

### BID GUIDE UCI JUNIOR TRACK CYCLING WORLD CHAMPIONSHIPS

### FOREWORD FROM UCI PRESIDENT DAVID LAPPARTIENT

Cyclists worldwide dream of wearing the rainbow jersey of UCI World Champion, a distinction that goes to only the very best of our sport.

Each year, track cycling's Junior athletes have just one chance to win that precious jersey: at the UCI Junior Track Cycling World Championships.

The UCI Junior Track Cycling World Championships are the discipline's leading annual event for Juniors and are much awaited by athletes and fans alike. To perform to their best, the athletes need to be sure that they can compete in the best possible conditions, which is why the role of the event's host is so important.

The UCI greatly appreciates the interest and commitment shown by potential organisers. In bidding to host the UCI Junior Track Cycling World Championships, you have already demonstrated your wish to invest in the future of this discipline and I thank you sincerely for that.

To help simplify the bidding process, we have prepared this concise, practical guide that was prepared after consultation with our various partners. Our aim is to help potential hosts compile a water-tight candidature file that contains all the required elements, for example concerning the competition site, infrastructure, transport, emergency services, accessibility etc.

This bidding guide also answers frequently asked questions such as: What commitments do candidate organisers make? What services does the UCI offer? What are our obligations? What about scheduling and deadlines?

I wish you the best of luck in your bidding procedure and hope that we will be able to come to your city or region with an edition of our UCI Junior Track Cycling World Championships.

David Lappartient UCI President

The percentages represent the approximate share of marketing and sponsorship rights each level will be entitled to.

#### **RESERVED PRODUCTS/SERVICES CATEGORIES**
