

Round #3 – UCI Track World Cup – Nilai (MAS) – 24-26 April 2026

GENERAL INFORMATION

Located just 30 minutes south of Kuala Lumpur and within easy reach of the Kuala Lumpur International Airport (KLIA), Nilai is a rapidly developing township in the state of Negeri Sembilan. Its strategic position along Malaysia's central corridor has transformed it into a dynamic hub for education, business, and leisure, attracting both local residents and international visitors seeking convenience and comfort.

Steeped in the cultural heritage of Negeri Sembilan, Nilai reflects the unique Minangkabau traditions of the region, characterised by distinctive architecture, rich customs, and a strong sense of community. Visitors can easily explore nearby attractions such as Seremban, the state capital, known for its traditional cuisine and historical landmarks, or venture to Ulu Bendul Recreational Park for a glimpse of Malaysia's natural beauty. It is also a short drive away from the administrative capital of Putrajaya, which is one of the country's most scenic cities.

Nilai offers a welcoming balance of modern amenities and small-town warmth. Well-connected by road and rail, it provides easy access to major destinations such as Putrajaya, Kuala Lumpur, and the southern gateway to Malacca. The Velodrome itself was built in 2017, and hosted the 29th South-East Asian Games in Kuala Lumpur, and has since hosted numerous major competitions including the Asian Track Cycling Championships in 2023 and 2025.
