

2025 UCI Para-cycling Road World Cup – Ostend/Bruges Belgium

01-02 May 2025: Ostend

03-04 May 2025: Bruges

General information on the region

Ostend, the only true City by the Sea

Ostend has a rich past. King Leopold II, the famous painter James Ensor and the soul icon Marvin Gaye were all inspired by the magic of the City by the Sea. The authentic architecture, the dazzling nightlife, the fine port, the many shops and the wide range of events make the city truly irresistible.

In addition to all these aspects, the European City of Sport 2017 also offers all kinds of sports for all age groups. No less than 1 in 3 residents are members in one or more of the over 170 different sport associations in Ostend. Athletes and teams competing at an international level can be found across many sport disciplines. Since Ostend is located by the sea and existing open-air infrastructure, it frequently hosts sport events.

Bruges, the Unesco World Heritage City

Many places have a lasting impression on their visitors. Bruges is a special place with a rich history. Due to this, it has earned the title of UNESCO World Heritage City. Explore Bruges to discover its hidden gems and to admire its beautiful sights.
