BMX Freestyle Park

For BMX Freestyle Park, a quota has been installed in order to limit the number of participants allowed for each country. This is done to ensure that there is sufficient time in the schedule to complete the event. See Annex 1 “BMX Freestyle Park Qualification System” for details.

Riders Categories

Trials

9.2.057 Competition categories at the Trials world championships are:

- Women Elite
- Men Juniors 20"

½ Finals

The trials world championships will commence with a ½ Finals round. The world championships ½ Finals round is open to all riders entered. The ½ Finals round shall consist of three laps of five sections. The commissaires' panel will set the competition time according to the number of entered riders.

Final round

The best six riders in the ½ Finals round will be eligible to compete in the Finals round. The scores gained in the ½ Finals round do not count in the Finals round.

Final procedure

At the Finals round it will be applied the six by six system:

Before the start, the six riders will be presented on the start podium, in inverse order to the position obtained in the ½ Finals round. After the presentation, they must go to section one.

The order to start will be determined by the result obtained in the ½ Finals round. Rider that obtained the sixth place shall start first in section one and so on. The same principle applies for the remaining sections.

Once a rider finishes a section, the next rider has maximum thirty seconds to start the section. After this thirty second the section time is running.

In case of slight injury, the other rider must overtake and start the section in front of him/her.

In case of tie, article 7.1.047 of the UCI Trials Regulations shall apply.

Competitors taking part in the Finals must have two bicycles at their disposal. The spare second bicycle shall remain in the rider's area for the duration of the competition and may be retrieved as a replacement for the first bicycle.

The UCI will award the first three riders ranked in each category.

National Team Competition

7.5.001 General

A trials national team competition shall be established in a dedicated section at the trials world championships

7.5.002 Entries

The rider's participation for the trials national team competition must be done by the team manager at the rider's confirmation.

The maximum number of riders in a trials national team competition is 5, one per category:

- 1 Men Juniors 20"
- 1 Men Juniors 26"
- 1 Men Elite 20"
- 1 Men Elite 26"
- 1 Women Elite

The minimum number of riders in a trials national team competition is 3. They must belong to different categories.

7.5.003 Starting procedure

The total number of UCI points a national team is obtained by adding the sum of each rider's individual UCI points. The total number of UCI points will determine the start order in the UCI

Trials National Team competition. The national team with the lowest total UCI points will start first.

The start order of the riders in each national team is determined by each team manager.

The first rider to start the competition belongs to the national team with the lowest UCI points. The second rider is from the national team with the second lowest UCI points and so on. The same procedure applies for the remaining riders.

Riders ride the sections one by one and only once.

7.5.004 Section description

The section, which must be split in five sectors, has to be designed/built according to the UCI trials section building guide. Each sector is composed by different obstacles marked with four different levels (gates).

The length of a section must be between 30 to 50 m and it must be lineal or in a U-shape.

The five sectors of each section must be clearly defined by a cross-wise tape on the ground in order to identify each part.

Each sector must contain the four different levels (gates) indicated with coloured arrows. Riders will get a different score depending on the level (gate) they choose to ride.

Points scored with each level (gate)

- White gate: 10 points
- Blue gate: 20 points
- Red gate: 30 points
- Yellow gate: 40 points

7.5.006 Results

The points scored by each rider count as points for his national team's overall score.

The winner is the national team with the highest score.

In case of tie, the national team that scored points riding on the highest level (gate) will break the tie.

BMX Freestyle Park

The BMX Freestyle Regulations are located on the UCI website at the following [link](#)

6bis.6.003 A BMX Freestyle Competition for each category may be composed of the phases (Qualification, Semi-final or Final) described below, and within each phase, a number of heats.

For Park Competitions, a heat is a group which comprises 4-6 riders. In the case of 7 entries, the heat will consist of 7 riders.

The combination of phases and heats (if applicable) for a category depends on the number of entries and is found in the following table.

Number of entries	Competition phases	Qualification rule	Number of heats
5 - 8 entries	2 phases: Qualification x 1 Final x 1	Top 4 in Qualification advance to Final	Qualification: as below 1 heat of 4 in Final
9 – 15 entries	2 phases: Qualification x 1 Final x 1	Top 8 in Qualification advance to Final	Qualification: as below 2 heats of 4 in Final
16 - 31 entries	2 phases: Qualification x 1 Final x 1	Top 12 in Qualification advance to Final	Qualification: as below 2 heats of 6 in Final
More than 31 entries	3 phases: Qualification x 1 Semi-final x 1 Final x 1	Top 24 in Qualification advance to Semi-final Top 12 in Semi-final advance to Final	Qualification: as below 4 heats of 6 in Semi-Finals 2 heats of 6 in Final

Number of heats: The number of heats in each round is found in the table above. For the Qualification phase, the number of heats should be chosen such that as many heats as possible have 4 6 riders.

Whenever it is not possible for all heats to have 6 riders, a number of heats will have either 4, 5 or 6 riders according to the table in annexe II. By preference, heats should be formed with the highest number of riders possible. Any heats that do not have 6 riders, will be at the start of the heat order.

6bis.6.004 A run is the individual unit of Competition in a BMX Freestyle Event, during which a rider performs a routine consisting of various tricks, which is evaluated by the judges.

Park Competitions

At all phases of the Competition, within each heat, each rider shall do 2 runs.

In general, riders do their first run in the start order defined in article 6bis.6.005. Once the final rider in the order within each heat has taken their first run, the riders will do their second run in the same order.

Start Order

6bis.6.005 Qualification Phase

Park Competitions

Within the Qualification phase, riders are randomly assigned to each heat.

However, in case an event that is part of a series, the Qualification phase shall instead be done in reverse order of the current series ranking; that is, riders are assigned to their heats in order, starting with the unranked or lowest ranked riders, and ending with the highest ranked riders in the last heat.

In such a case, within each heat, the start order continues to be in reverse order of ranking, so that the highest ranked rider within each heat goes last in that heat. Any unranked riders are seeded randomly in the first heats in the order.

The UCI BMX Freestyle Park Individual ranking as at 01 November 2022 will be used to establish the qualification Start order.

6bis.6.006 Within the Semi-final phase (if done), the start order is in reverse order of the results of the Qualification phase.

6bis.6.007 Within the Final phase, the start order is in reverse order of the results of the preceding phase.

6bis.6.008 Within each phase of the Competition, the riders in each heat are entitled to a warm-up before their heat begins.

Park Competitions: a minimum 40 second warm-up must be given.

6bis.6.009 In the Semi-final (if held) and the Final, any rider who is not present within the Field Of Play (FOP) or the riders' area as described in the Competition Guide at latest by the start of the 15 minute warm-up period preceding that phase, shall not be allowed to start. They will be scored as DNS ("Did Not Start") for the phase in question.

6bis.6.010 In case one or more riders do not start in a Semi-final or the Final for the reason of missing the deadline described in article 6bis.6.009, the heats shall be redrawn as described in article 6bis.6.003.

In case one or more riders withdraw (or are disqualified or refused their start) once the deadline described in article 6bis.6.009 has passed, the heats will not be changed.

BMX Freestyle Flatland

6bis.6.003 A BMX Freestyle Competition for each category may be composed of the phases (Qualification, Semi-final or Final) described below, and within each phase, a number of heats.

For Flatland Competitions, riders are organised into heats at the discretion of the organiser, Periodic breaks may be inserted into the program in order to allow for rider rest and warm-up.

The combination of phases and heats (if applicable) for a category depends on the number of entries, and is found in the following table.

Number of entries	Competition phases	Qualification rule
3 - 4 entries	1 phase: Final x 1	All entered riders participate in the Final
5 - 8 entries	2 phases: Qualification x 1 Final x 1	Top 4 in Qualification advance to Final
9 – 15 entries	2 phases: Qualification x 1 Final x 1	Top 8 in Qualification advance to Final
16 - 21 entries	3 phases: Qualification x 1 Semi-final x 1 Final x 1	Top 12 in Qualification advance to Semi-final Top 8 in Semi-final advance to Final
More than 21 entries	3 phases: Qualification x 1 Semi-final x 1 Final x 1	Top 16 in Qualification advance to Semi-final Top 8 in Semi-final advance to Final

6bis.6.004 Flatland Competitions

At all phases of the Competition, within each heat, each rider shall do 1 run; this run shall be done by the riders in the start order defined in article 6bis.6.005.

**6bis.6.005** Qualification Phase

The start order in the Qualification phase is done at random, unless a series ranking is used; in that case, the start order of the Qualification phase is done in reverse order of the series ranking among the riders who are present. Unranked riders shall ride first, in random order.

The UCI BMX Freestyle Flatland Individual ranking as at 01 November 2022 will be used to establish the qualification start order.

6bis.6.006 Within the Semi-final phase (if done), the start order is in reverse order of the results of the Qualification phase.

6bis.6.007 Within the Final phase, the start order is in reverse order of the results of the preceding phase.

6bis.6.008 Within each phase of the Competition, the riders in each heat are entitled to a warm-up before their heat begins.

Within each phase, a 3-minute warm-up period will be allowed on the riding surface of the Flatland Area at most every 8 riders. The first such group of riders shall also be entitled to this 3-minute warm-up prior to starting the Competition.

6bis.6.009 In the Semi-final (if held) and the Final, any rider who is not present within the Field Of Play (FOP) or the riders' area as described in the Competition Guide at latest by the start of the 15 minute warm-up period preceding that phase, shall not be allowed to start. They will be scored as DNS ("Did Not Start") for the phase in question.

6bis.6.010 In case one or more riders do not start in a Semi-final or the Final for the reason of missing the deadline described in article 6bis.6.009, the heats shall be redrawn as described in article 6bis.6.003.

Venue Map and Information

Venue Location

General Information

Population

Abu Dhabi is the largest and most populated of the seven emirates that make up the United Arab Emirates, home to over 80% of its landmass. The emirate's population is approximately 3 million. Across the UAE, Emirati citizens make up nearly 20% of the total population, with the other 80% being expatriates from Asia, Africa, Australia, Europe and North America.

Local time

The UAE is four hours ahead of UTC (Coordinated Universal Time, formerly known as GMT) and there is no daylight saving. Hence, when it is 12.00 midday in Abu Dhabi, it is 3am in New York, 8am in London, 10am in Johannesburg, 1.30pm in New Delhi, and 6pm in Sydney (not allowing for any summer time-saving in those countries).

Social and business hours

Generally speaking, government departments, embassies and consulates work from 8am to 4pm. Embassies and consulates may designate specific times of day for processing certain requests (such as passport applications) so always call before you visit. The Islamic holy day is Friday and most organisations operate a Friday/Saturday weekend. Shops and visitor attractions are open on both days, though usually towards the end of the day or in the early evening on Fridays.

During the holy month of Ramadan shops often change their hours by closing during the day, reopening an hour or two after sunset, and staying open later at night. Food outlets and restaurants generally remain closed or offer takeaway services only during the day and then open up for Iftar – the meal that breaks the fast – after sunset.

Safety

Recognised as one of the safest cities on earth, Abu Dhabi's virtually crime-free environment and well-organised emergency services will bring you peace of mind and a relaxing stay.

Annex 1: Quota -2022 UCI BMX Freestyle Park World Championships

Introduction

Quota by nation for the 2022 UCI BMX Freestyle Park World Championships, which will be held during the 2022 UCI Urban Cycling World Championships in Abu Dhabi, in the United Arab Emirates (UAE). The quota system will allow the most active nations in BMX Freestyle Park the ability to be well represented, while still giving all countries the ability to send a minimum of 1 rider in each category. This will also ensure that the number of entries will remain at a level that allows the event to be completed in the time available.

Qualification Ranking by Nation

6bis.11.006 A ranking by nation for Men Elite and Women Elite is drawn up for BMX Freestyle Park. The ranking by nation is calculated by summing the points of the two best placed riders for men and the two best placed riders for women from each nation in the UCI BMX Freestyle Individual Ranking. A rider's points are awarded to the nation of this nationality, even if he is a license holder of the federation of another country. Tied nations have their relative positions determined by the place of their best rider on the individual UCI BMX ranking.

6bis.10.004 Each national federation shall be entitled to enter 2 reserve riders in each category. The final deadline to change entered riders for reserve riders is the end of the riders' confirmation period defined within the official event schedule.

6bis.10.005 For the Park discipline (only), each national federation shall be permitted to enter a maximum number of riders in each category, as determined by the Ranking by Nation closest in time to the deadline published by the UCI for each such category for the World Championships of the year in question. The maximum quota available to each national federation defined by that quota for each category is found in the table below.

Quota

Quota spots will be awarded for each category using the qualification ranking described here for that category, as follows:

Rank	Quota
1 st to 3 rd	Maximum 6 riders
4 th to 6 th	Maximum 5 riders
7 th to 9 th	Maximum 4 riders
10 th to 14 th	Maximum 3 riders
15 th to 19 th	Maximum 2 riders
Host country of the championships (if not already qualified)	Maximum 2 riders
All others, including countries not ranked	Maximum 1 rider

Quota by Nation

Following the UCI BMX Freestyle Park ranking of 30 August 2022, the Quota by Nation for both Categories are as follows. In case a country decides not to use its entire quota, the quota is not reallocated.
