

# WCC UCI MECHANICS COURSES

The **WCC UCI mechanics courses** are intended for individuals who wish to work for a professional team or a National Federation.

The programme is designed to develop levels of knowledge, expertise and professional standards in bicycle mechanics in all disciplines of cycling.

- QUALIFICATION LEVELS**
- Level 1** (Introduction to Bicycle Mechanics) - this basic course is intended for those with little or no experience in the field of bicycle mechanics.
- Level 2** (Developing as a Bicycle Mechanic) - this course is for those who have completed the Level 1 (or those who already have experience working with bicycles and understand the basic principles of mechanics) and are keen to develop into more advanced areas of bicycle mechanics.
- Level 3** (Advanced Bicycle Mechanics) – this expert level training is the highest qualification offered and is for experienced mechanics who will be working with their cycling team or National Federation.

The WCC can assist you in choosing the right level.
