**The team managers must therefore present the national jersey and shorts to the Commissaires Panel at the riders confirmation.**

1.3.057 Advertising matter, as detailed in the “UCI jersey visual guidelines” brochure published on the UCI website, shall be used at the national federation discretion - [UCI Jerseys Visual Guidelines](#).

Advertising matter on jersey and shorts may vary from one rider to another. The design of the jersey and shorts may vary from one category of rider to another.

Advertising on protective leggings worn for downhill mountain bike, trials and BMX events is not subject to the advertising restrictions on shorts.

Additionally, the rider's name may appear on the back of the jersey.

The above measures also apply to other items of clothing worn during competition (rain jackets, etc.).

## 7 TECHNICAL ASSISTANCE

4.2.044 No rider may turn back on the course to reach a feed/technical assistance zone. Any rider doing so is disqualified. Only within the feed/technical assistance zone itself, a rider may turn back without obstructing other competitors.

4.2.045 Technical assistance during a race is permitted subject to the conditions below.

4.2.046 Authorised technical assistance during a race consists of repairs to or the replacement of any part of the bicycle other than the frame. Bike changes are not permitted and the rider must cross the finish line with the same handlebar number plate that he had at the start.

4.2.047 Technical assistance shall only be given in the feed/technical assistance zones.

4.2.048 Spare equipment and tools for repairs must be kept in these zones. Repairs and equipment changes can be carried out by the rider himself or with the help of a team-mate, team mechanic or neutral technical assistance.

4.2.049 In addition to technical assistance in feed zones, technical assistance is permitted outside these zones only between riders who are members of the same UCI elite MTB team, UCI MTB team or of the same national team. For the world championships, technical assistance is permitted only between riders of the same national team.

Riders may carry tools and spare parts provided that these do not involve any danger to the rider himself or the other competitors.
