Sarrians

Vaucluse Provence

Vaucluse, Land of Tourism! Department of the South Region - Provence Alpes Côte d'Azur, this territory, a mecca for cycling in all its forms, offers 300 days of sunshine a year, and is world famous for its rich heritage, its cultivation of olive trees, vines and lavender, its perched villages, its Mediterranean and Provençal cuisine, its wine route...

Vaucluse, Land of Cycling! Known both for its mythical summit of Mont Ventoux with the passages of the Tour de France, its 1800km of marked greenway routes, its mountain bike and gravel hikes, the territory is home to many BMX tracks and a large number of licensees.

Sarrians

Sarrians is the story of a Vaucluse village of 6,000 inhabitants, nestled in the heart of the Comtat Venaissin plains, scrubland and vineyards, which has become a stronghold of French BMX.

A crazy project by President Stéphane GARCIA, followed by the Municipality... and today, an international BMX track with an Olympic hill 8 meters high and the status of Games Preparation Center.

It is no coincidence that the best athletes flock from all over the world and make this unmissable spot their training base.
