Transportation from airport to hotel / venue

From Antalya International Airport – AYT

This will serve as the second airport for the competition, in addition to the Konya airport. CSE will provide vehicles and trucks daily and will quote teams the relevant pricing for this service. This airport is a viable option for flights from most European countries. The journey from Antalya to Konya takes approximately 3 hours.

From Istanbul International Airport (IST)

CSE has arranged for the transportation of bicycles and related equipment between Istanbul (IST) and Konya using large trucks for the 11-hour journey. Teams will be able to hand over their equipment to CSE staff at Istanbul Airport (landside) and then return airside to continue their journey to Konya or Antalya. Additionally, there are 10 daily flights from Istanbul (IST) to Antalya, which could be an alternative if direct flights to Konya are unavailable. Full logistic services from CSE will be available at both Konya and Antalya airports.

Transportation from hotels to the venue:

Shuttle service for the teams is provided free of charge by the Organising Committee (Konya Metropolitan Municipality) from March 12 to 16, according to the schedule below. Any team member (without a bike) can use the shuttle service from designated points.
