SAINT-QUENTIN-EN-YVELINES

Situated at 20 km on the West of Paris, Saint-Quentin-en-Yvelines is an urban area of 12 municipalities which gathers 230 000 inhabitants on a territory bigger than the surface of Inner Paris. Integral part of Big Paris and 2nd Parisian western economic pole after The Defense, Saint-Quentin-en-Yvelines is considered for its dynamism and its living environment.

Harmony between places steeped in history and modernity, between commercial districts and living districts, between the Man and the nature, makes life enjoyable in Saint-Quentin-en-Yvelines! This exceptional environment contributed to make of Saint-Quentin-en-Yvelines a favorable territory for the sports activities due to its Ile de Loisirs activities and its velodrome.
