

PARA-CYCLING ROAD

1. WELCOME

UCI PRESIDENT'S WELCOME MESSAGE

We are all preparing for a momentous cycling event that will mark the history of our sport. The 2023 UCI Cycling World Championships taking place in Glasgow and across Scotland will feature 11 days of exceptional, non-stop cycling action never-before witnessed in our sport.

This combined, multi-discipline event was one of my visions when I was first elected UCI President in 2017. I am incredibly excited that this vision is soon to become a reality, and that you will be part of it.

The beauty and diversity of our sport will be on show across the globe as the best athletes in the world vie for the rainbow jersey in cycling's many and varied disciplines.

It is no mean feat to bring together 13 UCI World Championships, including those for our five Olympic disciplines, in a single event. It has been possible thanks to the commitment, dedication and hard work of our different stakeholders, all motivated by a passion and desire to see cycling break new boundaries.

Our hosts in Glasgow and across Scotland have undertaken an enormous challenge to welcome this first edition that will be repeated every four years, the year before the Summer Olympic Games.

We have all been working closely to ensure that each and every one of these UCI World Championships taking place from 3 to 13 August will live up to the expectations of our National Federations, their athletes and cycling fans.

To ensure you can all benefit a maximum from this exceptional occasion, we have produced this document with practical information about each event and your stay in Scotland. I trust you will find it useful as you enter the final stretch of preparation for this historic event.

I look forward to seeing you in Glasgow and across Scotland.

See you there!

David LappartientUCI President

SCOTLAND WELCOMES THE WORLD

As the 2023 UCI Cycling World Championships continue to power the bike, in collaboration with funders and partners to reach the start of 11 days of exhilaration, competition and the joy that cycling brings, we look forward to sharing this inaugural spectacle with the world!

The Championships are an event like no other. Not only will it bring over 8000 elite and amateur athletes from 13 UCI Cycling World Championships together for the first time, it will also inspire more people across Scotland and the world to get on a bike. The policy led approach to the delivery of this inaugural event strives for increased participation, better inclusion and accessibility, with sustainability at its heart. Cycling, and the freedom and joy it brings to people, as well as its role in saving the planet are to be embraced, and Scotland, as ever, is the perfect stage for all of this to unfold.

A country of spectacular mountains, extinct volcanos, and world-renowned warmth from its people awaits those elite cyclists and para-cyclists, amateur riders, cycling enthusiasts and fans as part of an unforgettable celebration of the bike.

The 2023 UCI Cycling World Championships has a schedule which will boast a world class line-up of elite cycling competitions, designed to unite Scotland while sharing an inspirational cycling message with the world. It has been created by the UCI, the Organising Committee of the 2023 UCI Cycling World Championships, host cities and key stakeholders to give an unrivalled live spectator and TV viewing experience, packed full of daily elite finals and nonstop action with at least three championships on display each day of the 2023 UCI Cycling Worlds.

In a first for a UCI World Championships, the Women Elite road race will bring the curtain down on the Championships, on Sunday 13 August. In addition to championing female cyclists, the decision to stage the Men Elite road race on the opening weekend and the Women Elite road race on the closing day was taken to ensure the best possible alignment with the UCI Road International Calendar.

The 2023 UCI Cycling World Championships will be set against the backdrop of some of Scotland's most iconic and spectacular cities and locations. Hosted everywhere from metropolitan Glasgow to the Highlands of Fort William, the Championships is proudly a pan-Scotland event. The power of the bike will take a global audience on a breath-taking tour, visiting landmarks rich with history like Stirling and Edinburgh Castle, to jaw dropping landscapes at Nevis Range and Loch Lomond.

Scotland has earned a world-renowned reputation for its major event hosting over the past decade, bringing The Ryder Cup, Commonwealth Games in 2014, World Gymnastics Championships 2015, European Championships 2018, and UEFA EURO 2020.

Scotland is getting ready; our volunteers are getting ready, and our warmest welcome will meet you in Scotland for this inspiring and innovative event. We cannot wait to see you in 2023!

21. VEHICLE ACCREDITATION

Any team or support vehicles who wish to utilize the official team parking and/or access the field of play must submit their vehicle details during the accreditation process.

Your vehicle will be turned away from official event spaces if it does not have a Vehicle Accreditation.

22. SHUTTLE SERVICE

A limited shuttle service will be available to athletes and team helpers, between Whitesands and Crichton. 2km distance between the sites.

23. RACE ROUTE MANAGEMENT

A large fleet of police and safety motorcycles will operate during official training and competition times to ensure the safety of all athletes involved. This means you may see more race management vehicles than you are used to, including broadcast camera motorcycles.

24. NEUTRAL SERVICE

This will operate for all races, time trials and road races, provided by Shimano. Basic repairs will be available but will not be available for structural repairs.

A list of equipment in the neutral cars will be provided prior to the race.

25. TEAM CARS

Team cars are permitted to follow athletes during the time trials, but NO team cars are allowed in the road race convoys. Teams can service riders at the feed zone on the road race course. If neutral service is unable to get an athlete back on the road, a broom wagon service is available to get athletes and their machines back to the start / finish

26. COMMISSAIRES

Commissaires will be active out on the routes in cars and on motorcycles to ensure rules and regulations are adhered to.

27. RACE MEDICAL

A medical service will be available at race venues, along with medical services following the routes and at strategic points

28. WARM-UP AREAS AND TOILETS

At each competition venue there will be a dedicated warm up area located close to the team parking area, for athletes to set up turbo trainers / rollers etc. Accessible toilets are available close to the warm-up areas.

Glasgow's vision is to create a vibrant bike-friendly city where cycling is accessible, safe and attractive to all. This vision is part of an overall effort to make the city more liveable, and has led to the development of a new Transport Strategy, Active Travel Strategy and Liveable Neighbourhoods Plan. By delivering a practical city network and encouraging positive community engagement, Glasgow is transforming its streets into welcoming environments for all bike users. Residents are encouraged to choose active travel as their preferred means of transport, in line with the city's ambitious goal of achieving net zero carbon by 2030.

The 2023 UCI Cycling World Championships will be a catalyst in Glasgow and throughout Scotland to inspire real and lasting change in people's approach to cycling as a sport, a healthy transport solution and a powerful tool against climate change and other global threats.
