	Omnium	Men
Saturday, August 4	Sprint	Women
Sunday, August 5	Omnium	Women

- Any Team Pursuit modification must be provided to the secretary of the commissaires panel at least 1 hour before the relevant competition round start.
- Any Team Sprint modification must be provided to the secretary of the commissaires panel at least 30 minutes before the relevant competition round start (article 3.2.149).
- Only riders who are competing in the upcoming session may use the track during the pre-session warm up time.
- The wearing of the rigid safety helmet, done up in a correct manner, is mandatory for riders at all times when riding on the track surface and safety zone.
- Riders may not wear headphones attached to devices such as radios, music players, telephone etc., while riding on the track.
- The use of the derny and the use of starting blocks during the official training are not permitted. Standing starts are permitted one rider at a time only in the sprinters lane on the home straight and only with the assistance of someone waving a flag at the exit of the bend.

- Riders are reminded that they must wear their respective national apparel during the races as well as during award ceremonies.  
Riders participating in the awards ceremony must present themselves in due time, bare-headed and without headband or glasses, wearing proper footwear, until after they leave the official ceremony enclosure.
- Riders shall ensure that the body number is visible and legible at all times. The body number shall be well fixed and may not be folded or altered. When two numbers are required to be worn, these should be placed low down and on either side of the back. When a single number is required to be worn, this should be placed low down in the center of the back. **Body numbers will be distributed at the Team Manager's meeting.**
- Transponders, fitted to the bikes, are mandatory for all events.  
The transponders will be distributed at the Team Manager's meeting. These should be returned once the rider has completed all his/her event(s) to Omega.

Should the bicycle or position have been modified in contravention of the regulations, the rider may be disqualified.
- Any rider who considers that he needs to use a bicycle that presents a technical innovation or particularity must inform the Commissaire's Panel to that effect when presenting his license.
- Bicycles or other equipment may not be left on the safety zone of the track.

No other people are permitted in this zone.
- Any offence not specifically penalized and any unsporting behaviour shall be punished by a warning, indicated by a yellow flag, or by disqualification from the race, indicated by a red flag, according to the gravity of the fault. A rider receives only one warning prior to disqualification.  
The warning and disqualification are relative to each specific competition only.  
If a rider is relegated in a competition that relegation may also carries with it a warning, depending on the gravity, intent and impact of the fault. A rider receiving a second warning, or being relegated for the third time, is disqualified.

##### Team Pursuit

- **Women – Mishaps during the qualifying round:** (particular case)  
If a mishap occurs after the first half-lap, the team **MUST** stop within one lap of the place of the mishap or they face disqualification.  
The team of a rider that has stopped following a mishap shall restart at the end of the qualifying Rounds.  
If a team suffers a mishap during its subsequent ride, it shall continue with 3 riders or be disqualified.

## Omnium

- Riders shall bear two body numbers in all events in the Omnium competition.

- Any rider abandoning or being withdrawn from the Scratch Race or Points Race shall be awarded the ranking of the last available place at that time plus a penalty ranking equal to the last rank points granted to the Flying Lap.

## Elimination

- If one or more riders are lapped or abandon the race between sprints, they shall be the riders eliminated in the next sprint.
- In certain cases, the commissaires may decide to eliminate a rider other than the last rider in the sprint (for example, if a rider passes on the blue band).
- In all cases, the decision on which riders shall be eliminated will be made and announced prior to the riders crossing the pursuit line on the back straight after the elimination sprint. If no decision has been made by this time, then no riders shall be eliminated until the next sprint.
- An eliminated rider shall leave the track immediately, failing which he shall be **disqualified from the entire Omnium event**.
- Riders eliminated shall be placed in inverse order according to the time of their elimination (for example, the first rider eliminated is placed last, the second rider eliminated is placed second last, etc.).

The neutralization shall be indicated by a yellow flag on the start line and all riders on the track shall ride in a compact group at a moderate speed. No account shall be taken of the position of any riders off the front or back of the bunch at the time of the mishap.  
The race shall be restarted by the withdrawal of the yellow flag and the firing of the starter's pistol. Any riders not able to rejoin the race at this point shall be eliminated and their position determined according to the time of their elimination. The bell shall be rung the following lap to indicate the start of a sprint lap.  
Except in the case when all riders on the track suffer a recognized mishap, once four or fewer riders remain on the track, no neutralization shall be granted, and any riders not finishing shall be eliminated and their position determined according to the time of their elimination.
- In the event of collusion between riders, both riders shall be disqualified.
