date and time of each final exam is published.

The examination details for the final exam for each subject delivered online are published on the LMS under the relevant subject link at least six (6) weeks prior to the examination week. This information is communicated via the 'Subject News – Latest Announcements' section under the Communication tab in the LMS.

It is the student's responsibility at all times to regularly check the Communications tab in the LMS for important final examination updates and information.

#### External Invigilation for Online Subjects

The College does not conduct supervised examinations on campus. Students who are unable, or do not wish, to use the Respondus LockDown software can apply to have their examination invigilated by an external supervisor.

#### Deferred Final Exams for Online Subjects

If you are unable to attend the nominated exam date as published on the LMS, then you must submit a Special Consideration Request with supporting evidence, no later than three (3) working days after the PUBLISHED date of the exam/s. If students do not attend a nominated exam and do not submit a Special Consideration Request, this will result in an automatic fail grade for the exam.
