~~Accreditation (managers, trainers, guests, etc...)~~

Please ensure that you collect your accreditation as soon as you arrive at the velodrome as it will be required for access to all parts of the venue. Accreditations are provided with a lanyard and must be worn and visible whenever you pass through accreditation controls.

You are responsible for the safe keeping of your accreditation. If your pass is lost or stolen, please inform the Accreditation Centre immediately. Any abuse of the system such as passing your accreditation to another person will be reported to the UCI and your accreditation may be withdrawn.

Team Accreditations can be collected from the Accreditation Centre at the velodrome during opening hours. **UCI Accreditation Centre opening times are communicated in the Information Bulletin.**

To avoid misunderstandings, the Union Cycliste Internationale has decided to fix a limit for the maximum number of accreditations which can be issued depending on the various organisations, which is as follows.

The number of accreditation cards is valid for a complete team; consequently, **it will be adapted to the number of riders** who will take part in the Championships.
