1. COVID PROTOCOL

The Local Organization Committee and the UCI must follow the specific COVID-19 regulations imposed by the French authorities for this event.

These COVID-19 countermeasures are based (but not limited to) on the principle of a “**sanitary bubble**” which includes specific populations. Sport delegations must be part of this sanitary bubble from arrival to departure to/from the competition.

For these reasons, please make sure to comply with all the following conditions:

1. All sport delegations must use the **official transportation and accommodation**.
2. Fully vaccinated participants* **must upload their official vaccination certification** on the convert format on the dedicated platform.

*Please notice that “fully vaccinated” means vaccinated with an EMA-approved vaccine or similar: 7 days after the second shot for two-shot vaccines (Pfizer, Moderna, AstraZeneca, Vaxzevria/Covishield), 4 weeks after the shot for one-shot vaccines (Johnson & Johnson);

To find the dedicated platform please follow this link:

<https://box.uci.ch/index.php/s/g4w8oIW1CIQHmA8>

The vaccination certification must be uploaded as PDF file and must be named as follows (according to the population category) :

TEAMS.XXX.first name.last name.pdf (XXX refers to the UCI tricode of the nation)

For administrative management reasons, these instructions must be absolutely followed. Any file which does not respect this format and is not named accordingly cannot be considered and will be rejected. **Please upload your vaccination certificate before 15th October.**

In order to convert a foreign vaccination certificate, please follow this link : <https://www.diplomatie.gouv.fr/en/coming-to-france/coronavirus-advice-for-foreign-nationals-in-france/coronavirus-statements/article/applying-for-a-covid-certificate-if-you-were-vaccinated-abroad-procedure-for>

If the participant doesn't upload his vaccination certification on the platform before he/she collects his/her accreditation, he/she will be considered as a **non-vaccinated person and will have to be tested every day**.

3. **One negative -72 hours PCR Test (at the cost of the national federation) is required upon arrival** to collect the accreditation card. This applies to **all persons** (even for vaccinated people and/or people having contracted the Covid-19 within a 6-month period prior to arrival).

This test result must be in paper form (hard copy) with the accreditation ID written on it.

4. In the sanitary bubble, **additional antigenic test(s)** will need to be conducted during the week of the Championships:

- Fully vaccinated members will have to do **an antigenic test** between Wednesday, 20th October and Thursday, 21st October (at the hotel).

→ Please notice that “fully vaccinated” means vaccinated with an EMA-approved vaccine or similar: 7 days after the second shot for two-shot vaccines (Pfizer, Moderna, AstraZeneca, Vaxzevria/Covishield), 4 weeks after the shot for one-shot vaccines (Johnson & Johnson);

- Non-vaccinated members (or not vaccinated with an EMA approved vaccine or similar) will have **to be tested every day** (antigenic test at the hotels). In order to facilitate your access to the velodrome, a daily sticker will be add to your accreditation after your test.

Please notice that you will have to wait at the test center for your antigenic test result before being granted entry into the venue.

A COVID test center will be set up on every teams hotel.

Opening hours : Wednesday 20 and Thursday 21 : from 8am to noon / The other days : from 08:00 to 10:00

5. **To exit France** members requiring a PCR or antigenic test will be able to do it (Cost supported by the national federation) at the event official laboratory (at the venue or at the hotel).

Non-compliance of participants to this protocol will result by denied access the competition site and withdrawal of accreditation.

Besides the measures listed above, everyone must continue to apply the barrier measures (such as wearing a mask at any times, washing hands, using hydro-alcoholic gel, not shaking hands, or greeting people with kisses on the cheek...)

In case of any question about COVID protocol **please contact:** covid.roubaix2021@spartner-agency.com

2. ACCREDITATIONS
