8. COMPETITION FORMAT

8.1. WOMEN CATEGORY

In the women's category, each trials world cup race shall include a ½ finals and a final.

8.1.1. ½ FINALS

The trials world cup event will begin with a ½ finals. The world cup ½ finals is open to all riders entered. The ½ finals shall consist of two laps of five sections. The commissaires' panel will set the competition time according to the number of entered riders.

8.1.2. FINAL

The best six riders in the ½ finals will be eligible to compete in the final. The penalty points obtained in the ½ finals do not count in the final. In case of a tie, the penalty points obtained in the ½ finals will act as a tiebreaker.

8.2. MEN CATEGORY

In the men's categories, each trials world cup race shall include a ¼ finals, a ½ finals and a final.

8.2.1. ¼ FINALS

The trials world cup event will begin with a ¼ finals. The world cup ¼ finals is open to all non-qualified riders entered. The ¼ finals shall consist of two laps of five sections. The commissaires' panel will set the competition time according to the number of entered riders.

The Men Elite ¼ finals will be set in groups:

- Groups (3 or 4) will be determined depending on the number of riders entered.
- If the number of riders entered is 30 or lower, they will be split in 3 groups.
- If the number of riders entered is more than 30 they will be split in 4 groups.
- Groups will be determined as per riders order in the current UCI ranking, as e.g. group of 10 riders, positions: 11, 15, 19, 23, 27, 31, 35, 39, 43 and 47. (This principle is to avoid having riders ranked in highest position in the same group)
- For 3 groups the best four riders of each group will be eligible to compete in the ½ finals plus the three or more of the lucky losers in overall should be qualified.
- For 4 groups the best three riders of each group will be eligible to compete in the ½ finals plus the three or more of the lucky losers in overall should be qualified.

8.2.2. ½ FINALS

The number of riders qualified in the ½ finals including the top ten is always 25. At least the first fifteen riders in the ¼ finals in each category and the ten highest ranked riders on the UCI ranking qualify for the ½ finals.

More riders can qualify if the number of directly qualified (from the UCI ranking) is less than ten riders. The ½ finals shall consist of two laps of five sections. The commissaires' panel will set the competition time.

8.2.3. FINAL

The best six riders in the ½ finals will be eligible to compete in the final. The points obtained in the ½ finals do not count in the final.

In case of a tie, the points obtained in the ½ finals will act as a tiebreaker.

8.3. FINAL PROCEDURE

At the Finals round it will be applied the six by six system:

Before the start, the six riders will be presented on the start podium, in inverse order to the position obtained in the ½ Finals round. After the presentation they must go to section one.

The order to start will be determined by the result obtained in the ½ finals round. Rider that obtained the sixth place shall start first in section one and so on. The same principle applies for the remaining sections.

Once a rider finishes a section, the next rider has maximum thirty seconds to start the section. After this thirty second the section time is running.

In case of slight injury, the other rider must overtake and start the section in front of him/her.

In case of tie, article 7.1.047 shall apply.

8.4. NUMBER OF SECTIONS AND LAPS

The number of sections and laps are indicated below:

ROUND	NUMBER OF SECTIONS	NUMBER OF LAPS
¼ Finals	5	2
½ Finals	5	2
Final	5	1
